Fierce Battles Flare In South Viet

Viet Cong Suicide Squad Killed

SAIGON (AP) — Saigon became a battleground today as the Communist extended their coordinated lunar new year offensive across the country and made their biggest assault on South Vietnam's capital since the war began.

The most spectacular attack was an invasion of the U.S. Embassy compound in Saigon by a Viet Cong suicide squad that held out for six hours before U.S. troops wiped them out.

As fighting continued at other points all over Saigon and in other towns throughout the country, President Nguyen Van Thieu in a special broadcast declared martial law throughout South Vietnam.

Under Thieu's proclamation, his government will rule by decree until further notice rather than under the constitutional parliamentary system inaugurated late last year. The president ordered all theaters, bars, night clubs and other places of entertainment closed throughout the country and banned all gatherings and demonstrations.

Casualties in the two days of fighting across the country soared on both sides. Tank, artillery and machine-gun fire echoed through the streets of Saigon as South Vietnamese and U.S. forces battled Viet Cong squads at points all over the city. Dead and wounded were scattered through the capital's streets.

But the attacks in Saigon were part of a bloody two-day mosaic that spread over nearly half of South Vietnam's 44 provincial capitals as well as vital U.S. and government installations at other points.

Military casualty figures were incomplete, but spokesmen said allied forces had killed 2,643 Communist troops across the country in the 48 hours before noon today. Preliminary reports said 68 Americans and 178 South Vietnamese soldiers were killed and 171 Americans and 330 South Vietnamese were wounded.

There was no estimate of civilian casualties, but apparently they were heavy.

Millions of dollars of damage were done to U.S. aircraft and other facilities in the shelling of nine American air bases, including Bien Hoa, just north of Saigon, the biggest American fighter base in South Vietnam, and the Marine fighter base at Chu Lai, below Da Nang.

At nightfall, U.S. Ambassador Ellsworth Bunker reported: "As far as I know, Saigon is secure." But gunfire and helicopters firing overhead could still be heard, and two battalions of South Vietnamese marines and paratroopers were battling Viet Cong troops at a golf club near the Tan Son Nhut Air Base.

Gen William C. Westmoreland, commander of U.S. forces in Vietnam, said he believed the attacks Tuesday and today were a "diversionary effort to take attention away from the northern part of the country." U.S. commanders believe the North Vietnamese are massing there for the biggest campaign of the war, with their target U.S. Marines just below the demilitarized zone.

Westmoreland said allied forces killed about 700 enemy soldiers in the Communist raids Tuesday—the start of the Lunar New Year—and "my guess is that the enemy death toll today will be comparable to Tuesday's."

Striking while South Vietnamese forces were celebrating the Tet, the lunar new year festival which is their biggest holiday, Viet Cong and North Vietnamese forces on Tuesday invaded Da Nang, the country's second largest city, and seven provincial capitals in the central and northern parts of the country. Fighting continued through the night in some of the towns.

Today the Communists carried their campaign to Saigon and into the Mekong Delta to the south.

Late this afternoon fighting was still raging in streets of Saigon and inside the capital's sprawling air base, where at least 100 Viet Cong troops infiltrated.

The fighting closed the airport, one of the busiest in the world, to all commercial flights.

Viet Cong guerrillas used plastic explosives to blast through the outer wall around the $2.6 million embassy building, opened last November and designed to be virtually terrorist proof, about 3 a.m.

Ambassador Ellsworth Bunker was at his residence five blocks away.

A wounded guerrilla reached the second floor of the quarters of U.S. Mission coordinator George Jacobson, 56, who lives on the embassy grounds. Jacobson killed him with a pistol thrown up to his window by a soldier who wounded the guerrilla downstairs.

Nineteen guerrillas were found dead when the embassy was declared secure at 9:30 a.m. One prisoner was taken away and another wounded one was carried out. U.S. officials said five American soldiers were killed and 11 wounded and two Vietnamese embassy drivers were killed in the fight for the embassy.

No casualties were reported among paratroopers of the U.S. 101st Airborne Division who landed by helicopter on the roof of the six-story embassy and raced down through the building to help finish off the Viet Cong squad.

There were conflicting reports as to whether the invaders got inside the embassy building. A U.S. captain said some penetrated the first floor. A major overruled him, saying they did not. Westmoreland said they didn't. Vietnamese police said they did.

Bullets knocked the Great Seal of the United States off the wall above the entrance. Anti-tank rockets tore four holes in the facing of the building. It replaced one wrecked in March 1965, by terrorist bombs that killed 22 persons.

Although warnings were posted in American billets in Saigon that Viet Cong attacks were expected during the new year holidays, the commander of the embassy's Marine guard said he had only three men inside the building at the time of the attack and several Vietnamese guards on the outer gates. The commander, Capt. Robert J. O'Brien, 36, of Marshfield, Mass., said he and a five-man force arrived at the embassy within 10 minutes after the attack started.

U.S. Retreat In Key Area Cong's Aim

Widespread Raids Seek To Force GIs' Pullback At Border

WASHINGTON (AP) — Some U.S. military analysts say the synchronized Viet Cong assaults against Saigon and other South Vietnamese population centers aim at forcing a pull-back of American troops from the key border sector where North Vietnamese regulars have been massing.

They suggested the attacks, hitting eight widely spaced cities and towns, also were intended to impress on the South Vietnamese people that the Communist guerrillas are still to be reckoned with.

The military specialists spoke against a background of obvious high-level U.S. government concern over the bold Viet Cong strikes, particularly in Saigon against the U.S. Embassy.

The White House called the Saigon outbreak "pretty serious" and said President Johnson was receiving periodic reports on it.

The State Department interpreted the rash of assaults as a "major effort to subject large numbers of the Vietnamese people to maximum terror and intimidation."

Military officers say the Viet Cong assault, sprung by suicide squads, appears part of the Communist winter-spring offensive, which also has featured North Vietnamese thrusts and probes from North Vietnam, Cambodia and Laos. The overall plan is regarded by some observers as a Communist bid to score territorial and battlefield gains in advance of possible peace talks.

Outlook Brightened By Signs Of Spring

Though only temporary, there were signs of spring today in the tri-state area.

The forecast calls for rising temperatures and Mrs. Joe Wetzel of Moore St. found a 2½-inch pansy blooming in a flower bed just outside the house after snow melted.

Occasional light rain is due tonight, with the low in the 30s, followed by rain and warmer Thursday.

Temperatures will be above normal Thursday through Monday, with highs in the 40s and lows in the 30s. It will be mild until cooler weather sets in over the weekend.

Toll Rises To 7 In Pittsburgh Blast

PITTSBURGH (AP)—The death toll climbed to seven early today in an explosion that rocked the business district of suburban Ingram, shaking homes a half mile away Tuesday.

One person was still reported missing and 17 injured after firemen pulled a badly-burned body from the wreckage.

Workers at the scene said men were blown away like toys.

One flew 90 feet across railroad tracks. Three were hurled against an iron fence 25 feet away.

What had been a row of five business shops was levelled almost to the street—the debris blown away or dumped into the blazing basement.

The buildings exploded while a 12-man Equitable Gas Co. crew was ripping up sidewalk outside looking for a gas leak. Five of the dead were Equitable workers.

"Who knows what triggered the explosion?" said a gas company spokesman. "Actually, the real cause probably will never be known.

"The men were working on a low - pressure, four-inch main. "The gas into the buildings was shut off."

A passerby, whose car was bombed with debris, said the explosion occurred just as a gas company worker started up a jackhammer.

Frank Sulzer, 23, of McKees Rocks, said:

"It moved my car four or five feet sideways, then the building came down on my car. I ducked down in the seat and said a prayer. I figured that more would be coming down, and I just stayed there."

Joe Muck, a volunteer fireman who lives nearby, was one of the first to the scene. He rushed to the man who was blown across the railrod tracks.

"I wiped blood away from his eyes so he could see," said Muck. The man had a board sticking in his back.

"He kept asking me 'How did I get here. . .how did I get here?' I told him that's okay, we'll tell you later. I think he died in the hospital later."

The dead Equitable employes were:

Edward Boyce, 52, Mt. Oliver; Andrew Hanna, 39, Imperial; William Mullooly, 37, Scott Township; Robert Kuzemko, 33, Carnegie; and Herbert Snyder, 52, Bridgeville.

Also killed was Louise E. Bradford of Pittsburgh.

The seventh victim wasn't immediately identified.

The blast ripped apart a beauty shop, a tailor shop, two real estate offices and a cleaning shop. There were apartments on the second floors of the two-story frame buildings.

Mrs. Samuel Simpson who lives nearby said:

"It sounded like a bomb! I looked out and saw people and debris everywhere. There was flaming debris everywhere."

About 400 pupils were evacuated from a grade school two blocks away.

The search for bodies was difficult due to the fire and smoke, and the fact the basement was chocked solid with debris.

As firemen poured tons of water into the rubble, other firemen and volunteers dug into the debris with their bare hands. Later, heavy equipment was used.

South Korea Seen Upset With U.S. In Ship Crisis

SEOUL (AP) — South Korea's foreign minister asserted today that more attention should be paid to the Communist attempt to assassinate President Chung Hee Park than to North Korea's seizure of the USS Pueblo. His remarks were interpreted as an expression of government displeasure with U.S. handling of the current Korean crisis.

The South Korean government will "categorically oppose" any additional U.S. moves to emphasize the Pueblo case in efforts for an over-all settlement of the Korean situation, Foreign Minister Choi Kyu-hah told a news conference.

Choi said his government also will object to any direct bilateral talks between the United States and the North Koreans and to any proposal to exchange the Pueblo crewmen for North Korean infiltrators.

"A basic settlement of the current crisis lies in taking firm measures to assure the security of the Republic of Korea and prevent recurrence of any provocative acts by the North Korean regime," he declared.

The ruling Democratic Republican party and the opposition Shinmin party put aside their political squabbles to provide bipartisan support for the Park government in the crisis. The National Assembly went into special session and was expected to adopt resolutions asking for decisive action against North Korea.

In Washington, the White House continued to put heavy stress on diplomatic efforts to free the Pueblo crewmen. Sen. J.W. Fulbright, D-Ark., chairman of the Senate Foreign Relations Committee, said after breakfast Tuesday with President Johnson he got the impression Johnson was so hopeful of avoiding military action that there was no talk of a deadline for relase of the men.

Plans Set For 'Ceramic Festival'

Thirty representatives of civic, service and labor organizations agreed Tuesday night that the community should proceed with plans for a festival in June, designed to draw visitors to the East Liverpool area by showing off the age-old skills and crafts of the ceramic industry as well as other unique attractions.

The name, "Ohio Valley Ceramic Festival," was chosen tentatively for the event, set for June 20-23, inclusive.

—:—

THE DINNER meeting at the Travelers Hotel was arranged by the tourist and trade promotion committee of the Chamber of Commerce, which originated the idea for the festival in six years of dealing with an ever-growing number of visitors to the region.

The meeting also drew representatives from the East Liverpool Merchants Association, the Junior Chamber of Commerce, the International Brotherhood of Operative Potters, the Kiwanis, Rotary, Lions, Quota and Business & Professional Women's Clubs and the General Federation of Women's Clubs.

H. J. English presided as chairman of the Chamber committee. Near the close of the meeting, he was elected chairman of the festival sponsoring group. English named three representatives of industry, labor and the business community who will select committeemen from their own ranks and report to the chairman by next Wednesday.

Republicans Elect Officers At South Side

William Powell of Murdocksville was named president when the South Side Republican Club met at the South Side Elementary School Monday.

Other officers include Mrs. Rowena Bishop of Hanover Township, vice president; Mrs. Grace Wilson of Raccoon Township, second vice president; Mrs. Anna Cujas of Raccoon Township, secretary; Mrs. Charlotte Johnston of Greene Township, corresponding secretary, and Mrs. Irma Yoko of Raccoon Township, treasurer.

Petitions were given to the 18 members running for committeemen in the primary election in April.

Joseph Shaffer, a member, was introduced and asked for the members' support in his bid for the legislature from the 15th District in the primaries.

Mrs. Wilson, who has been club president for five terms, again was nominated but pointed out she felt others should have the opportunity to serve.

The next meeting will be March 25 at the school.

Sawyers Writes Indefinite Reply To Road Queries

Commissioner Burl A. Sawyers of the West Virginia State Road Commission has sent an indefinite reply to the Northern Hancock County Development Organization in reply to a letter declaring that "a four-lane bridge and a modern four-lane highway" are needed to carry Route 30's growing traffic through the area.

Charles D. Taylor, president of the development organization, sent Sawyers a letter in early January citing the need for inspection of the Chester Bridge as a precaution following the collapse of the Pt. Pleasant span and adding:

"The Chester Bridge and Route 30 are inadequate for present - day traffic. We need a modern four - lane highway for Route 30 and a four - lane bridge to meet the growing demands of transportation." The letter asked "serious, immediate consideration" of West Virginia officials.

Sawyers replied to the development organization: "We are aware of traffic conditions in Chester and the desire to upgrade the area. Our planning division has been studying this problem but lack of money has precluded work on plans. When money is available, the rebuilding will receive its proper recognition and share of the money."

The Chamber of Commerce executive committee also discussed the status of the bridge at a meeting Monday night. The committee said it has been unable to find if the state of Ohio intends to maintain present load limits on the span; make repairs that would allow use by heavy traffic again, or replace it with an entirely new bridge.

Mile Of Copper Wire Stolen From Rail Car

Pennsylvania Railroad Co. authorities told East Liverpool police Tuesday nearly a mile of copper wire was stolen within the preceding week from one of its supply cars on a siding on Walnut St.

The railroad said the thieves got away with 5,000 feet of No. 10 copper wire. The material is worth 60 cents a pound, or a total of $120 for the 200 pounds, the railroad said. The wire is a sixteenth of an inch in diameter.

The Pennsy said the wire was stolen from a yellow boxcar used as a supply car "sometime after Jan. 23."

Republicans Elect Officers At South Side

William Powell of Murdocksville was named president when the South Side Republican Club met at the South Side Elementary School Monday.

Other officers include Mrs. Rowena Bishop of Hanover Township, vice president; Mrs. Grace Wilson of Raccoon Township, second vice president; Mrs. Anna Cujas of Raccoon Township, secretary; Mrs. Charlotte Johnston of Greene Township, corresponding secretary, and Mrs. Irma Yoko of Raccoon Township, treasurer.

Petitions were given to the 18 members running for committeemen in the primary election in April.

Joseph Shaffer, a member, was introduced and asked for the members' support in his bid for the legislature from the 15th District in the primaries.

Mrs. Wilson, who has been club president for five terms, again was nominated but pointed out she felt others should have the opportunity to serve.

The next meeting will be March 25 at the school.

Sawyers Writes Indefinite Reply To Road Queries

Commissioner Burl A. Sawyers of the West Virginia State Road Commission has sent an indefinite reply to the Northern Hancock County Development Organization in reply to a letter declaring that "a four-lane bridge and a modern four-lane highway" are needed to carry Route 30's growing traffic through the area.

Charles D. Taylor, president of the development organization, sent Sawyers a letter in early January citing the need for inspection of the Chester Bridge as a precaution following the collapse of the Pt. Pleasant span and adding:

"The Chester Bridge and Route 30 are inadequate for present - day traffic. We need a modern four - lane highway for Route 30 and a four - lane bridge to meet the growing demands of transportation." The letter asked "serious, immediate consideration" of West Virginia officials.

Sawyers replied to the development organization: "We are aware of traffic conditions in Chester and the desire to upgrade the area. Our planning division has been studying this problem but lack of money has precluded work on plans. When money is available, the rebuilding will receive its proper recognition and share of the money."

The Chamber of Commerce executive committee also discussed the status of the bridge at a meeting Monday night. The committee said it has been unable to find if the state of Ohio intends to maintain present load limits on the span; make repairs that would allow use by heavy traffic again, or replace it with an entirely new bridge.

Mile Of Copper Wire Stolen From Rail Car

Pennsylvania Railroad Co. authorities told East Liverpool police Tuesday nearly a mile of copper wire was stolen within the preceding week from one of its supply cars on a siding on Walnut St.

The railroad said the thieves got away with 5,000 feet of No. 10 copper wire. The material is worth 60 cents a pound, or a total of $120 for the 200 pounds, the railroad said. The wire is a sixteenth of an inch in diameter.

The Pennsy said the wire was stolen from a yellow boxcar used as a supply car "sometime after Jan. 23."

Water Line's Repair Slated

Work is scheduled to begin Thursday on repair of a break in an 8-inch water line in an awkward spot underneath the small overhead bridge that spans the Pennsylvania Railroad Co. tracks to connect Elizabeth St. and Michigan Ave.

Harold Peterson, water department superintendent, said a valve will be installed in the line tomorrow so that the service can be turned off and repairs can be started. The break was discovered Monday night, but the department hesitated to make a turn - off immediately because of its possible effect on industries in the area.

Peterson said the affected line probably lies at a depth of 15 to 16 feet. But the department will be unable to use a clamshell shovel for the excavation—the usual procedure in such a case—because of the low clearance underneath the bridge.

Installation of the valve will allow the department to shut off the line at a point near Harvey Ave. as a prelude to starting repairs.

Man Can't Recall How He Was Hurt

LISBON — Walter Krotky, 52, of East Palestine RD, found unconscious early Saturday along a road north of Negley, is unable to give authorities any information about what happened to him.

He remains in East Liverpool City Hospital where he was admitted Saturday afternoon with a head injury.

Chief Deputy Sheriff Robert Beresford talked to Krotky Tuesday afternoon and said the man told him he cannot remember anything from the time he was paid Friday afternoon at the Insul Co. in East Palestine until yesterday in the hospital.

A neighbor on the way home from work found Krotky along the road, about 500 feet from the Krotky home. Sheriff's deputies said Mrs. Krotky told them her husband had gone out Friday night and had about $100 on him. The money was gone when he got home.

Deputy Beresford said the investigation is continuing.

Pennsy-NYC Merger Given Final Approval

NEW YORK (AP) — A special three-judge federal court granted permission Tuesday for the Pennsylvania and New York Central railroads to merge.

The order clears the way for the biggest merger in corporate history, the creation of the largest privately owned rail system in the world.

Ice Jams Break

Streams Continue Rise, No Major Flooding Seen

Minor flooding of scattered areas of the tri-state district continued today as a result of ice jams, but no serious inundations were anticipated by authorities.

An ice gorge which had been building for a month along a bend in the Allegheny River let loose during the night after forcing water over roads, closing bridges and causing schools to be suspended.

—:—

THE SURGE of water, along with rainfall and the melting of snow, continued to cause the Allegheny, Ohio and Monongahela Rivers to rise, as well as many smaller streams in the district.

The new river gauge on a Chester Bridge pier read 5.8 feet at 10:45 a.m., or 3.2 feet below the 9-foot flood stage, the police department reported. A 9-foot reading on the new equipment is equivalent to the 32-foot flood stage on the former river gauge at dismantled Dam 8, near Newell.

At Beaver Creek, the Route 68 bridge at Smiths Ferry had ice jammed against its piers.

Flooding continued in the low-lying areas along Route 30 and Route 45 near West Point.

An ice jam in Yellow Creek near Hammondsville Tuesday caused some flooding in the area covering the Hollow Rock Rd. Some damage also was reported to boat docks on Yellow Creek torn loose by the ice flow. The ice jam broke during the night allowing the water to flow normally today.

—:—

"THE FLOODING in the middle stages of the Allegheny has been pretty bad during the night," said Chief River Forecaster Vernon Houghton shortly after the jam broke free.

He said the massive buildup of ice knocked over utility poles in East Brady, causing a brief power failure.

The East Brady bridge was closed after the water sealed off Pennsylvania 68.

In Parker, about 10 miles upstream, the town's main street—River Ave. — was covered with water that rose four feet over flood stage. The water crept into the cellars of stores and homes, but the damage was described as light. No evacuation was necessary.

—:—

HOUGHTON said the flooding at Foxburg, a tiny community two miles further upstream, was the worst since 1959. The bridge was closed there, too. Officials evacuated one man and wife who lived along the riverbank.

Armstrong School District and Allegheny - Clarion Schools cancelled classes for the day because low-lying roads were impassable in the early morning hours.

Houghton said no flooding was expected in Pittsburgh, although the Duquesne Parking Wharf was closed as a precaution.

New Cruiser Put In Operation By Wellsville Police

Wellsville authorities placed a new cruiser in operation Tuesday night, and received word a new refuse packer truck will be delivered today.

The 1968 model Ford cruiser was purchased from Bob White's Ford agency in Wellsville on a bid of $2,971.

The old cruiser was demolished in a wreck.

Two new features have been added to the cruiser. A divider will be installed between the rear and front seats to protect the driver from possible assault by a prisoner. The two rear doors cannot be opened from the inside. The cruiser also has a rear window defogger.

The refuse packer will be delivered from a Cleveland firm. It is the same model as the present vehicle.

With delivery the city will have three refuse packers, but Safety - Service Director Fred Baldasare said today the 1953 model will be sold. Only one of the other two will be used at a time; the second will be held in reserve for a replacement in event of a breakdown.

31% Profits Dip Reported By U.S. Steel

NEW YORK (AP) — U.S. Steel Corp., the biggest steelmaker, has reported a 31 per cent drop in profits in 1967 from the 1966 level.

Bethlehem Steel Corp., second-ranking producer, reports today and its results are expected to follow the U.S. Steel trend.

U.S. Steel said Tuesday its earnings last year dropped to $172,499,331, or $3.19 a share, from $249,238,569, or $4.60 a share in 1966.

Sales in 1967 declined to $4,067,313,896 from $4,434,705,400 the previous year.

In the 1967 fourth quarter, U.S. Steel earned $51,721,141, or 96 cents a share, on sales of $1,053,110,479. This compares with $59,850,802, or $1.11 a share, on sales of $1,076,272,487 a year earlier.

Directors declared the regular quarterly dividend of 60 cents a share.

Roger Blough, chairman, said the lower earnings reflected higher costs of employment, purchased goods and services and starting facilities.

The return on sales slipped to 4.2 per cent in 1967 from 5.6 per cent in 1966.

U.S. Steel last year produced 30,899,330 tons of raw steel against 32,768,908 tons in 1966.

Shipments of finished products declined to 19,800,562 tons from 21,560,279 tons in 1966.

Chester Lawyer Makes Bid

James Jordan Will Seek Post On Hancock Board

James A. Jordan, Chester attorney, today announced his candidacy for the nonpartisan seat on the Hancock County School Board.

Jordan, a partner in the firm of Jordan and Flowers which maintains offices in both Chester and New Cumberland, has practiced law in Hancock County since 1953. He is a member of the West Virginia Bar Association and the American Bar Association.

A lifetime resident of Chester and a graduate of Chester High School, Jordan attended Mt. St. Mary's College in Maryland and received his A. B. Degree from the University of North Carolina, where he attained All-America basketball honors. During World War II, he served as a naval officer aboard the USS Columbia.

After receiving his M. A. Degree in education from the University of Kentucky, he taught mathematics for two years at Weir High School. While at Weirton, Jordan coached the ISU basketball team and officiated in district high school athletics. He received his Bachelor of Law Degree from West Virginia University in 1953.

Jordan is presently vice president of the Hancock County Bar Association and has served four years as a member of its Board of Directors. He is a director of the Hancock County Federal Savings and Loan of Chester and a member of the Board of Directors of the National Church Supply Co. of Chester.

He is a member of the Westminster United Presbyterian Church of Chester and has served for seven years on the board of the East Liverpool area YMCA. He is a director of the Chamber of Commerce and past president of the Chester Kiwanis. He also serves as judge advocate and legal adviser for the Chester American Legion and VFW.

Jordan is married to the former Ann Ingram of Chester. They have four children.

WHEN ARE CHILDREN TOO SICK FOR SCHOOL?
Each child has his own pattern of illness. There should be no absolute rules, but the usually healthy child should stay home: 1) if feverish; 2) if symptoms such as headaches, drowsiness, runny nose, nausea, diarrhea are sufficiently severe to be disabling; 3) if he is likely to disturb others in the class; 4) if it is impossible, due to his ailment, for him to profit from school.
There is no reason, except for rare medical contra-indications, for a child to be in school without immunological protection from the available vaccines.

Water Line's Repair Slated

Work is scheduled to begin Thursday on repair of a break in an 8-inch water line in an awkward spot underneath the small overhead bridge that spans the Pennsylvania Railroad Co. tracks to connect Elizabeth St. and Michigan Ave.

Harold Peterson, water department superintendent, said a valve will be installed in the line tomorrow so that the service can be turned off and repairs can be started. The break was discovered Monday night, but the department hesitated to make a turn - off immediately because of its possible effect on industries in the area.

Peterson said the affected line probably lies at a depth of 15 to 16 feet. But the department will be unable to use a clamshell shovel for the excavation—the usual procedure in such a case—because of the low clearance underneath the bridge.

Installation of the valve will allow the department to shut off the line at a point near Harvey Ave. as a prelude to starting repairs.

Man Can't Recall How He Was Hurt

LISBON — Walter Krotky, 52, of East Palestine RD, found unconscious early Saturday along a road north of Negley, is unable to give authorities any information about what happened to him.

He remains in East Liverpool City Hospital where he was admitted Saturday afternoon with a head injury.

Chief Deputy Sheriff Robert Beresford talked to Krotky Tuesday afternoon and said the man told him he cannot remember anything from the time he was paid Friday afternoon at the Insul Co. in East Palestine until yesterday in the hospital.

A neighbor on the way home from work found Krotky along the road, about 500 feet from the Krotky home. Sheriff's deputies said Mrs. Krotky told them her husband had gone out Friday night and had about $100 on him. The money was gone when he got home.

Deputy Beresford said the investigation is continuing.

Pennsy-NYC Merger Given Final Approval

NEW YORK (AP) — A special three-judge federal court granted permission Tuesday for the Pennsylvania and New York Central railroads to merge.

The order clears the way for the biggest merger in corporate history, the creation of the largest privately owned rail system in the world.

Ice Jams Break

Streams Continue Rise, No Major Flooding Seen

Minor flooding of scattered areas of the tri-state district continued today as a result of ice jams, but no serious inundations were anticipated by authorities.

An ice gorge which had been building for a month along a bend in the Allegheny River let loose during the night after forcing water over roads, closing bridges and causing schools to be suspended.

—:—

THE SURGE of water, along with rainfall and the melting of snow, continued to cause the Allegheny, Ohio and Monongahela Rivers to rise, as well as many smaller streams in the district.

The new river gauge on a Chester Bridge pier read 5.8 feet at 10:45 a.m., or 3.2 feet below the 9-foot flood stage, the police department reported. A 9-foot reading on the new equipment is equivalent to the 32-foot flood stage on the former river gauge at dismantled Dam 8, near Newell.

At Beaver Creek, the Route 68 bridge at Smiths Ferry had ice jammed against its piers.

Flooding continued in the low-lying areas along Route 30 and Route 45 near West Point.

An ice jam in Yellow Creek near Hammondsville Tuesday caused some flooding in the area covering the Hollow Rock Rd. Some damage also was reported to boat docks on Yellow Creek torn loose by the ice flow. The ice jam broke during the night allowing the water to flow normally today.

—:—

"THE FLOODING in the middle stages of the Allegheny has been pretty bad during the night," said Chief River Forecaster Vernon Houghton shortly after the jam broke free.

He said the massive buildup of ice knocked over utility poles in East Brady, causing a brief power failure.

The East Brady bridge was closed after the water sealed off Pennsylvania 68.

In Parker, about 10 miles upstream, the town's main street—River Ave. — was covered with water that rose four feet over flood stage. The water crept into the cellars of stores and homes, but the damage was described as light. No evacuation was necessary.

—:—

HOUGHTON said the flooding at Foxburg, a tiny community two miles further upstream, was the worst since 1959. The bridge was closed there, too. Officials evacuated one man and wife who lived along the riverbank.

Armstrong School District and Allegheny - Clarion Schools cancelled classes for the day because low-lying roads were impassable in the early morning hours.

Houghton said no flooding was expected in Pittsburgh, although the Duquesne Parking Wharf was closed as a precaution.

New Cruiser Put In Operation By Wellsville Police

Wellsville authorities placed a new cruiser in operation Tuesday night, and received word a new refuse packer truck will be delivered today.

The 1968 model Ford cruiser was purchased from Bob White's Ford agency in Wellsville on a bid of $2,971.

The old cruiser was demolished in a wreck.

Two new features have been added to the cruiser. A divider will be installed between the rear and front seats to protect the driver from possible assault by a prisoner. The two rear doors cannot be opened from the inside. The cruiser also has a rear window defogger.

The refuse packer will be delivered from a Cleveland firm. It is the same model as the present vehicle.

With delivery the city will have three refuse packers, but Safety - Service Director Fred Baldasare said today the 1953 model will be sold. Only one of the other two will be used at a time; the second will be held in reserve for a replacement in event of a breakdown.

31% Profits Dip Reported By U.S. Steel

NEW YORK (AP) — U.S. Steel Corp., the biggest steelmaker, has reported a 31 per cent drop in profits in 1967 from the 1966 level.

Bethlehem Steel Corp., second-ranking producer, reports today and its results are expected to follow the U.S. Steel trend.

U.S. Steel said Tuesday its earnings last year dropped to $172,499,331, or $3.19 a share, from $249,238,569, or $4.60 a share in 1966.

Sales in 1967 declined to $4,067,313,898 from $4,434,705,400 the previous year.

In the 1967 fourth quarter, U.S. Steel earned $51,721,141, or 96 cents a share, on sales of $1,053,110,479. This compares with $59,850,802, or $1.11 a share, on sales of $1,076,272,487 a year earlier.

Directors declared the regular quarterly dividend of 60 cents a share.

Roger Blough, chairman, said the lower earnings reflected higher costs of employment, purchased goods and services and starting facilities.

The return on sales slipped to 4.2 per cent in 1967 from 5.6 per cent in 1966.

U.S. Steel last year produced 30,899,330 tons of raw steel against 32,768,908 tons in 1966.

Shipments of finished products declined to 19,800,562 tons from 21,560,279 tons in 1966.

WHEN ARE CHILDREN TOO SICK FOR SCHOOL?
Each child has his own pattern of illness. There should be no absolute rules, but the usually healthy child should stay home: 1) if feverish; 2) if symptoms such as headaches, drowsiness, runny nose, nausea, diarrhea are sufficiently severe to be disabling; 3) if he is likely to disturb others in the class; 4) if it is impossible, due to his ailment, for him to profit from school.

14 Years Ago In March

On March 14, 1954, Viet Minh forces launched a new offensive against a French outpost in northwest Vietnam. The name of that isolated stronghold, Dienbienphu, is prominent in the history of the Indo-China War.

The French garrison was manned by a 14,000-man force. The Viet Minh, under Gen. Vo Nguyen Giap, commander in chief, had built up a force estimated at 65,000 in preparation for a sustained attack.

Before attention was directed to Dienbienphu, Viet Minh units attacked Doson and Catbi airfields that supplied the outpost.

The attack on Dienbienphu continued through March, with both sides reporting heavy casualties. Seasonal rains hampered French aerial support.

By April 10, Viet Minh soldiers were less than a mile from the center of the French-held city.

American and French praise for resistance by Dienbienphu defenders was plentiful. High French officials followed an American suggestion and recommended promotion of Col. Christian de Castries, French commander, to the rank of brigadier general.

The blistering pace of the battle was maintained as French tanks ventured outside the fortress and French planes set the jungle afire for miles with napalm bombs.

But it wasn't enough. The relentless attack was taking its toll. April 21 brought a request from Brig. Gen. de Castries for reinforcements at any cost.

Early May wet weather stopped French tanks cold and cut air activity. May 4 found Viet Minh troops only 500 yards from the Dienbienphu command post.

On May 7, t was all over. A "human sea" Viet Minh assault overran the fortress. More than 10,000 men, including Brig. Gen. de Castries, were captured and an estimated 4,000 killed.

The Viet Minh delegation in Geneva followed up the successful 55-day seige with an immediate cease-fire offer.

Underway in Vietnam today is the largest Viet Cong offensive drive of the war. Red guerrillas have seven provincial capitals under attack, along with five American airfields.

At Khe Sanh, along the demilitarized zone, upward of five divisions of Red troops (50,000 to 60,000 men) are poised for a massive attack.

North Vietnam's military strategy still is masterminded by Gen. Giap.

Eying the unrest in America, the large cost of the war and with full knowledge that a total Red military victory in Vietnam is out of the question, the North Vietnamese could be expected to follow a Dienbienphu-type program in search of a negotiating advantage.

The new offensive thrust indicates their program already is under way.

Fun City Of The East?

Would you believe — East Liverpool, the "Fun City"?

Support of a proposed ceramic or pottery festival, demonstrated at a meeting of representatives of community organizations Tuesday night, hinted the city may be the center of some real action late in June.

Basic premise of the plan is an exhibition of ceramic products to draw visitors from throughout the three - state region to (1) boost the tourism income for the city and area, and (2) to promote the recreation and industrial potential of this part of the Ohio Valley.

But with some of the imagination and ambition revealed by those last night, there is every indication that there could be no small amount of entertainment and excitement attached to the fete.

Parades, concerts, pottery craft contests involving decorating, packing or other operations, championship plate throw competition, sports events, dances, boat races, mall exhibits, art shows, displays, prizes, amusement rides, and on and on.

Such a festival would require solutions to a staggering number of problems — organization, financing, transportation, legal problems, traffic handling, governmental cooperation, publicity, coordination and on and on.

However, it would offer each industry, labor force, civic and social organization an opportunity to undertake a project of its own in cooperation with others, to help themselves, to boost their own group and the community as a whole.

It would also put it on the line for East Liverpool to face up to a tangible challenge in a joint venture, the success of which would depend directly on the talent and hard work involved.

But it could be one heck of a lot of enjoyment for those who do the work. Picking the proper name offers a happy challenge—Pottery Popout, Ceramic Celebration, Thundermug Hootenanny? Can you see "The Fastest Liner In The East"? What about "Miss Saggermaker of 1968"? Or a wareboy race through three states — via Smiths Ferry and the Chester Bridge (the Newell Bridge if the load limit is lowered again)?

The Review is already arranging an ink drink contest for a tent on The Diamond. . .

A Good Man

One of the finest examples of service to the poor, the ill and the unfortunate in the long record of the Salvation Army has been established by William Treleven, 80-year-old sergeant-major of the Citadel here.

Mr. Treleven, a native of England who arrived in America when he was 17 and became a carpenter, was honored over the weekend by the Army for 46 years of work with Citadel, especially in the League of Mercy program which includes visitations to hospitals, jails and nursing homes.

Mr. Treleven's record of faithful devotion to duty, to others is an inspiration not just for those in the Salvation Army but to everyone in the district. Meanwhile, Mr. Treleven will be visiting some nursing homes tomorrow, and will show up for the weekly jail service Sunday, a truly good man.

Federal Gambling Stamps

Within a few days after a new federal law made registration of gamblers mandatory after Nov. 1, 1951, a gambler in the District of Columbia had challenged its constitutionality.

He lost. The District Court ruled he had come into court with "unclean hands."

Now, in the early months of 1968, the U.S. Supreme Court belatedly has conceded what was obvious to gamblers and everybody else in 1951—that registration was a form of self-incrimination, which is contrary to the Constitution.

If a gambler bought a federal gambling stamp, he told local authority in states that forbid gambling that he was in violation of state law. If he failed to buy a stamp, he was in violation of federal law.

Most gamblers took their chances on not being caught by Uncle Sam. Those who figured it would be better to square things with the federal government took their chances on being closed up by local authorities.

In some places, they weren't bothered. In others, they were hounded out of business. Throughout the entire history of the gambling stamp, there continued to be a broad question about its constitutionality and an even broader one about its workability.

Both questions now have been resolved by a 7-1 Supreme Court decision.

The stamps are contrary to the Constitution.

They always were, but it took nearly 17 years to get a decision.

TRUMAN TWILL

Purely Personal Observations

If you want to feel bug-eyed, read about the Holy Roman Empire, then read the latest dispatches from the newest hot front in the John Foster Dulles crusade to save the Western World from the modern Byzantines of the Eastern World.

The challenge of managing is to find a manager who manages himself well enough not to try to manage the unmanageable and when not to mess around with the manageable. Baseball provide countless examples of managers who failed because they managed too much.

Names still coming in for the collie pup at the Twillery: "Advice," so no one will take it: "Calvin Collie," "Scamp" and "Theodore."

If I ever have the time and the chance, I want to find someone who can tell me how groundhogs, muskrats, chipmunks and animals that live in burrows escape death by drowning when the floods come.

This is the time of year when lowlands in Rosy Fingered Dawn are flooded with overflow from the streams and it is possible on watery mornings to look out an upstairs window and imagine how life would be on the shores of a lake.

Names for the Twillery pup are coming in by telephone, mail and word of mouth. "Jake," "Sam," "Clyde" and "Christopher all came in before lunch the day this paragraph was written.

It is always with genuine regret that people who write for newspapers note the retirement or passing of other writers whose style and content have been admired. It is with genuine regret that the retirement of Wes Lawrence of the Plain Dealer of Cleveland is noted. His output was always readable.

I hope to be around long enough to read the memoirs of Robert S. McNamara, who by this time must know where more bodies are buried in Washington than any other man of his generation, including the myth that fly-boys can single-handedly win wars by pitting two-billion-dollar-plus planes against $2,000 ack-ack guns.

VICTOR RIESEL

Mafia's Influence Probed

WASHINGTON — Recently the Teamsters acting president, Frank (Fitz) Fitzsimmons, in a burst of reverential oratory, told a mass meeting of his union brethren that he hoped "Jimmy Hoffa will be back heading the International Union before 1971."

Victor Riesel

There could be more here than meets the ear.

The Teamsters presidential chair now is the hottest seat in town. Zeroing in on Teamsters leaders and locals from coast to coast are the FFA, the FBI, the Justice Department's Organized Crime and Racketeering Section, sundry U.S. attorneys and special task forces.

And in a few weeks the Labor Dept.'s enforcement and investigation officials will consult with Justice Dept. men on possible Teamster links to such Cosa Nostra characters as the Luchese combination's Johnny (Dio) Dioguardi and Anthony (Ducks) Corallo.

So intense is the investigatory heat now that Fitzsimmons himself has turned prober since this is the worst time for the Teamsters Brotherhood to star again in a senatorial spectacular. The Teamsters have plans for mass organizing any mass respectability which would melt and run under Klieg lights.

So, after revelations in this column of Dio's consorting with Teamsters officials, acting President Fitzsimmons wrote to the New York State Commission of Investigation. Fitz asked Commission Chairman Myles Lane for transcripts of hearings during the recent air freight rackets investigation and other "allied information."

THE TEAMSTERS acting president thus hit out at Johnny Dio—presumably. It is Dio who has friends and influences people and air freight cargo deliverers at the J.F.K. Airport, now the world's largest civilian air freight depot.

The Commission has written Fitz to come on in—the reading is fine. Privately, word was sent that he would be welcome to more than is in the record—if he would act.

But he had better get there before the FBI and the FAA close in and expose the influence Dio and gang have in eastern metropolitan Teamsters circles despite Dioguardi's prison record, upcoming prison term, and ties to the Cosa Nostra.

FBI and Justice Dept. sources say that some Teamsters also have serious problems in Florida, Ohio, Michigan and Illinois.

The Brotherhood's high command generally lives a life aloof from any public discussion of such warnings — and by "public," one can infer this means the full meeting of the Executive Board members as well. One does not really talk in the presence of 15 to 20 men.

But at their gathering in Phoenix the other day, they were disturbed. These are crucial times for them. They're building their new federation.

Latest to negotiate with them for affiliation is the independent Bakery and Confectionery Workers' International Union, an organization of some 60,000 cake and candy makers once thrown out of the AFL-CIO on charges of corruption. But it has a new national leadership. And such a merger would move the Teamsters roster close to the 2 million mark.

There's ambivalence in the drive for a new Teamsters labor federation. The Teamsters want to return to the AFL-CIO. They want the cover and respectability.

But if they are not taken back, then they will have a federation large enough to act on its own—ranging all the way from TV and movie producing studios in Los Angeles to cookie baking shops in New York.

So, in any event, the Teamsters want to look good. Though the public doesn't realize it, the Teamsters are especially interested in changing their image swiftly. They now are eager to attract white collar workers, technicians, engineers and employes of such corporations as Pan American Airways which are in the aerospace-missile-atomic project enterprises of the future.

FURTHERMORE, there is a restlessness in their ranks too. In Detroit the other day, I came upon the unknown (until recently) Elton Schade. It is his news truck drivers local which is on strike there. That's another story.

What troubles the Teamsters city, state and national leadership is that Schade is 28 years old. He is a former delivery truck "jumper" who took some law courses, outargued and outpromised the old-timers, was elected secretary-treasurer of the 1100)man local 372—and now actually is talking of someday taking over where Jimmy Hoffa left off.

Meanwhile, he's telling many of the Teamsters establishment, national vice presidents and acting president et al., to go to hell.

He may make it. Or he may get a sudden headache. But the point is that there are young Teamsters who want to replace the veterans who are in the $50,000 to $100,000-a-year bracket.

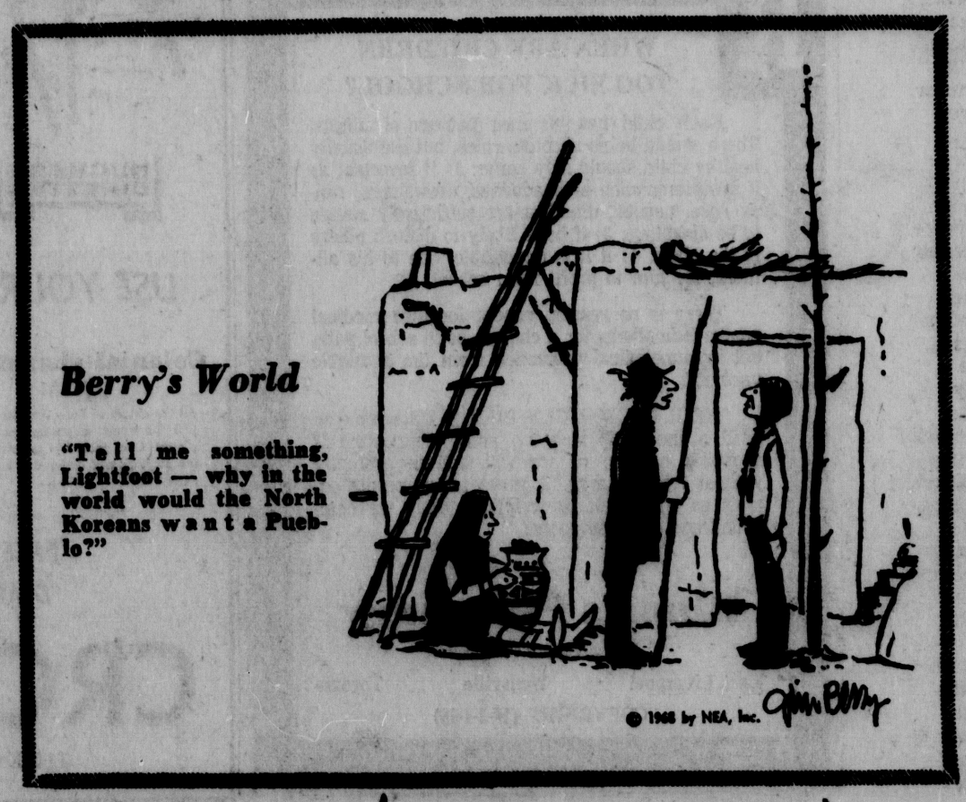
This could be catching. Especially if scandal flares again. There's good reason to believe it will.

Presumably, the FBI and federal grand juries don't waste time unless they believe someone should go to prison.

So the Teamsters leaders are on hot seats. They want to cool it. And so we have the weird vision of the acting president investigating old Cosa Nostra friends of the incarcerated president.

"At our age," one Teamsters official was heard saying, "who needs it. Jimmy likes the heat. He can have it."

But the choice may not be theirs to make.



DAVID LAWRENCE

Civil Rights

President Johnson has submitted a "message on civil rights" which recommends passage of a federal law to protect individuals who encounter "violence or force" when they exercise certain civil rights.

It is important to eliminate discrimination in employment, in the use of public facilities, in education and in voting. But the President's proposed law covers federal punishment only for crimes of a particular type growing out of racial friction or discrimination.

A vast number of citizens, irrespective of color, who are the victims of crime of all kinds are apparently not to be given the benefit of federal protection. This raises the question of whether the President's proposal constitutes discrimination.

THE FIFTH Amendment to the Constitution says no person shall "be deprived of life, liberty, or property," except by proper legal means. The federal government is empowered — under the doctrine of "due process" — to assure the protection of the civil rights of all citizens.

President Johnson, however, makes it clear in his message that he is asking for a federal statute which would safeguard only some civil rights. He prefers to relieve the national government of responsibility to protect all other civil rights such as are threatened by incitements to violence or criminal acts.

After listing various types of discrimination, the President said:

"This bill will strengthen the hand of federal law enforcement to protect our citizens wherever they encounter — because of their race, color or religion — violence or force in their attempt to enjoy established civil rights. Beyond this limited area, law enforcement is left where it belongs — in the hands of the states and local communities."

Why should the federal government confine itself to a "limited area" in these operations? Why should it concern itself with crime or violence affecting merely one group of citizens while denying "equal protection" to other citizens who, without any legal process, are being deprived of life or liberty or property by individuals engaged in "civil disobedience"?

If the principle is right that states and cities are primarily responsible for preserving order in the communities, why should the federal government intervene at all?

THE ANSWER is that some states have been unable or unwilling to act when there has been a "violent response" to attempts to exercise civil rights. Some "demonstrations" by racial organizations have been in large part responsible for the breakdown of law and order.

If the federal government is to be authorized, therefore, by Congress to act against certain types of crime, it would appear that the federal government should deal with all major crimes which the states do not or cannot handle — as, for instance, conspiracies organized outside their boundary lines, including plots for "demonstrations" that breed violence.

The national government under the constitution cannot discriminate. If it undertakes to protect certain civil rights, it must give equal protecton to all other civil rights.

It has already failed to prosecute those who preach "civil disobedience" or rebellion, even though riots and serious disorders in many cities have resulted from such incitement.

But it wasn't enough. The relentless attack was taking its toll. April 21 brought a request from Brig. Gen. de Castries for reinforcements at any cost.

Early May wet weather stopped French tanks cold and cut air activity. May 4 found Viet Minh troops only 500 yards from the Dienbienphu command post.

On May 7, t was all over. A "human sea" Viet Minh assault overran the fortress. More than 10,000 men, including Brig. Gen. de Castries, were captured and an estimated 4,000 killed.

The Viet Minh delegation in Geneva followed up the successful 55-day seige with an immediate cease-fire offer.

Underway in Vietnam today is the largest Viet Cong offensive drive of the war. Red guerrillas have seven provincial capitals under attack, along with five American airfields.

At Khe Sanh, along the demilitarized zone, upward of five divisions of Red troops (50,000 to 60,000 men) are poised for a massive attack.

North Vietnam's military strategy still is masterminded by Gen. Giap.

Eying the unrest in America, the large cost of the war and with full knowledge that a total Red military victory in Vietnam is out of the question, the North Vietnamese could be expected to follow a Dienbienphu-type program in search of a negotiating advantage.

The new offensive thrust indicates their program already is under way.

Fun City Of The East?

Would you believe — East Liverpool, the "Fun City"?

Support of a proposed ceramic or pottery festival, demonstrated at a meeting of representatives of community organizations Tuesday night, hinted the city may be the center of some real action late in June.

Basic premise of the plan is an exhibition of ceramic products to draw visitors from throughout the three - state region to (1) boost the tourism income for the city and area, and (2) to promote the recreation and industrial potential of this part of the Ohio Valley.

But with some of the imagination and ambition revealed by those last night, there is every indication that there could be no small amount of entertainment and excitement attached to the fete.

Parades, concerts, pottery craft contests involving decorating, packing or other operations, championship plate throw competition, sports events, dances, boat races, mall exhibits, art shows, displays, prizes, amusement rides, and on and on.

Such a festival would require solutions to a staggering number of problems — organization, financing, transportation, legal problems, traffic handling, governmental cooperation, publicity, coordination and on and on.

However, it would offer each industry, labor force, civic and social organization an opportunity to undertake a project of its own in cooperation with others, to help themselves, to boost their own group and the community as a whole.

It would also put it on the line for East Liverpool to face up to a tangible challenge in a joint venture, the success of which would depend directly on the talent and hard work involved.

But it could be one heck of a lot of enjoyment for those who do the work. Picking the proper name offers a happy challenge— Pottery Popout, Ceramic Celebration, Thundermug Hootenanny? Can you see "The Fastest Liner In The East"? What about "Miss Saggermaker of 1968"? Or a wareboy race through three states — via Smiths Ferry and the Chester Bridge (the Newell Bridge if the load limit is lowered again)?

The Review is already arranging an ink drink contest for a tent on The Diamond. . .

A Good Man

One of the finest examples of service to the poor, the ill and the unfortunate in the long record of the Salvation Army has been established by William Treleven, 80-year-old sergeant-major of the Citadel here.

Mr. Treleven, a native of England who arrived in America when he was 17 and became a carpenter, was honored over the weekend by the Army for 46 years of work with Citadel, especially in the League of Mercy program which includes visitations to hospitals, jails and nursing homes.

Mr. Treleven's record of faithful devotion to duty, to others is an inspiration not just for those in the Salvation Army but to everyone in the district. Meanwhile, Mr. Treleven will be visiting some nursing homes tomorrow, and will show up for the weekly jail service Sunday, a truly good man.

Federal Gambling Stamps

Within a few days after a new federal law made registration of gamblers mandatory after Nov. 1, 1951, a gambler in the District of Columbia had challenged its constitutionality.

He lost. The District Court ruled he had come into court with "unclean hands."

Now, in the early months of 1968, the U.S. Supreme Court belatedly has conceded what was obvious to gamblers and everybody else in 1951—that registration was a form of self-incrimination, which is contrary to the Constitution.

If a gambler bought a federal gambling stamp, he told local authority in states that forbid gambling that he was in violation of state law. If he failed to buy a stamp, he was in violation of federal law.

Most gamblers took their chances on not being caught by Uncle Sam. Those who figured it would be better to square things with the federal government took their chances on being closed up by local authorities.

In some places, they weren't bothered. In others, they were hounded out of business. Throughout the entire history of the gambling stamp, there continued to be a broad question about its constitutionality and an even broader one about its workability.

Both questions now have been resolved by a 7-1 Supreme Court decision.

The stamps are contrary to the Constitution.

They always were, but it took nearly 17 years to get a decision.

Purely Personal Observations

If you want to feel bug-eyed, read about the Holy Roman Empire, then read the latest dispatches from the newest hot front in the John Foster Dulles crusade to save the Western World from the modern Byzantines of the Eastern World.

The challenge of managing is to find a manager who manages himself well enough not to try to manage the unmanageable and when not to mess around with the manageable. Baseball provide countless examples of managers who failed because they managed too much.

Names still coming in for the collie pup at the Twillery: "Advice," so no one will take it: "Calvin Collie," "Scamp" and "Theodore."

If I ever have the time and the chance, I want to find someone who can tell me how groundhogs, muskrats, chipmunks and animals that live in burrows escape death by drowning when the floods come.

This is the time of year when lowlands in Rosy Fingered Dawn are flooded with overflow from the streams and it is possible on watery mornings to look out an upstairs window and imagine how life would be on the shores of a lake.

Names for the Twillery pup are coming in by telephone, mail and word of mouth. "Jake," "Sam," "Clyde" and "Christopher all came in before lunch the day this paragraph was written.

It is always with genuine regret that people who write for newspapers note the retirement or passing of other writers whose style and content have been admired. It is with genuine regret that the retirement of Wes Lawrence of the Plain Dealer of Cleveland is noted. His output was always readable.

I hope to be around long enough to read the memoirs of Robert S. McNamara, who by this time must know where more bodies are buried in Washington than any other man of his generation, including the myth that fly-boys can single-handedly win wars by pitting two-billion-dollar-plus planes against $2,000 ack-ack guns.

Mafia's Influence Probed

WASHINGTON — Recently the Teamsters acting president, Frank (Fitz) Fitzsimmons, in a burst of reverential oratory, told a mass meeting of his union brethren that he hoped "Jimmy Hoffa will be back heading the International Union before 1971."

There could be more here than meets the ear.

Victor Riesel

The Teamsters presidential chair now is the hottest seat in town. Zeroing in on Teamsters leaders and locals from coast to coast are the FFA, the FBI, the Justice Department's Organized Crime and Racketeering Section, sundry U.S. attorneys and special task forces.

And in a few weeks the Labor Dept.'s enforcement and investigation officials will consult with Justice Dept. men on possible Teamster links to such Cosa Nostra characters as the Luchese combination's Johnny (Dio) Dioguardi and Anthony (Ducks) Corallo.

So intense is the investigatory heat now that Fitzsimmons himself has turned prober since this is the worst time for the Teamsters Brotherhood to star again in a senatorial spectacular. The Teamsters have plans for mass organizing any mass respectability which would melt and run under Klieg lights.

So, after revelations in this column of Dio's consorting with Teamsters officials, acting President Fitzsimmons wrote to the New York State Commission of Investigation. Fitz asked Commission Chairman Myles Lane for transcripts of hearings during the recent air freight rackets investigation and other "allied information."

THE TEAMSTERS acting president thus hit out at Johnny Dio—presumably. It is Dio who has friends and influences people and air freight cargo deliverers at the J.F.K. Airport, now the world's largest civilian air freight depot.

The Commission has written Fitz to come on in—the reading is fine. Privately, word was sent that he would be welcome to more than is in the record—if he would act.

But he had better get there before the FBI and the FAA close in and expose the influence Dio and gang have in eastern metropolitan Teamsters circles despite Dioguardi's prison record, upcoming prison term, and ties to the Cosa Nostra.

FBI and Justice Dept. sources say that some Teamsters also have serious problems in Florida, Ohio, Michigan and Illinois.

The Brotherhood's high command generally lives a life aloof from any public discussion of such warnings — and by "public," one can infer this means the full meeting of the Executive Board members as well. One does not really talk in the presence of 15 to 20 men.

But at their gathering in Phoenix the other day, they were disturbed. These are crucial times for them. They're building their new federation.

Latest to negotiate with them for affiliation is the independent Bakery and Confectionery Workers' International Union, an organization of some 60,000 cake and candy makers once thrown out of the AFL-CIO on charges of corruption. But it has a new national leadership. And such a merger would move the Teamsters roster close to the 2 million mark.

There's ambivalence in the drive for a new Teamsters labor federation. The Teamsters want to return to the AFL-CIO. They want the cover and respectability.

But if they are not taken back, then they will have a federation large enough to act on its own—ranging all the way from TV and movie producing studios in Los Angeles to cookie baking shops in New York.

So, in any event, the Teamsters want to look good. Though the public doesn't realize it, the Teamsters are especially interested in changing their image swiftly. They now are eager to attract white collar workers, technicians, engineers and employes of such corporations as Pan American Airways which are in the aerospace-missile-atomic project enterprises of the future.

FURTHERMORE, there is a restlessness in their ranks too. In Detroit the other day, I came upon the unknown (until recently) Elton Schade. It is his news truck drivers local which is on strike there. That's another story.

What troubles the Teamsters city, state and national leadership is that Schade is 26 years old. He is a former delivery truck "jumper" who took some law courses, outargued and outpromised the old-timers, was elected secretary-treasurer of the 1100)man local 372—and now actually is talking of someday taking over where Jimmy Hoffa left off.

Meanwhile, he's telling many of the Teamsters establishment, national vice presidents and acting president et al., to go to hell.

He may make it. Or he may get a sudden headache. But the point is that there are young Teamsters who want to replace the veterans who are in the $50,000 to $100,000-a-year bracket.

This could be catching. Especially if scandal flares again. There's good reason to believe it will.

Presumably, the FBI and federal grand juries don't waste time unless they believe someone should go to prison.

So the Teamsters leaders are on hot seats. They want to cool it. And so we have the weird vision of the acting president investigating old Cosa Nostra friends of the incarcerated president.

"At our age," one Teamsters official was heard saying, "who needs it. Jimmy likes the heat. He can have it."

But the choice may not be theirs to make.

Civil Rights

President Johnson has submitted a "message on civil rights" which recommends passage of a federal law to protect individuals who encounter "violence or force" when they exercise certain civil rights.

It is important to eliminate discrimination in employment, in the use of public facilities, in education and in voting. But the President's proposed law covers federal punishment only for crimes of a particular type growing out of racial friction or discrimination.

A vast number of citizens, irrespective of color, who are the victims of crime of all kinds are apparently not to be given the benefit of federal protection. This raises the question of whether the President's proposal constitutes discrimination.

THE FIFTH Amendment to the Constitution says no person shall "be deprived of life, liberty, or property," except by proper legal means. The federal government is empowered — under the doctrine of "due process" — to assure the protection of the civil rights of all citizens.

President Johnson, however, makes it clear in his message that he is asking for a federal statute which would safeguard only some civil rights. He prefers to relieve the national government of responsibility to protect all other civil rights such as are threatened by incitements to violence or criminal acts.

After listing various types of discrimination, the President said:

"This bill will strengthen the hand of federal law enforcement to protect our citizens wherever they encounter — because of their race, color or religion — violence or force in their attempt to enjoy established civil rights. Beyond this limited area, law enforcement is left where it belongs — in the hands of the states and local communities."

Why should the federal government confine itself to a "limited area" in these operations? Why should it concern itself with crime or violence affecting merely one group of citizens while denying "equal protection" to other citizens who, without any legal process, are being deprived of life or liberty or property by individuals engaged in "civil disobedience"?

If the principle is right that states and cities are primarily responsible for preserving order in the communities, why should the federal government intervene at all?

THE ANSWER is that some states have been unable or unwilling to act when there has been a "violent response" to attempts to exercise civil rights. Some "demonstrations" by racial organizations have been in large part responsible for the breakdown of law and order.

If the federal government is to be authorized, therefore, by Congress to act against certain types of crime, it would appear that the federal government should deal with all major crimes which the states do not or cannot handle — as, for instance, conspiracies organized outside their boundary lines, including plots for "demonstrations" that breed violence.

The national government under the constitution cannot discriminate. If it undertakes to protect certain civil rights, it must give equal protecton to all other civil rights.

It has already failed to prosecute those who preach "civil disobedience" or rebellion, even though riots and serious disorders in many cities have resulted from such incitement.

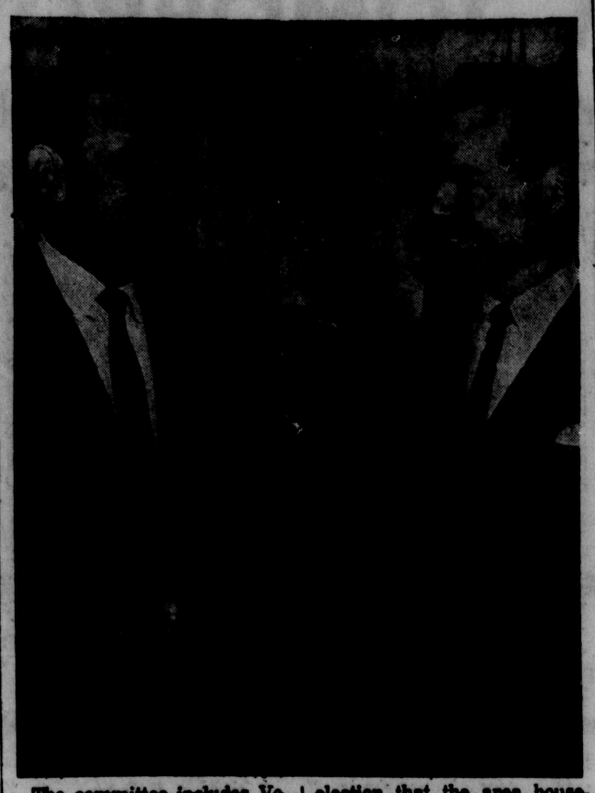
Scholarship Fund Elects



Ted Taylor, left, principal of Beaver Local High School, was elected president of the Citizens Scholarship Foundation of the East Liverpool area at the annual election meeting Tuesday night at the Ohio Power Co. offices.

Taylor, shown with Charles Heller who was named campaign vice president, succeeds Ralph A. Finley who was elected to the alumni committee.

Heller, manager of the Ohio Power Co., replaces Jackman S. Vodrey who was also named to the alumni committee.

Others elected were Mrs. Eugene Seeley of Chester, program vice president; Joseph Coons of Park Way, treasurer, and Mrs. Michael Turk of Thompson Ave., secretary.

—:—

ALSO ELECTED were two trustees from each of the seven school districts in the group. They are:

Mrs. Ray Entrikin of Highland Dr. and Mrs. Roy Cooper of Summit Dr., Beaver Local; James McGowan of Broadview Circle and Mrs. John Hopper of LaCroft, East Liverpool; Rey Peduzzi of Globe St. and Mrs. John Shovlin III, Midland.

Mrs. Lewis Eskra of 1024 Phoenix Ave. and Norman Six of New Cumberland RD, Oak Glen; Mrs. Franklin Walker of Shippingport and Mrs. Virginia Rogers of Hookstown RD, South Side; Andrew Lynn of 535 Broadway and Charles Wilfing of 208 7th St., Wellsville; and Mrs. Dennis Cambier of 1234 Ohioview Dr. and John Kundick of Fairlane Dr., Industry.

The newly organized alumni committee will be responsible for maintaining close ties with those students who have received funds in the past and who have been graduated, as well as those students currently in school with local aid.

The committee includes Vodrey, Finley, Robert Lewis of N. Shady Ln., Sam Amato of 1200 Commerce St., Wellsville; Mrs. Bernard Stewart of Georgetown RD.

—:—

TAYLOR STATED: "Our goal is to guarantee that no qualified student who has been admitted to a college or vocational school shall be denied his or her right to an education because of lack of finances.

"This goal was met in 1966 when we assisted 85 students, but in 1967 fund receipts fell while the number of applicants rose, so that we were unable to assist approximately 20 students who showed a real need for our assistance. We are hopeful that this year we can meet our goal."

Heller reported after his election that the area house-to-house drive would likely be held on Sunday, March 31st, rather than the first Sunday in March, as has been done in the past.

The reason for the change is that National Dollars for Scholars Week has been set for the week of March 31 and national publicity through the Advertising Council and co-operating radio and newspaper companies will be concentrated during that period.

Also, the later date will provide a better chance of avoiding the inclement weather which has hindered the door-to-door drive in past years. He expressed the belief that the campaign being set a month later will not hinder the efforts of the Awards Committee which usually meets in the middle of May.

AT THE outset, English explained that more and more tour groups from cities such as Pittsburgh and Columbus have been visiting East Liverpool annually over the last five or six years. He said most of their inquiries about points of interest are received at the Columbiana County Motor Club office and the Chamber headquarters.

Traveling by chartered bus, the groups sometimes number as high as 140. Ten to 15 such groups visit the area annually. English said the visitors always are interested in touring pottery plants, visiting the East Liverpool Historical Society Museum in the Carnegie Public Library and seeing the scenic Ohio Valley area.

One such group has visited East Liverpool three times in two years, he added.

Some of the attractions that have been proposed for the festival are: Plant tours, displays of ceramic products in store windows, a parade, a "working exhibit" of potters displaying handicraft skills, and possibly selection of a "queen" for the celebration.

—:—

ENGLISH emphasized that the festival will center on the role of the entire ceramic industry, rather than emphasizing dinnerware production, but he conceded that the word "pottery" means dinnerware to most persons outside the immediate area. He pointed to the variety of clay products produced in the area, including brick, refractories and vitrified pipe.

Both the exact title and the date of the celebration were left open, with some suggesting the word "pottery" instead of "ceramic" in naming the event. Chandler said the dates were chosen with a view of causing as little conflict as possible with other community events.

English said the original idea was to put together a program that would attract visitors from a wide area and generate sufficient interest that it would become an annual attraction.

Although it is not the primary idea, such a celebration would bring in many "new dollars" to the area in the form of money spent for food, lodging, souvenirs and other items, he pointed out.

Mark Hanna's Birthplace Will Be Office Structure

LISBON — The Lisbon Historical Society had a surprise history - making meeting Tuesday night at Republican headquarters in the Wick Hotel building.

Four contractors announced they have purchased the vacant Arter building on the Square and plan to restore it as an office building.

Constructed in 1810, the red brick building was the birthplace of Marcus A. Hanna, Cleveland industrialist and the "the maker of presidents."

He was born Sept. 24, 1837, in second floor living quarters over the store operated by his parents, Mr. and Mrs. Leonard Hanna Sr.

Walter Beck, former Lisbon attorney and prosecuting attorney, at one time had his office in the room where Hanna was born.

—:—

THE BUILDING, which for many years had the Arter Harness Shop on the first floor, is at the corner of N. Market St. and North Park Ave.

Local historians were jubilant to learn plans call for restoring the exterior of the three-story structure as it was over a century ago.

Making the announcement and describing details for the society were Dean Rose of Lisbon, Arthur Whan of the Lisbon - Columbiana Rd., and Richard McKee and Floyd Guterba, both of Columbiana.

They displayed an architect's sketch of the building restored to the original condition, using as much of the old stone and brick as modern building practice will permit.

The brick will be sandblasted and window shutters added. A large display window on N. Market will be replaced with smaller windows.

The entire inside will be removed and replaced with modern fire-proof construction. There will be an elevator from the basement to the third floor. The basement will be excavated for a modern heating plant.

Richard T. Mason, president, said the announcement "is the best news Lisbon has had in a long time." He said he was glad the promoters chose to reveal their plan publicly at the society's meeting.

—:—

TWENTY - FIVE members attended and reelected Mason president. Also elected were Don Hollinger, vice president; Mrs. Graham Kearney, secretary, and Forrest McClintock, treasurer.

Elected trustees were Lester Maple, John Oliver, Ross Fox and Graham Kearney. Don Lewis was appointed a trustee to succeed the late George Lafferty.

Miss Clara McGee was appointed chairman of the Old Stone House committee and Mrs. Don Hollinger, chairman of the home tour committee.

Members saw films of the sesquicentennial celebration in 1953 and discussed plans for future tours of area homes. The next meeting will be April 30.

Hancock Sets Special Study For Faculty

An in-service training program for teachers in the social studies field was proposed before the Hancock County Board of Education Monday night.

The program as outlined by Thomas Shields, curriculum coordinator, was approved by a 4-1 vote. Dr. Eli Weller cast the dissenting ballot.

Shields said the program will feature five teams of teachers from the system who would study the social sciences as taught in other systems.

After this a series of seminars would be held. The study is being sponsored by a grant of $10,600.

Supt. Robert Hall reported damage at Weir High School during a wind storm has been set at $93,407. He said the system's insurance firm has settled the amount, and the loss is completely covered by insurance with no added cost to the schools.

In other action, the board approved the raising of the hourly wage for teachers who serve as tutors. The new rate is $5 an hour. Formerly teachers were paid $2.50 an hour — a state-set minimum.

Two Rock Slides Snarl Traffic On Wellsville Road

Two separate rock slides Tuesday on Route 7 between East Liverpool and Wellsville dropped some 50 ton of debris in each case, the Ohio Department of Highways reports.

The first slide was reported about 2:30 p. m. and the second at 6 p. m. By 9:30 p. m. road crews had finished the cleaning up process, but continued to patrol the road through the night. No damage was reported.

One-lane traffic was maintained in the westbound lane.

The Highway Department also reported water covering Route 30 at Lynchburg in the New Kensington area Tuesday afternoon. One-way traffic was in affect until about 4 p. m. The flooding was caused by the overflow of a canal.

—:—

ENGLISH emphasized that the festival will center on the role of the entire ceramic industry, rather than emphasizing dinnerware production, but he conceded that the word "pottery" means dinnerware to most persons outside the immediate area. He pointed to the variety of clay products produced in the area, including brick, refractories and vitrified pipe.

Both the exact title and the date of the celebration were left open, with some suggesting the word "pottery" instead of "ceramic" in naming the event. Chandler said the dates were chosen with a view of causing as little conflict as possible with other community events.

English said the original idea was to put together a program that would attract visitors from a wide area and generate sufficient interest that it would become an annual attraction.

Although it is not the primary idea, such a celebration would bring in many "new dollars" to the area in the form of money spent for food, lodging, souvenirs and other items, he pointed out.

Mark Hanna's Birthplace Will Be Office Structure

LISBON — The Lisbon Historical Society had a surprise history - making meeting Tuesday night at Republican headquarters in the Wick Hotel building.

Four contractors announced they have purchased the vacant Arter building on the Square and plan to restore it as an office building.

Constructed in 1810, the red brick building was the birthplace of Marcus A. Hanna, Cleveland industrialist and the "the maker of presidents."

He was born Sept. 24, 1837, in second floor living quarters over the store operated by his parents, Mr. and Mrs. Leonard Hanna Sr.

Walter Beck, former Lisbon attorney and prosecuting attorney, at one time had his office in the room where Hanna was born.

—:—

THE BUILDING, which for many years had the Arter Harness Shop on the first floor, is at the corner of N. Market St. and North Park Ave.

Local historians were jubilant to learn plans call for restoring the exterior of the three-story structure as it was over a century ago.

Making the announcement and describing details for the society were Dean Rose of Lisbon, Arthur Whan of the Lisbon - Columbiana Rd., and Richard McKee and Floyd Guterba, both of Columbiana.

They displayed an architect's sketch of the building restored to the original condition, using as much of the old stone and brick as modern building practice will permit.

The brick will be sandblasted and window shutters added. A large display window on N. Market will be replaced with smaller windows.

The entire inside will be removed and replaced with modern fire-proof construction. There will be an elevator from the basement to the third floor. The basement will be excavated for a modern heating plant.

Richard T. Mason, president, said the announcement "is the best news Lisbon has had in a long time." He said he was glad the promoters chose to reveal their plan publicly at the society's meeting.

—:—

TWENTY - FIVE members attended and reelected Mason president. Also elected were Don Hollinger, vice president; Mrs. Graham Kearney, secretary, and Forrest McClintock, treasurer.

Elected trustees were Lester Maple, John Oliver, Ross Fox and Graham Kearney. Don Lewis was appointed a trustee to succeed the late George Lafferty.

Miss Clara McGee was appointed chairman of the Old Stone House committee and Mrs. Don Hollinger, chairman of the home tour committee.

Members saw films of the sesquicentennial celebration in 1953 and discussed plans for future tours of area homes. The next meeting will be April 30.

Hancock Sets Special Study For Faculty

An in-service training program for teachers in the social studies field was proposed before the Hancock County Board of Education Monday night.

The program as outlined by Thomas Shields, curriculum coordinator, was approved by a 4-1 vote. Dr. Eli Weller cast the dissenting ballot.

Shields said the program will feature five teams of teachers from the system who would study the social sciences as taught in other systems.

After this a series of seminars would be held. The study is being sponsored by a grant of $10,600.

Supt. Robert Hall reported damage at Weir High School during a wind storm has been set at $93,407. He said the system's insurance firm has settled the amount, and the loss is completely covered by insurance with no added cost to the schools.

In other action, the board approved the raising of the hourly wage for teachers who serve as tutors. The new rate is $5 an hour. Formerly teachers were paid $2.50 an hour — a state-set minimum.

Cuba lies only 90 miles from the continental United States.

Two Rock Slides Snarl Traffic On Wellsville Road

Two separate rock slides Tuesday on Route 7 between East Liverpool and Wellsville dropped some 50 ton of debris in each case, the Ohio Department of Highways reports.

The first slide was reported about 2:30 p. m. and the second at 6 p. m. By 9:30 p. m. road crews had finished the cleaning up process, but continued to patrol the road through the night. No damage was reported.

One-lane traffic was maintained in the westbound lane.

The Highway Department also reported water covering Route 30 at Lynchburg in the New Kensington area Tuesday afternoon. One-way traffic was in affect until about 4 p. m. The flooding was caused by the overflow of a canal.

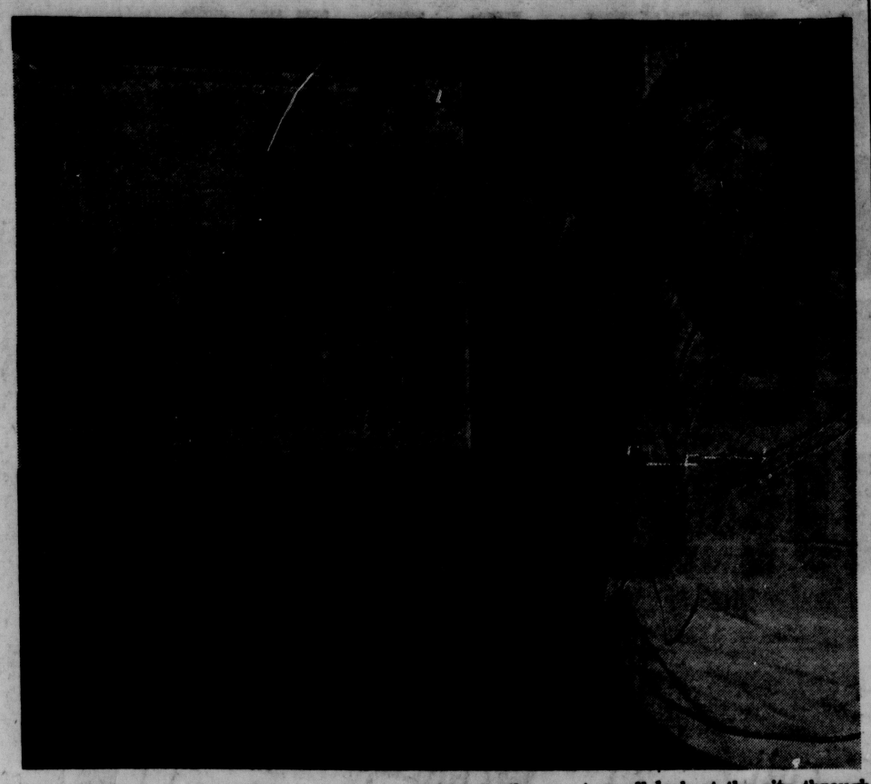
At Show In Pittsburgh

Her Project Wins Honors



Joyce Vincent points to the urban geography study of East Liverpool which won her second-place honors in a geography exhibit at Buhl Planetarium, Pittsburgh.

Joyce, a senior at East Liverpool High School, received an award for her achievement during ceremonies last Friday at the planetarium. She was presented a certificate and a geography charm.

She is a daughter of Mr. and Mrs. Joseph Armstrong of Pennsylvania Ave. Ext.

Joyce, a student in the geography class taught by Frank Moss, in a two-month project assembled the material used in her study from questionnaires sent area businessmen, from personal interviews and from sources on file at The Review.

Moss did a similar study during college, based on a professor's doctoral thesis, found it interesting and suggested the topic to Joyce.

Her project includes an over-all look at the city through a map marked with residential, industrial and business areas, educational and recreational points, religious centers and municipal and governmental buildings.

Moss said he hopes to use the study as the basis for a small geographical project for second-semester students and perhaps to incorporate into a social fair on a school level similar to the science fairs formerly held here.

Traffic Cases Bring Fines

LISBON — Sherwin E. Williams of Mantua was fined $25 and costs for speeding Tuesday by Judge J. L. MacDonald in Columbiana County Southwest Court.

Three others were fined for speeding — James Kovach Jr., Lisbon RD 4, $20 and costs, and Harold D. Newcomer, East Rochester RD 1, and Thomas L. Randolph, Carrollton, $15 and costs each.

Also fined were Judith Frazier, Minerva, operating a motor vehicle with defective headlights, smooth tires and no license plate lights, $10 and costs, and Henry A. Yoder, Hanoverton, defective headlights, $5 and costs.

Appearance bonds were forfeited by James W. Thomas, Creekside, Pa., failure to display tax decal on truck, $100; Donald G. Bibby, Homerville, Ohio, and Gerald R. Fisher, Akron, both cited for speeding, and Jerry E. Childress, Lisbon RD 3, passing traffic at a hill crest, $20 each, and Robert E. Strabala, Hanoverton RD 1, parking on highway, $15.

Rogers News

Mrs. Ruth Cope

ROGERS — Boy Scout Troop 40 of Rogers and East Fairfield is conducting a paper drive for a suummer camp fund. Collections may be deposited at Bob's Barber Shop in Rogers. Negley residents may place papers on their porches Monday morning for pickup.

Miss Agnes Cope and Miss Betty Stephens of Lakewood were weekend guests of Mrs. Ruth Cope.

Senate OK's Nomination Of Clifford

WASHINGTON (AP) — The Senate Tuesday confirmed unanimously the nomination of Clark M. Clifford to become secretary of defense, and Sen. Everett M. Dirksen called him a patriot who merits "the confidence and the trust" of the nation.

President Johnson's choice of the Washington lawyer, long a White House adviser, to succeed Robert S. McNamara at the Pentagon was approved on a voice vote, without dissent.

"I am very happy that this man with his widespread experience in government, extending back to the days of President Truman, has been selected for this most arduous and demanding position," Senate Majority Leader Mike Mansfield, D-Mont., said.

But it was Dirksen of Illinois, the Republican leader, who delivered the most extended speech in praise — and defense —of Clifford. He said there have been newspaper columns implying criticism of Clifford's past associations as a lawyer with firms which hold vast government contracts.

Dirksen said anyone who knows Clifford knows the new secretary will "bend over backwards" to make sure that no contractor receives any unfair advantage.

Incorporation Set

NEW WATERFORD — Articles of incorporation have been filed with Secretary of State Ted W. Brown at Columbus by the Clinton County Memorial Park, Inc., of Fairfield Township, listing James E. Martin, Mervin S. Miller and Mary L. Miller as shareholders. Mary Miller of RD 1 is the agent. The papers were filed by Atty. Martin.

Business Figure Dies

NEW BRUNSWICK, N.J. (AP) — Gen. Robert Wood Johnson, who built a family-owned business into one of the world's largest manufacturers of surgical dressing, baby and medical products, died Tuesday. Johnson, 74, resigned in 1963 after 25 years as board chairman of Johnson & Johnson.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I resent your sarcastic reply to "California Yell for Help," the woman who lashed out at the surgeon who removed her friend's healthy breast.

According to you, it simply could not have happened. You said all surgeons must do a biopsy first and that no reputable physician would perform such an operation unless the biopsy showed a malignancy. You as much as called the woman a liar.

May I direct your attention to the word "reputable." I would not argue the point that the majority of physicians are reasonably honest, some are even highly principled, and a few are totally dedicated, but that still leaves a number of knife-hungry, money-hungry scoundrels, not to mention chronic alcoholics who bury their mistakes and no one is any the wiser.

So please, Ann, don't try to give the public the impression that every physician who hangs out a shingle is a paragon of virtue, incapable of error. Tell it like it is. — CALLING DR. KILDARE.

-:-

Dear Calling: There are incompetents, phonies and bad actors in every field, and the medical profession is no exception. Unfortunately, when a physician is unscrupulous or botches a job someone becomes severely ill or dies.

I know of no profession, however, that does such a conscientious job of policing its own members. Peer approval among physicians is of utmost importance. Medical organizations, county, state and national, are persistent and diligent in their fight against charlatans and quacks.

Medical standards constantly are being elevated by medical audit committees in the nation's hospitals. Additional safeguards are provided by tightening the requirements for hospital certification involving total patient care.

When one considers that before the Abraham Flexner report in 1910, "doctors" in some states were permitted to practice medicine by virtue of a certificate purchased for as little as $5, I say the medical profession has made enormous strides. All professions should do as well.

Never A Bridesmaid

Dear Ann: I'm being married in April and have asked five friends to be bridesmaids. One of the bridesmaids says it's stupid to spend $35 for a dress that she can copy for one-third the price.

She announced that she's going to make her dress. I've seen some of the dresses she has whipped up on her sewing machine and they look very "homemade." Also, it's impossible to match fabrics and her dress is bound to look different from the others.

My mother suggests I tell her that if she can't afford to buy the dress I'll understand and excuse her from being in the wedding party.

This girl has been a good friend for 15 years and I want to keep her friendship. Help!! — HORRORSVILLE.

-:-

DEAR H'ville: The dress costs $35. The girl said she can make one like it for one-third the price. That means she would save $23.34 if she made the dress. Offer to pay the difference in the interest of "uniformity." Her friendship is worth $23.34, isn't it?

Hi, Mom

Dear Ann: Our daughter has been married for two years to a so-called Southern gentleman who is still calling me "Hey You." It would please me if he called me Mother or I'd gladly settle for "Mrs. ——" or even Betty, but this "Hey You" is getting on my nerves.

I'd like to tell him in a subtle way to change his salutation. How should I do it? — ARKANSAS TRANSPLANT.

-:-

Dear Transplant: Why be subtle with a lummox? Tell him you've had enough of the "Hey You" and if he doesn't want to call you Betty, Mrs. H will do.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Players Discuss Permanent Site

Sites for a permanent meeting place — including the Liberty Theater at Wellsville—were discussed when the Ceramic Playrites met Tuesday night in the Siff building on Market St.

James Graham, co-director, presided in the absence of Donald Langsdale, director. Robert Lackner of Darlington, a member of another area theater group, invited the Playrites to attend a presentation of "The Odd Couple" at the Episcopal Church in Beaver Falls.

Acting experiences and plays were discussed last night.

Election of officers was postponed until next Tuesday at 7:30 p. m.

Benefit Show Set In Beaver County

The Wylie Ridge Ramblers of Wheeling will be featured during the Beaver County Country Show Sunday from 7 to 10:30 p.m. at the Shippingport Community building.

Part of the proceeds from the event will be used to help support the Lentz Workshop for mentally - retarded children in Beaver County.

Officials of the show said the members also are willing to appear for charitable organizations in East Liverpool, Chester or Midland areas. Arrangements may be made by contacting George McConaughy of Raccoon Township or Bill Burris of Shippingport.

At Show In Pittsburgh

Her Project Wins Honors

Joyce Vincent points to the urban geography study of East Liverpool which won her second-place honors in a geography exhibit at Buhl Planetarium, Pittsburgh.

Joyce, a senior at East Liverpool High School, received an award for her achievement during ceremonies last Friday at the planetarium. She was presented a certificate and a geography charm.

She is a daughter of Mr. and Mrs. Joseph Armstrong of Pennsylvania Ave. Ext.

Joyce, a student in the geography class taught by Frank Moss, in a two-month project assembled the material used in her study from questionnaires sent area businessmen, from personal interviews and from sources on file at The Review.

Moss did a similar study during college, based on a professor's doctoral thesis, found it interesting and suggested the topic to Joyce.

Her project includes an over-all look at the city through a map marked with residential, industrial and business areas, educational and recreational points, religious centers and municipal and governmental buildings.

Moss said he hopes to use the study as the basis for a small geographical project for second-semester students and perhaps to incorporate into a social fair on a school level similar to the science fairs formerly held here.

Traffic Cases Bring Fines

LISBON — Sherwin E. Williams of Mantua was fined $25 and costs for speeding Tuesday by Judge J. L. MacDonald in Columbiana County Southwest Court.

Three others were fined for speeding — James Kovach Jr., Lisbon RD 4, $20 and costs, and Harold D. Newcomer, East Rochester RD 1, and Thomas L. Randolph, Carrollton, $15 and costs each.

Also fined were Judith Frazier, Minerva, operating a motor vehicle with defective headlights, smooth tires and no license plate lights, $10 and costs, and Henry A. Yoder, Hanoverton, defective headlights, $5 and costs.

Appearance bonds were forfeited by James W. Thomas, Creekside, Pa., failure to display tax decal on truck, $100; Donald G. Bibby, Homerville, Ohio, and Gerald R. Fisher, Akron, both cited for speeding, and Jerry E. Childress, Lisbon RD 3, passing traffic at a hill crest, $20 each, and Robert E. Strabala, Hanoverton RD 1, parking on highway, $15.

Rogers News

Mrs. Ruth Cope

ROGERS — Boy Scout Troop 40 of Rogers and East Fairfield is conducting a paper drive for a suummer camp fund. Collections may be deposited at Bob's Barber Shop in Rogers. Negley residents may place papers on their porches Monday morning for pickup.

Miss Agnes Cope and Miss Betty Stephens of Lakewood were weekend guests of Mrs. Ruth Cope.

Senate OK's Nomination Of Clifford

WASHINGTON (AP) — The Senate Tuesday confirmed unanimously the nomination of Clark M. Clifford to become secretary of defense, and Sen. Everett M. Dirksen called him a patriot who merits "the confidence and the trust" of the nation.

President Johnson's choice of the Washington lawyer, long a White House adviser, to succeed Robert S. McNamara at the Pentagon was approved on a voice vote, without dissent.

"I am very happy that this man with his widespread experience in government, extending back to the days of President Truman, has been selected for this most arduous and demanding position," Senate Majority Leader Mike Mansfield, D-Mont., said.

But it was Dirksen of Illinois, the Republican leader, who delivered the most extended speech in praise — and defense —of Clifford. He said there have been newspaper columns implying criticism of Clifford's past associations as a lawyer with firms which hold vast government contracts.

Dirksen said anyone who knows Clifford knows the new secretary will "bend over backwards" to make sure that no contractor receives any unfair advantage.

Incorporation Set

NEW WATERFORD — Articles of incorporation have been filed with Secretary of State Ted W. Brown at Columbus by the Clinton County Memorial Park, Inc., of Fairfield Township, listing James E. Martin, Mervin S. Miller and Mary L. Miller as shareholders. Mary Miller of RD 1 is the agent. The papers were filed by Atty. Martin.

Business Figure Dies

NEW BRUNSWICK, N.J. (AP) — Gen. Robert Wood Johnson, who built a family-owned business into one of the world's largest manufacturers of surgical dressing, baby and medical products, died Tuesday. Johnson, 74, resigned in 1963 after 25 years as board chairman of Johnson & Johnson.

The little ones

From day to day you don't realize how fast your children are growing and changing. How can you keep track of this growth? Pencil marks on the kitchen door are one way. Movies are better—to see a boy's first, faltering steps replaced by a headlong gallop. Or the little girl playing with a rattle one moment, pushing her doll carriage the next. Why not make the move to movies—the easy way—with a KODAK INSTAMATIC Movie Camera and Projector. Drop in and let us show you how easy home movie-making is!

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I resent your sarcastic reply to "California Yell for Help," the woman who lashed out at the surgeon who removed her friend's healthy breast.

According to you, it simply could not have happened. You said all surgeons must do a biopsy first and that no reputable physician would perform such an operation unless the biopsy showed a malignancy. You as much as called the woman a liar.

May I direct your attention to the word "reputable." I would not argue the point that the majority of physicians are reasonably honest, some are even highly principled, and a few are totally dedicated, but that still leaves a number of knife-hungry, money-hungry scoundrels, not to mention chronic alcoholics who bury their mistakes and no one is any the wiser.

So please, Ann, don't try to give the public the impression that every physician who hangs out a shingle is a paragon of virtue, incapable of error. Tell it like it is. — CALLING DR. KILDARE.

-:-

Dear Calling: There are incompetents, phonies and bad actors in every field, and the medical profession is no exception. Unfortunately, when a physician is unscrupulous or botches a job someone becomes severely ill or dies.

I know of no profession, however, that does such a conscientious job of policing its own members. Peer approval among physicians is of utmost importance. Medical organizations, county, state and national, are persistent and diligent in their fight against charlatans and quacks.

Medical standards constantly are being elevated by medical audit committees in the nation's hospitals. Additional safeguards are provided by tightening the requirements for hospital certification involving total patient care.

When one considers that before the Abraham Flexner report in 1910, "doctors" in some states were permitted to practice medicine by virtue of a certificate purchased for as little as $5, I say the medical profession has made enormous strides. All professions should do as well.

Never A Bridesmaid

Dear Ann: I'm being married in April and have asked five friends to be bridesmaids. One of the bridesmaids says it's stupid to spend $35 for a dress that she can copy for one-third the price.

She announced that she's going to make her dress. I've seen some of the dresses she has whipped up on her sewing machine and they look very "homemade." Also, it's impossible to match fabrics and her dress is bound to look different from the others.

My mother suggests I tell her that if she can't afford to buy the dress I'll understand and excuse her from being in the wedding party.

This girl has been a good friend for 15 years and I want to keep her friendship. Help!! — HORRORSVILLE.

-:-

DEAR H'ville: The dress costs $35. The girl said she can make one like it for one-third the price. That means she would save $23.34 if she made the dress. Offer to pay the difference in the interest of "uniformity." Her friendship is worth $23.34, isn't it?

Hi, Mom

Dear Ann: Our daughter has been married for two years to a so-called Southern gentleman who is still calling me "Hey You." It would please me if he called me Mother or I'd gladly settle for "Mrs. ——" or even Betty, but this "Hey You" is getting on my nerves.

I'd like to tell him in a subtle way to change his salutation. How should I do it? — ARKANSAS TRANSPLANT.

-:-

Dear Transplant: Why be subtle with a lummox? Tell him you've had enough of the "Hey You" and if he doesn't want to call you Betty, Mrs. H will do.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Players Discuss Permanent Site

Sites for a permanent meeting place — including the Liberty Theater at Wellsville—were discussed when the Ceramic Playrites met Tuesday night in the Siff building on Market St.

James Graham, co-director, presided in the absence of Donald Langsdale, director. Robert Lackner of Darlington, a member of another area theater group, invited the Playrites to attend a presentation of "The Odd Couple" at the Episcopal Church in Beaver Falls.

Acting experiences and plays were discussed last night.

Election of officers was postponed until next Tuesday at 7:30 p. m.

Benefit Show Set In Beaver County

The Wylie Ridge Ramblers of Wheeling will be featured during the Beaver County Country Show Sunday from 7 to 10:30 p.m. at the Shippingport Community building.

Road Number Changes Due For Hancock

Crews from the West Virginia State Board Commission's district sign office at Elm Grove near Wheeling Thursday will begin installing signs in Hancock County changing the designations of two state routes.

Ed Gallagher, district superintendent, said two or three crews will begin what probably will prove to be a three - day operation to change the designation of Routes 66 and 2 through Hancock.

Under a plan of the SRC issued late in 1967, Route 66 from the intersection of Route 2 at New Cumberland to the Chester city limits will become Route 2.

At the same time, crews will change to State Route 8 the designation of the current Route 2 which runs through New Manchester and north through the county to the intersection of U.S. Route 30 near the West Virginia - Pennsylvania state line.

Route 8 will run only from New Cumberland to the old northern limits of Route 2. It will not extend downriver.

The action will cause Route 2, a major thoroughfare through the Northern Panhandle, to run northward through Arroyo, past Waterford Park race track, through Newell and Chester, the old Route 66.

Gallagher conceded he expects some confusion to result from the outset.

Bridge

(Continued from Page 1)

in nearly every case they apparently wait until the early hours of the morning.

Patrolman Rex Cowey at Chester said a woman Monday night attempted to halt two tractor - trailer rigs, flashed her lights and sounded her horn, but to no avail. She followed the rigs across the bridge, found Cowey and he gave chase. But, he explained, the trucks moved through town so swiftly, that by the time he was notified they were "long gone."

Early today Cowey turned back two rigs — one an auto carrier which had just delivered a new car to a Chester dealer — but did not see two others which made it across, long after the Ohio Highway Patrol's white prowl car had left the Ohio side of the span.

The state patrolman had left by 11 p. m. City police, on both sides of the river, busy with other work, were unable to maintain a constant watch over the bridge.

—:—

AS FAR AS can be determined, local truckers are not involved in the violations. All the incidents reported to date have involved large out-of-town operators and private haulers from distant cities.

Last night a large moving van was turned back at Chester before it could cross the bridge.

Queried about the situation, Police Chief A. J. Radeschi said today he understands an Ohio Highway Department employe stationed at the bridge for maintenance duties has instructions to notify the patrol if he observes travel by heavy trucks when no cruiser is on duty at the approaches.

The chief added that the state has not asked the local department to aid in enforcing the load limits.

MARTY LOU CONLEY
Engagement Disclosed.

June 1 Wedding Being Planned By Miss Conley

Mr. and Mrs. J. Clifford Conley of 952 St. George St. announce the engagement and forthcoming marriage of their daughter, Miss Marty Lou Conley, to Larry Lee Tschannen, son of Mr. and Mrs. Albert Tschannen of Bluffton, Ind.

Miss Conley was graduated in 1963 from East Liverpool High School and in 1964 from Ohio Valley Business College. She is employed by the Estey Piano Co. of Bluffton.

Her fiance, a 1959 graduate of Lancaster Central High School at Bluffton, served three years in the Navy. He is associated with the Zollner Piston Co. of Ft. Wayne, Ind.

The wedding is planned for June 1.

24-Hour Service Set By Hospital In Emergencies

The Beaver Falls unit of the Beaver Valley Providence General Hospital will begin operating its emergency room on a 24-hour basis Thursday. In conjunction with the new procedure, the emergency room at the New Brighton unit will be closed.

Arrangements for the extended service are provided in a contract signed by the hospital and physicians at the hospital operating under the Beaver Valley Emergency Room Association.

Milton H. Appleyard, executive director of the hospital, said the new procedure will "minimize the inconvenience in waiting that many patients have been concerned with over the past number of years."

The doctors on duty will not necessarily replace the patient's private physician. Unless the patient's condition warrants immediate treatment, his request for his own physician will be honored.

The doctor's fee will be separate from the hospital's charge for the use of the emergency room facilities.

Dr. T. B. Jones is president of the emergency room group. He said the doctors have agreed to make themselves available at the hospital to provide the new coverage.

Dr. Jones said the physicians on the staff "realize the new arrangement is necessary for better medical care for the community and agreed to enter the association, even at a sacrifice to their practices and families."

Wales once used the leek as its national emblem.

Candace C. Mays Is Wed In Ceremonies At Church

Miss Candace C. Mays, daughter of Mr. and Mrs. Roderick V. Mays of Samuel Dr., Substation, became the bride of Ronald Lee Merritt, son of Mr. and Mrs. Alaska W. Merritt of LaCroft Ave., Jan. 12 at 6 p.m. in the First Christian Church of Wellsville.

The Rev. Robert H. Schondelmayer officiated for the double-ring ceremony before an altar banked with carnations, mums and ferns. Ralph Falconer presented a half - hour recital of organ music.

—:—

GIVEN IN marriage by her father, the bride was attired in a lace dress accented with sequin trim. Her elbow - length veil of silk illusion was attached to a headdress formed of leaf petals and adorned with seed pearls and crystals.

She carried a cascade arrangement of white roses and lily - of - the - valley tied with velvet streamers. In observing the traditions, she had a sixpence in her shoe, the gift of Miss Linda Giovenco.

As maid of honor, Miss Giovenco appeared in a pink brocade sheath designed in Empire styling, with a matching crown and veil. Mrs. Roderick V. Mays Jr., bridesmaid, was attired in a shocking pink dress with matching crown and veil. They had corsages of pink carnations and white rosebuds.

Roderick V. Mays Jr. served as best man. Ushers were Rexford Mays and Richard Merritt.

The mother of the bride chose a Navy knit dress with black accessories and corsage of pink rosebuds. The bridegroom's mother was attired in a green knit dress with white accessories and yellow rosebud corsage.

—:—

A RECEPTION for 70 followed in the social rooms, where the buffet table was centered with a two - tier cake, topped with a miniature bridal couple. A white and silver color theme predominated.

Miss Robin Lynn Merritt, sister of the bridegroom, registered guests.

The newlyweds are graduates of Beaver Local High School, the bride in 1967 and her husband in 1964. They are residing in a newly - furnished mobile home at Substation.

The bride is employed at Hoge's Restaurant and the bridegroom at the Homer Laughlin China Co.

Drug Review Presented At Chester Club

The need to educate children about drugs was emphasized when the Chester Kiwanis Club met Tuesday night at City Hall.

The speaker was James R. Johnson of the Smith, Kline and French Laboratories of Philadelphia, who discussed "The Hidden Sickness."

He was introduced by Clifford Comm, program chairman.

Johnson pointed out drugs can alter the conscious mind and produce personality changes.

Adolescence is a difficult and complex period, he cautioned. Shoplifting and other minor crimes occur during this period in the lives of some, he said.

Alvin Fineman reminded the club the March of Dimes will be held Feb. 13. Coin boxes have been given local merchants and letters have been sent to businessmen advising them of the campaign. Residents are asked to turn their outside lights on that night.

James Clark was elected as an alternate to Harold Staley on the board of directors. Twenty-one attended. Ronald Paschirer was accepted as a new member.

Two Long-Time Employes Retire At Weirton Steel

WEIRTON — The retirement tomorrow of two veteran employes of the Weirton Steel Division of the National Steel Corp. and the appointment of their successors has been announced by J. H. Harris, chairman.

Retiring are C. E. Stetson, manager of the Payroll Department, who has more than 45 years service, and William F. Bloomer, manager of Management Services, with more than 43 years service.

W. C. Jones is being promoted from assistant manager of the Payroll Department to succeed Stetson and Edward R. Hiller will advance from assistant to the manager of Management Services, succeeding Bloomer.

South Africa is the leading platinum - producing country in the world.

Spelling Bee Won By Midland Girl

Marsha Orr, daughter of Mr. and Mrs. William Orr of 73 11th St., Midland, has received a certificate and pin for winning the annual spelling bee conducted among fifth-grade students.

Marsha is a student at 4th St. School. Her teacher is Nicholas Aloi. Others from her class participating were Luanne Katich, James Lento, Fred Adkins and Elizabeth Williams.

Bernice Davis was runnerup. She is taught by Mrs. Marjorie Carter. Others in this class who participated were Leon Mathews, Jeffrey Melvin, Vickie Hall and Andrew Monteiro.

Students in Miss Tonya Drake's class taking part were Darlene Francis, Lorrsine Cerasi, Lisa Tarbuk, Diane Milgiore and Bernadina Brandao.

The bee started three weeks ago and ended Tuesday. It is conducted by radio station WBVP at Beaver Falls. Robert Blinn, elementary principal, accompanied the children to the station by chartered bus.

Attendance Pins Received By 35

Thirty - five were presented perfect attendance pins for 1967 during Awards Day Sunday at the Bethel United Presbyterian Church, near Highlandtown. The presentations were made by William Hays, superintendent of the Church School.

About 87 attended the recent fifth annual youth dinner of the church, with the young people of the New Lebanon and West Beaver United Presbyterian churches as guests. Mrs. James Sanko of Wellsville was guest speaker.

The young people had charge of the services Sunday morning, with the program entitled "Thanks Be to God." About 26 young people took part. The Carol Choir, comprised of 18 boys and girls from the Junior Department, sang several selections.

Speaker Change Set At Midland Banquet Tonight

Louis P. Cianzio of Ingram, Pa., a handwriting analyst, will speak at the annual dinner meeting of the Midland Area Chamber of Commerce tonight at 6:30 at the Crucible Management Club at Industry. He will conduct an audience participation show.

Midland School Supt. Charles Henderson was to have been the speaker, but will be unable to attend because of his duties at the Constitutional Convention in Harrisburg.

A delegate to ConCon, Henderson is serving as a subcommittee chairman and must make reports this afternoon and tonight.

The Chamber will announce its annual awards.

Cleveland Boy, 3, Dies In Home Fire

CLEVELAND (AP) — A 3-year-old boy died Tuesday in a fire at his home on the East Side.

Myron Evans was found on the second floor, where the fire apparently started. Police said the boy was alone when the fire started. He lived with his grandmother, who was at work, police said.

New Officers Are Named At Women's Club Meeting

Mrs. James Batey Jr. of Hill Blvd. was elevated to the presidency of the East Liverpool Women's Club during the meeting Monday night with Mrs. Richard B. Sant of Park Blvd.

Other officers named were Mrs. William J. Horger, first vice president; Mrs. Sidney C. Porter Jr., second vice president; Mrs. C. E. Hill, recording secretary; Mrs. W. D. Spore, corresponding secretary; Mrs. Burton W. Kerr, treasurer, and Mrs. William Cooper, parliamentarian.

The nominating committee included Mrs. Richard Crable, Mrs. William E. Dunlap Jr. and Mrs. Gordon Starkey. Mrs. William Porter, retiring president, presided.

Miss Gladys DeBolt, guest speaker, was introduced by Mrs. Horger. Using the theme "Right Around Home," she discussed notable East Liverpool personalities, past and present.

She touched upon the lives of many who virtually have put the city "on the map" in the fields of politics, music, art, industry, education and the armed services and read personal letters from several.

In conclusion, she expressed complete approval of the new policy at East Liverpool High School whereby noted graduates will be obtained as commencement speakers. She pointed to the exercises last June when Maj. Gen. Keith B. McCutcheon, deputy chief of staff of the Marine Corps, gave the address.

Refreshments were served by the hostess, assisted by Mrs. Hill. The buffet table was covered with an ecru color cutwork cloth and centered with an arrangement of daffodils and pussy willows flanked by yellow tapers. Mrs. Porter poured at the silver service.

The club will meet Feb. 19 with Mrs. Crable of Midway Ln. when Mrs. Dunlap will speak on "Women of Achievement."

Cincinnati Teachers Ready To Strike 3rd Straight Day

CINCINNATI (AP)— Despite possible contempt of court charges, Cincinnati Teachers Union members prepared to strike city schools today for the third straight day.

Richard Kiley, president of the 700-member CTU, said Tuesday the group will continue to defy a court restraining order issued Monday to enjoin it from striking.

"If I have to go to jail to prove a point, I will," Kiley said Tuesday night.

Meanwhile, contempt of court proceedings were being readied by City Solicitor William McClain Tuesday, said Philip Olinger, assistant city prosecutor who represents the Cincinnati School Board.

"You just can't strike against the government," said Bert Long, judge of the First Ohio District Court of Appeals. He made the statement Tuesday in refusing to dissolve a temporary injunction to halt the strike.

Kiley also stated Tuesday that the union would not participate in a teacher election set for today to determine whether it or the Cincinnati Teachers Association will represent all the teachers for bargaining purposes with the school board.

The city's nearly 100 schools will dismiss classes early today at 2 p.m. to permit balloting. The 2,600-member CTA and non-union teachers are scheduled to vote.

Kiley said the strike has to be settled before the CTU will vote in the election.

Kiley also offered Tuesday a possible solution to bringing an end to the strike. He said that "a fact-finding study should be made to see if salary increases (the CTU is seeking) could be made."

Picketing Tuesday caused 20 schools to be closed down and about 23,000 of 88,000 students were sent home.

Mr. and Mrs. J. Clifford Conley of 952 St. George St. announce the engagement and forthcoming marriage of their daughter, Miss Marty Lou Conley, to Larry Lee Tschannen, son of Mr. and Mrs. Albert Tschannen of Bluffton, Ind.

Miss Conley was graduated in 1963 from East Liverpool High School and in 1964 from Ohio Valley Business College. She is employed by the Estey Piano Co. of Bluffton.

Her fiance, a 1959 graduate of Lancaster Central High School at Bluffton, served three years in the Navy. He is associated with the Zollner Piston Co. of Ft. Wayne, Ind.

The wedding is planned for June 1.

24-Hour Service Set By Hospital In Emergencies

The Beaver Falls unit of the Beaver Valley Providence General Hospital will begin operating its emergency room on a 24-hour basis Thursday. In conjunction with the new procedure, the emergency room at the New Brighton unit will be closed.

Arrangements for the extended service are provided in a contract signed by the hospital and physicians at the hospital operating under the Beaver Valley Emergency Room Association.

Milton H. Appleyard, executive director of the hospital, said the new procedure will "minimize the inconvenience in waiting that many patients have been concerned with over the past number of years."

The doctors on duty will not necessarily replace the patient's private physician. Unless the patient's condition warrants immediate treatment, his request for his own physician will be honored.

The doctor's fee will be separate from the hospital's charge for the use of the emergency room facilities.

Dr. T. B. Jones is president of the emergency room group. He said the doctors have agreed to make themselves available at the hospital to provide the new coverage.

Dr. Jones said the physicians on the staff "realize the new arrangement is necessary for better medical care for the community and agreed to enter the association, even at a sacrifice to their practices and families."

Wales once used the leek as its national emblem.

Candace C. Mays Is Wed In Ceremonies At Church

Miss Candace C. Mays, daughter of Mr. and Mrs. Roderick V. Mays of Samuel Dr., Substation, became the bride of Ronald Lee Merritt, son of Mr. and Mrs. Alaska W. Merritt of LaCroft Ave., Jan. 12 at 6 p.m. in the First Christian Church of Wellsville.

The Rev. Robert H. Schondelmayer officiated for the double-ring ceremony before an altar banked with carnations, mums and ferns. Ralph Falconer presented a half - hour recital of organ music.

—:—

GIVEN IN marriage by her father, the bride was attired in a lace dress accented with sequin trim. Her elbow - length veil of silk illusion was attached to a headdress formed of leaf petals and adorned with seed pearls and crystals.

She carried a cascade arrangement of white roses and lily - of - the - valley tied with velvet streamers. In observing the traditions, she had a sixpence in her shoe, the gift of Miss Linda Giovenco.

As maid of honor, Miss Giovenco appeared in a pink brocade sheath designed in Empire styling, with a matching crown and veil. Mrs. Roderick V. Mays Jr., bridesmaid, was attired in a shocking pink dress with matching crown and veil. They had corsages of pink carnations and white rosebuds.

Roderick V. Mays Jr. served as best man. Ushers were Rexford Mays and Richard Merritt.

The mother of the bride chose a Navy knit dress with black accessories and corsage of pink rosebuds. The bridegroom's mother was attired in a green knit dress with white accessories and yellow rosebud corsage.

—:—

A RECEPTION for 70 followed in the social rooms, where the buffet table was centered with a two - tier cake, topped with a miniature bridal couple. A white and silver color theme predominated.

Miss Robin Lynn Merritt, sister of the bridegroom, registered guests.

The newlyweds are graduates of Beaver Local High School, the bride in 1967 and her husband in 1964. They are residing in a newly - furnished mobile home at Substation.

The bride is employed at Hoge's Restaurant and the bridegroom at the Homer Laughlin China Co.

Drug Review Presented At Chester Club

The need to educate children about drugs was emphasized when the Chester Kiwanis Club met Tuesday night at City Hall.

The speaker was James R. Johnson of the Smith, Kline and French Laboratories of Philadelphia, who discussed "The Hidden Sickness."

He was introduced by Clifford Comm, program chairman.

Johnson pointed out drugs can alter the conscious mind and produce personality changes.

Adolescence is a difficult and complex period, he cautioned. Shoplifting and other minor crimes occur during this period in the lives of some, he said.

Alvin Fineman reminded the club the March of Dimes will be held Feb. 13. Coin boxes have been given local merchants and letters have been sent to businessmen advising them of the campaign. Residents are asked to turn their outside lights on that night.

James Clark was elected as an alternate to Harold Staley on the board of directors. Twenty-one attended. Ronald Pschirer was accepted as a new member.

Cleveland Boy, 3, Dies In Home Fire

CLEVELAND (AP) — A 3-year-old boy died Tuesday in a fire at his home on the East Side.

Myron Evans was found on the second floor, where the fire apparently started. Police said the boy was alone when the fire started. He lived with his grandmother, who was at work, police said.

New Officers Are Named At Women's Club Meeting

Mrs. James Batey Jr. of Hill Blvd. was elevated to the presidency of the East Liverpool Women's Club during the meeting Monday night with Mrs. Richard B. Sant of Park Blvd.

Other officers named were Mrs. William J. Horger, first vice president; Mrs. Sidney C. Porter Jr., second vice president; Mrs. C. E. Hill, recording secretary; Mrs. W. D. Spore, corresponding secretary; Mrs. Burton W. Kerr, treasurer, and Mrs. William Cooper, parliamentarian.

The nominating committee included Mrs. Richard Crable, Mrs. William E. Dunlap Jr. and Mrs. Gordon Starkey. Mrs. William Porter, retiring president, presided.

Miss Gladys DeBolt, guest speaker, was introduced by Mrs. Horger. Using the theme "'Right Around Home," she discussed notable East Liverpool personalities, past and present.

She touched upon the lives of many who virtually have put the city "on the map" in the fields of politics, music, art, industry, education and the armed services and read personal letters from several.

In conclusion, she expressed complete approval of the new policy at East Liverpool High School whereby noted graduates will be obtained as commencement speakers. She pointed to the exercises last June when Maj. Gen. Keith B. McCutcheon, deputy chief of staff of the Marine Corps, gave the address.

Refreshments were served by the hostess, assisted by Mrs. Hill. The buffet table was covered with an ecru color cutwork cloth and centered with an arrangement of daffodils and pussy willows flanked by yellow tapers. Mrs. Porter poured at the silver service.

The club will meet Feb. 19 with Mrs. Crable of Midway Ln. when Mrs. Dunlap will speak on "Women of Achievement."

Cincinnati Teachers Ready To Strike 3rd Straight Day

CINCINNATI (AP)— Despite possible contempt of court charges, Cincinnati Teachers Union members prepared to strike city schools today for the third straight day.

Richard Kiley, president of the 700-member CTU, said Tuesday the group will continue to defy a court restraining order issued Monday to enjoin it from striking.

"If I have to go to jail to prove a point, I will," Kiley said Tuesday night.

Meanwhile, contempt of court proceedings were being readied by City Solicitor William McClain Tuesday, said Philip Olinger, assistant city prosecutor who represents the Cincinnati School Board.

"You just can't strike against the government," said Bert Long, judge of the First Ohio District Court of Appeals. He made the statement Tuesday in refusing to dissolve a temporary injunction to halt the strike.

Kiley also stated Tuesday that the union would not participate in a teacher election set for today to determine whether it or the Cincinnati Teachers Association will represent all the teachers for bargaining purposes with the school board.

The city's nearly 100 schools will dismiss classes early today at 2 p.m. to permit balloting. The 2,600-member CTA and non-union teachers are scheduled to vote.

Kiley said the strike has to be settled before the CTU will vote in the election.

Kiley also offered Tuesday a possible solution to bringing an end to the strike. He said that "a fact-finding study should be made to see if salary increases (the CTU is seeking) could be made."

Picketing Tuesday caused 20 schools to be closed down and about 23,000 of 88,000 students were sent home.

News Of Area Residents In Armed Forces

Tech. Sgt. Thomas G. Lipps, son of Mr. and Mrs. Doy G. Lipps of Coshocton and son-in-law of Robert Neal of 612 Monroe St., has received an Air Force communications service certificate of exemplary service at the Da Nang air base in Vietnam.

Lipps, an air traffic controller, "was recognized for alertness and judgment" which enabled two flights of Marine F-4 Phantoms to land safely on the DaNang flight line within seconds of each other when both had little fuel remaining. The aircraft had been forced to divert to DaNang when their carrier in the Gulf of Tonkin became obscured by bad weather.

Because the jets were low on fuel, it was necessary for Lipps and another air traffic controller on duty to clear the runway as quickly as possible and make preparations for minimum interval landings. They guided the aircraft through several minor course changes to assure effective spacing. The recovery operation was made more difficult because rain showers were covering about 60 per cent of the approach area.

Lipps, who is assigned to the 1972nd Communications Squadron at the base, is married to the former Sharon Neal. Her mother resides in Coshocton. Lipps was graduated from Coshocton Senior High School in 1965.

Five area residents have been assigned to the same company, battalion and brigade at Ft. Knox, Ky., upon completion of basic training.

Assigned to Co. C, 13th Battalion, 4th Brigade are Pvt. Kenneth G. Braham, son of Mr. and Mrs. Edmond R. Braham of Lisbon RD 2; Pvt. Donald F. McBee, son of Mr. and Mrs. Frank C. McBee of East Liverpool RD 1; Pvt. Arnold W. McLaughlin, son of Mr. and Mrs. Lawrence M. McLaughlin of Rogers RD 1; Pvt. Raymond W. Ammon, son of Mr. and Mrs. Clarence R. Ammon of Yeager Dr., Wellsville, and Pvt. Daniel L. Morgan, son of Mr. and Mrs. Edgar L. Morgan of 1017 Hazel St.

Sgt. Gregory M. Hodak, son of Mr. and Mrs. Anthony J. Hodak of Industry RD 1, has been credited with 22 "saves" for 1967 at Tuy Hoa Air Base, Vietnam.

Hodak serves with Detachment 11 of the 38th Aerospace Rescue and Recovery Squadron as a flight engineer. In addition to air crew rescue and recovery, the detachment also serves as medical evacuation flights, in flight emergency support to the base and general base support such as visitor transport and photo missions.

Hodak was graduated from Western Beaver High School in 1965.

Pfc. Michael J. Carraher has concluded a 10-day delay en route from Ft. Benning, Ga., to Ft. Dix, N.J. He will leave Ft. Dix for Frankfurt, Germany, where he will report to 3rd Infantry Division headquarters for further reassignment.

Pfc. Carraher is the son of Mr. and Mrs. J. R. Carraher of 704 Aben Ave., Wellsville. He was graduated from Wellsville High School in 1966 and attended Ohio State University before enlisting in the Army in January 1967.

Air Force Sgt. Gregory M. Hodak, son of Mr. and Mrs. Anthony J. Hodak of Industry RD 1, is a member of Detachment 11 of the 38th Aerospace Rescue and Recovery Squadron at Tuy Hoa Air Base, Vietnam, a unit credited with 22 "saving" missions in 1967.

Sgt. Hodak serves as flight engineer for the detachment, whose job includes air crew rescue and recovery, medical evacuation flights, in-flight emergencies support to the base and general base support such as visitor transport and photo missions.

He is a 1965 graduate of Western Beaver High School.

Army Spec. 4 Charles E. Davis, 19, son of Mr. and Mrs. Charles E. Davis of 804 Main St., Wellsville, is serving as an infantryman with Troop 1, 3rd Squadron of the 6th Armored Cavalry Regiment at Ft. Meade, Md.

Army Spec. 5 John S. Cornell, 21, son of Mr. and Mrs. John Cornell Jr. of 600 Belmar St., and Army Spec. 4 Edward G. Morgan, 20, son of Mr. and Mrs. Joseph C. Morgan of Salineville RD 2, are undergoing intensive field training with the 4th Armored Division near Hohenfels, Germany.

Cornell is a personnel clerk with Co. C, 1st Battalion of the divisions 35th Armor near Erlangen; Morgan is a tank crewman in Co. A of the battalion.

Pvts. Jim Francis and Terry Blythe are undergoing a five-month course in radio code schooling at Ft. Devon, Mass., following basic training at Ft. Dix, N. J.

Francis is a son of Mr. and Mrs. Robert Francis of 1912 Lisbon St. and Blythe a son of Mrs. Lawrence Blythe of 916 W. Fairview St. and the late Lawrence W. Blythe.

They were graduated from East Liverpool High School in 1967 and joined the service in October under the "buddy system."

George Richard Craft Jr., son of Mr. and Mrs. George Craft of 2204 Richardson Ave., has been promoted to sergeant pay-grade E-5 while serving with the 25th Infantry Division at CuChi, Vietnam. He has been stationed at CuChi since July 1967.

His wife, Mrs. George (Jacqueline Hopper) Craft, is the daughter of Mr. and Mrs. John W. Hopper of 7th Ave., LaCroft, with whom she is residing until her husband's return in April.

Fireman App. Randy A. Heddleston, son of Mrs. Esther L. Heddleston of 665 Lincoln Ave., is serving aboard the command communications ship USS Wright, following a five-week repair period at the Norfolk shipyard. Norfolk is the ships home port.

Court Orders Man's Arrest

Obviously angered by the defendant's failure to appear, Municipal Judge Samuel M. Chertoff today ordered forfeiture of $715 in bonds posted by a Midland area man and issued a bench warrant for his arrest on charges of driving while intoxicated and leaving the scene of an accident.

The judge acted in the case of Daner Dean Adkins, 48, of Industry RD 2, who was due for a hearing this morning on charges filed by police as the aftermath of two traffic mishaps the night of Jan. 19.

The court forfeited a $507.50 bond posted by Adkins on the drunk driving charge and another $207.50 posted to guarantee his appearance on the hit-skip count.

The judge instructed Solicitor J. Michael Kapp to notify the Midland and Industry police departments that bench warrants have been issued for Adkins.

"If this man is convicted, this will be one of the most expensive drunken driving cases on record," the judge commented from the bench. The judge said he expects to fine Adkins an amount equal to the two forfeited bonds "plus a jail sentence."

Adkins originally had been scheduled for trial last Friday. But he told the court at that time he had been ill for five days and unable to obtain an attorney. The judge then commented that he would grant a continuance, but only "reluctantly," to allow Adkins to contact an attorney.

Area Resident Injured In Fall

An Irondale area woman injured in a fall on ice at home Tuesday was admitted to City Hospital, where three others were treated.

Mrs. Robert Thomas of Irondale RD 1 is in "fair" condition with a fractured right ankle sustained in the fall.

Treated were Mrs. Robert Powell of 636 Henry Ave., Wellsville, a right eye area injury on the corner of a cabinet; Rosemary Kean, daughter of Bernard Kean of Salineville RD 1, first and second degree scalds of the right rib area while playing near a washing machine at home, and Helen Louise Wilson of 727 Rigby St., employed by the Potters Supply Co., a laceration of the right index finger.

Baroness Claimed

IVER, England (AP) — Baroness de Stoeckl, a writer and aristocrat who spent the first half of her life in the Russian imperial court, died Tuesday. Baroness Stoeckl, 94, became a writer at the age of 78 and published her memoirs, "Not All Vanity."

Oak Glen Play Set

Judy Porter and Frank Pearson are set to perform along with 21 other Oak Glen High School students in the musical comedy, "Good News," to be staged at the school's Little Theatre beginning tonight.

The musical, directed by Harry West and James Buracchio, musical supervisor, will continue through Saturday night. Curtain time is 8 o'clock.

"Good News" portrays Tait College, a school where football holds a position of greater imprtance than the curriculum. Tom Marlowe, played by Kim Carpenter, is captain of the football team.

Robust tunes in the college spirit maintain a "rah-rah" atmosphere throughout the production. Several dance routines are included in the show. One of the big numbers is done to the popular strains of ""The Varsity Drag."

Christina Abrams is student director. Shari Barnhart designed the sets and costumes. John Murray supervised construction of the sets. Kenneth Mercer is ticket manager.

Miss Jo Bonessi is supervising make-up and costumes.

New Trial Dates Slated For Pair Linked To Theft

Municipal Judge Samuel M. Chertoff today granted a continuance until next Tuesday in the trial of two Glenmoor area youths facing charges in connection with the theft of a pair of bucket seats from an auto on the City Hospital parking lot Thursday night.

Robert Means, 18, of the Y. & O. Rd. appeared for a hearing this morning on the misdemeanor charge of receiving stolen property, but the court granted a continuance to allow the defendant's parents time to obtain an attorney.

Police advised the court that the second defendant, Thomas Taylor, 19, of Yeager Dr., still is a patient at City Hospital.

Means and Taylor were taken into custody Friday by Patrolmen Orin C. Smith and K. J. Montgomery, charged with "receiving" the two seats stolen from the auto of Clevie J. Pitts of Wellsville RD 1. Pitts told police the seats were stolen in a 90-minute interval Thursday night.

2 Charges Approved By Jurors In Beaver

Charges of malicious mischief against Joseph Walker of Georgetown and assault with intent to ravish against George Larkins of Industry RD 1 were approved Tuesday by the Beaver County Grand Jury.

The jury dismissed a charge of statuatory rape against Larkins. The jury approved 14 bills and dismissed 5.

Barbara Fuderich of Midland and Mary J. Crossland were among area residents called for possible service on the panel.

Communist China ranks first in world population, followed by India, the Soviet Union and the United States in that order.

Hull Receives Trustee Post

LISBON — John F. Hull of Lisbon RD 1 was appointed Wayne Township trustee Tuesday to serve the four-year term to which the late Earl Glendenning was elected Nov. 7.

Hull is a farmer and school bus driver for Southern Local School District. A lifetime resident of the township, he resides on Route 164 at Gavers.

Mr. Glendenning, who retired last August from the Crucible Steel Co., died Nov. 22.

The three Columbiana County court judges — J. L. MacDonald of Southwest, Edward Greenamyer of Northwest and D. Barry Dickson of Eastern — made the appointment at a meeting here. There were six apolicants.

By statute, the county court judges became responsible for filling the vacancy when the trustees failed to name a successor to Mr. Glendenning within 30 days.

The other trustees are Donald Burton of Route 164, south of Gavers, and Clyde Kidder of Ewing Rd., southeast of Gavers.

Arraignment Deferred For Six In Raid

Arraignment was deferred this morning at Wheeling for six persons indicted by a federal grand jury as the aftermath of a raid on the Red Dog in the Hancock County "Strip."

U. S. Judge Robert E. Maxwell acted on a motion by defense attorneys, who were given until Feb. 6 to file motions in district court.

The indicted include Vincent and Joseph Pecora of Chester and Benny Phillips of New Cumberland, charged variously on 16 counts of "cutting" whisky. In addition, Vincent Pecora is charged on two counts of filing a fraudulent statement with the Internal Revenue Service.

Three others were indicted on charges of traveling interstate to promote gambling.

Three who were indicted after a raid the same November night on the Lantern Inn near Waterford Park race track were to receive hearings this afternoon.

Membership in the Daughters of the American Revolution is based on direct lineal descent from a soldier, or patriot, who assisted in achieving American independence during the period of the Revolutionary War.

Grant Approved

Congressman Frank Clark has announced at Washington that a grant of $270,000 has been approved for sewage facilities in Industry Borough. The money will be used for the extension of the existing water system and its maintenance.

News Of Area Residents In Armed Forces

Tech. Sgt. Thomas G. Lipps, son of Mr. and Mrs. Doy G. Lipps of Coshocton and son-in-law of Robert Neal of 612 Monroe St., has received an Air Force communications service certificate of exemplary service at the Da Nang air base in Vietnam.

Lipps, an air traffic controller, "was recognized for alertness and judgment" which enabled two flights of Marine F-4 Phantoms to land safely on the DaNang flight line within seconds of each other when both had little fuel remaining. The aircraft had been forced to divert to DaNang when their carrier in the Gulf of Tonkin became obscured by bad weather.

Because the jets were low on fuel, it was necessary for Lipps and another air traffic controller on duty to clear the runway as quickly as possible and make preparations for minimum interval landings. They guided the aircraft through several minor course changes to assure effective spacing. The recovery operation was made more difficult because rain showers were covering about 60 per cent of the approach area.

Lipps, who is assigned to the 1972nd Communications Squadron at the base, is married to the former Sharon Neal. Her mother resides in Coshocton. Lipps was graduated from Coshocton Senior High School in 1965.

Five area residents have been assigned to the same company, battalion and brigade at Ft. Knox, Ky., upon completion of basic training.

Assigned to Co. C, 13th Battalion, 4th Brigade are Pvt. Kenneth G. Braham, son of Mr. and Mrs. Edmond R. Braham of Lisbon RD 2; Pvt. Donald F. McBee, son of Mr. and Mrs. Frank C. McBee of East Liverpool RD 1; Pvt. Arnold W. McLaughlin, son of Mr. and Mrs. Lawrence M. McLaughlin of Rogers RD 1; Pvt. Raymond W. Ammon, son of Mr. and Mrs. Clarence R. Ammon of Yeager Dr., Wellsville, and Pvt. Daniel L. Morgan, son of Mr. and Mrs. Edgar L. Morgan of 1017 Hazel St.

Sgt. Gregory M. Hodak, son of Mr. and Mrs. Anthony J. Hodak of Industry RD 1, has been credited with 22 "saves" for 1967 at Tuy Hoa Air Base, Vietnam.

Hodak serves with Detachment 11 of the 38th Aerospace Rescue and Recovery Squadron as a flight engineer. In addition to air crew rescue and recovery, the detachment also serves as medical evacuation flights, in flight emergency support to the base and general base support such as visitor transport and photo missions.

Hodak was graduated from Western Beaver High School in 1965.

Pfc. Michael J. Carraher has concluded a 10-day delay en route from Ft. Benning, Ga., to Ft. Dix, N.J. He will leave Ft. Dix for Frankfurt, Germany, where he will report to 3rd Infantry Division headquarters for further reassignment.

Pfc. Carraher is the son of Mr. and Mrs. J. R. Carraher of 704 Aten Ave., Wellsville. He was graduated from Wellsville High School in 1966 and attended Ohio State University before enlisting in the Army in January 1967.

Air Force Sgt. Gregory M. Hodak, son of Mr. and Mrs. Anthony J. Hodak of Industry RD 1, is a member of Detachment 11 of the 38th Aerospace Rescue and Recovery Squadron at Tuy Hoa Air Base, Vietnam, a unit credited with 22 "saving" missions in 1967.

Sgt. Hodak serves as flight engineer for the detachment, whose job includes air crew rescue and recovery, medical evacuation flights, in-flight emergencies support to the base and general base support such as visitor transport and photo missions.

He is a 1965 graduate of Western Beaver High School.

Army Spec. 4 Charles E. Davis, 19, son of Mr. and Mrs. Charles E. Davis of 804 Main St., Wellsville, is serving as an infantryman with Troop 1, 3rd Squadron of the 6th Armored Cavalry Regiment at Ft. Meade, Md.

Army Spec. 5 John S. Cornell, 21, son of Mr. and Mrs. John Cornell Jr. of 600 Belmar St., and Army Spec. 4 Edward G. Morgan, 20, son of Mr. and Mrs. Joseph C. Morgan of Salineville RD 2, are undergoing intensive field training with the 4th Armored Division near Hohenfels, Germany.

Cornell is a personnel clerk with Co. C, 1st Battalion of the divisions 35th Armor near Erlangen; Morgan is a tank crewman in Co. A of the battalion.

Pvts. Jim Francis and Terry Blythe are undergoing a five-month course in radio code schooling at Ft. Devon, Mass., following basic training at Ft. Dix, N. J.

Francis is a son of Mr. and Mrs. Robert Francis of 1912 Lisbon St. and Blythe a son of Mrs. Lawrence Blythe of 916 W. Fairview St. and the late Lawrence W. Blythe.

They were graduated from East Liverpool High School in 1967 and joined the service in October under the "buddy system."

George Richard Craft Jr., son of Mr. and Mrs. George Craft of 2204 Richardson Ave., has been promoted to sergeant paygrade E-5 while serving with the 25th Infantry Division at CuChi, Vietnam. He has been stationed at CuChi since July 1967.

His wife, Mrs. George (Jacqueline Hopper) Craft, is the daughter of Mr. and Mrs. John W. Hopper of 7th Ave., LaCroft, with whom she is residing until her husband's return in April.

Fireman App. Randy A. Heddleston, son of Mrs. Esther L. Heddleston of 665 Lincoln Ave., is serving aboard the command communications ship USS Wright, following a five-week repair period at the Norfolk shipyard. Norfolk is the ships home port.

Northern Panhandle Shriners Will Install

Officers will be installed when the Northern Panhandle Shrine Club meets Thursday at 8 p.m. at the Weirton Lions Club on Williams Dr.

Rand B. Bumgarner, illustrious potentate of Osiris Temple, Wheeling, will induct the following: Wallace R. Allen, president; Alexander W. Jurvic, first vice president; Harry E. DeLong, second vice president; Edmund F. Robinson, secretary-treasurer, and Mick Morris, assistant secretary-treasurer.

A movie will be screened and refreshments served.

Court Orders Man's Arrest

Obviously angered by the defendant's failure to appear, Municipal Judge Samuel M. Chertoff today ordered forfeiture of $715 in bonds posted by a Midland area man and issued a bench warrant for his arrest on charges of driving while intoxicated and leaving the scene of an accident.

The judge acted in the case of Daner Dean Adkins, 48, of Industry RD 2, who was due for a hearing this morning on charges filed by police as the aftermath of two traffic mishaps the night of Jan. 19.

The court forfeited a $507.50 bond posted by Adkins on the drunk driving charge and another $207.50 posted to guarantee his appearance on the hit-skip count.

The judge instructed Solicitor J. Michael Kapp to notify the Midland and Industry police departments that bench warrants have been issued for Adkins.

"If this man is convicted, this will be one of the most expensive drunken driving cases on record," the judge commented from the bench. The judge said he expects to fine Adkins an amount equal to the two forfeited bonds "plus a jail sentence."

Adkins originally had been scheduled for trial last Friday. But he told the court at that time he had been ill for five days and unable to obtain an attorney. The judge then commented that he would grant a continuance, but only "reluctantly," to allow Adkins to contact an attorney.

Area Resident Injured In Fall

An Irondale area woman injured in a fall on ice at home Tuesday was admitted to City Hospital, where three others were treated.

Mrs. Robert Thomas of Irondale RD 1 is in "fair" condition with a fractured right ankle sustained in the fall.

Treated were Mrs. Robert Powell of 636 Henry Ave., Wellsville, a right eye area injury on the corner of a cabinet; Rosemary Kean, daughter of Bernard Kean of Salineville RD 1, first and second degree scalds of the right rib area while playing near a washing machine at home, and Helen Louise Wilson of 727 Rigby St., employed by the Potters Supply Co., a laceration of the right index finger.

Baroness Claimed

IVER, England (AP) — Baroness de Stoeckl, a writer and aristocrat who spent the first half of her life in the Russian imperial court, died Tuesday. Baroness Stoeckl, 94, became a writer at the age of 78 and published her memoirs, "Not All Vanity."

Oak Glen Play Set

Judy Porter and Frank Pearson are set to perform along with 21 other Oak Glen High School students in the musical comedy, "Good News," to be staged at the school's Little Theatre beginning tonight.

The musical, directed by Harry West and James Buracchio, musical supervisor, will continue through Saturday night. Curtain time is 8 o'clock.

"Good News" portrays Tait College, a school where football holds a position of greater imprtance than the curriculum. Tom Marlowe, played by Kim Carpenter, is captain of the football team.

Robust tunes in the college spirit maintain a "rah-rah" atmosphere throughout the production. Several dance routines are included in the show. One of the big numbers is done to the popular strains of "The Varsity Drag."

Christina Abrams is student director. Shari Barnhart designed the sets and costumes. John Murray supervised construction of the sets. Kenneth Mercer is ticket manager.

Miss Jo Bonessi is supervising make-up and costumes.

New Trial Dates Slated For Pair Linked To Theft

Municipal Judge Samuel M. Chertoff today granted a continuance until next Tuesday in the trial of two Glenmoor area youths facing charges in connection with the theft of a pair of bucket seats from an auto on the City Hospital parking lot Thursday night.

Robert Means, 18, of the Y. & O. Rd. appeared for a hearing this morning on the misdemeanor charge of receiving stolen property, but the court granted a continuance to allow the defendant's parents time to obtain an attorney.

Police advised the court that the second defendant, Thomas Taylor, 19, of Yeager Dr., still is a patient at City Hospital.

Means and Taylor were taken into custody Friday by Patrolmen Orin C. Smith and K. J. Montgomery, charged with "receiving" the two seats stolen from the auto of Clevie J. Pitts of Wellsville RD 1. Pitts told police the seats were stolen in a 90-minute interval Thursday night.

2 Charges Approved By Jurors In Beaver

Charges of malicious mischief against Joseph Walker of Georgetown and assault with intent to ravish against George Larkins of Industry RD 1 were approved Tuesday by the Beaver County Grand Jury.

The jury dismissed a charge of statuatory rape against Larkins. The jury approved 14 bills and dismissed 5.

Barbara Fuderich of Midland and Mary J. Crossland were among area residents called for possible service on the panel.

Communist China ranks first in world population, followed by India, the Soviet Union and the United States in that order.

Hull Receives Trustee Post

LISBON — John F. Hull of Lisbon RD 1 was appointed Wayne Township trustee Tuesday to serve the four-year term to which the late Earl Glendenning was elected Nov. 7.

Hull is a farmer and school bus driver for Southern Local School District. A lifetime resident of the township, he resides on Route 164 at Gavers.

Mr. Glendenning, who retired last August from the Crucible Steel Co., died Nov. 22.

The three Columbiana County court judges — J. L. MacDonald of Southwest, Edward Greenamyer of Northwest and D. Barry Dickson of Eastern—made the appointment at a meeting here. There were six applicants.

By statute, the county court judges became responsible for filling the vacancy when the trustees failed to name a successor to Mr. Glendenning within 30 days.

The other trustees are Donald Burton of Route 164, south of Gavers, and Clyde Kidder of Ewing Rd., southeast of Gavers.

Salem Hospital Reports $2 Million Costs In 1967

SALEM — Cost of operating Salem City Hospital amounted to $2,188,266 during 1967 — a rise of nearly 10 per cent over 1966 — it was reported at a meeting of the hospital association Monday.

The budget for 1968 has been designed for an approximate 7 per cent increase in expenditures, the bulk going for wage increases, authorities said.

Milton E. Steiner was elected president at the annual meeting, succeeding South Metzger who had been president for 30 years. Metzger was made honorary chairman of the board.

Steiner is office manager for the Eljer Co. plant at Salem, past president of Rotary and former treasurer of the Salem Industrial Development Corp.

—:—

OTHERS ELECTED were J. E. Bauknecht of East Palestine, first vice president; Curtis Vaughn, secretary; Miss Katherine Gibson, treasurer, and L. H. Colley, treasurer.

New trustees appointed were C. W. Furney of Columbiana, Raymond Lowry of Salem and Dr. Lee Bookwalter of Columbiana.

R. F. Rice, administrator, reported admissions last year declined, but the length of stay of the average patient increased.

According to Rice, 7,554 persons were admitted (93 less than in 1966), with their combined days in the hospital totaling 48,176 — an increase of 584 days over the previous year.

With the 130 medical - surgical beds being occupied at an average of 87 per cent of capacity for the 12 months, Rice explained no major census increase can be anticipated without additional beds and facilities.

As things now stand, he added, at peak periods of the year, beds must be placed in halls to maintain the 87 per cent capacity average — an "undesired" situation.

—:—

LARGEST INCREASE in length of stay at the hospital during 1967 was found among those in the above - 65 age bracket, who averaged 11.62 days an admission. In 1966 the average had been 10.4 days.

Meanwhile, the average stay of adults under 65 dropped from 6.76 the previous year to 6.4 days. An increase from 3.66 days to 3.86 days was indicated among pediatric admissions.

While ntaional statistics indicate the rate of births was down approximately 20 per cent in 1967, Rice said, births at Salem City Hospital increased by five to a total of 781

The Salem City Hospital School of Radiologic Technology was established, and five students began a two - year course in 1967. Also established was the hospital's School of Anesthesia for Nurses, which enrolled three students.

The Hannah E. Mullins School of Practical Nursing accepted 44 applicants last year, 39 of whom graduated and passed state board exams.

—:—

A CONTRACT was completed with the U.S. Department of Health for a 200-bed disaster hospital, and training programs in connection with the facility will begin early this year.

Projects started in 1967 but not yet completed include development of an intensive care unit and an obstetrical recovery room, as well as conversion of the telephone system to automatic dialing.

In July a computer was installed, and in following months the payroll and subsidiary systems and inpatient posting and billing were converted for its use.

Expenditures for replacing equipment or purchasing new items totaled $55,379 in 1967, while $12,186 was spent on building improvements.

4 New Members Are Enrolled By Wellsville Post

Four new members were enrolled when American Legion Post 70 met Monday night at Wellsville. They are Earl Allen, James Bright, Jack Chapman and Tom Walker.

Ken Hoover, second vice commander, said the Ohio Bell Telephone Co. employe banquet will be held at the post home Thursday. Friday, employes of the Ohio Edison Co. and their wives will be using the post home for a dinner.

Saturday, a round and square dance will be held, with the Country Swingers of Ellwood City playing.

Sam Maylone, finance officer and Third Division officer of the 10th District, submitted the financial report. George Wilkins, chaplain, also reported.

Awards will be presented by James Cregar, 10th District commander, to Team 1 for district bowling competition.

Jerome Gitschier, commander, announcced a special program on WBNS, Columbus television, Sunday at noon, which will open the annual American Legion of Ohio Religious Emphasis program in support of religion in the American way of life.

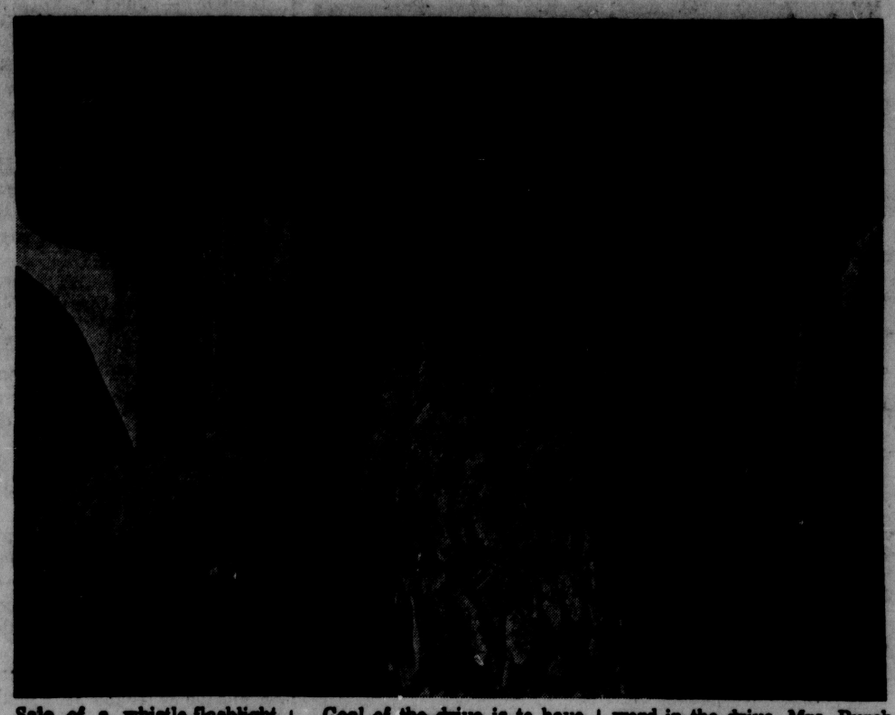
Entitled "Service to God and Country," with a theme of "Freedom is Not Free," it marks the 25th anniversary of the sinking of the troopship USS Dorchester in the North Atlantic during World War II. Four Army chaplains of different faiths distributed all the life preservers, then linked arms and went down with the ship, becoming four of 600 who perished.

Speakers will be William E. Galbraith of Beemer, Neb., national commander; the Rev. Kenneth S. Learey, executive secretary of the Ohio Methodist Conference Board of trustees, and the Rev. Fr. John D. Kempf of St. Gabriel's Catholic Church of Columbus. The High Seas, a glee club of NROTC students of Ohio State University and directed by Midshipman George H. Mihaly will perform.

The next meeting will be Moonday at 8 p. m.

The term racketeer traces its origin to England in the 17th century, where pickpockets would start a racket or noise on the street in order to attract a crowd of victims.

Safety Campaign Started



Sale of a whistle-flashlight key ring as a means of emergency protection for residents has been started by the Newell Junior Women's Club as a safety project.

Mrs. Marge Beckner, co-chairman of the project, is shown with Justice of the Peace Lloyd Nalley, left, and Constable Carl Durham, with the devices.

Mrs. Betty Burch, safety chairman, said the campaign, "Vigilantes," has the endorsement of law enforcement officials.

Goal of the drive is to have every woman and girl in the area to own one of the devices and to educate everyone how to respond to the whistle.

Mrs. Burch said anyone hearing the shrill sound is urged to turn on porch or house lights, notify police and to take whatever other action is necessary.

The project is designed to protect residents and also to reduce the opportunity for crime by deterring criminals.

"Involvement" is a key word in the drive, Mrs. Burch said. "In our rapidly-moving society, it is easy for people to say they don't want to become involved, turning away and closing their eyes to what is going on in their block. We are trying to do something about this. For this program to be effective, it must involve every resident."

The devices may be purchased from club members. Proceeds will be used for community projects of the club, Mrs. Beckner said.

Rush Awaited In Filings For May Primary

Although the deadline falls a week from today, only 18 candidates have entered to date with the County Election Board for Courthouse and state senatorial offices for which nominees will be chosen in May 7 party primaries.

A last-minute rush is shaping up before the deadline next Wednesday at 4 p. m. Republicans and Democrats will nominate candidates for 10 Courthouse posts — Common Pleas Court judge, two commissioners, treasurer, prosecuting attorney, clerk of courts, sheriff, coroner, recorder and engineer.

Incumbents have filed for new terms in virtually every case. Aspirants also have filed for state senator and state representative.

The congressional district reapportionment approved Monday by a federal court at Cleveland allows some candidates until Feb. 19 to file. But the extension applies only to aspirants for U. S. Congress, the state central committees of the two parties and the delegates and alternates to the GOP and Democratic national conventions. All others must meet the deadline next Wednesday.

Because it is in the "most populous" county in both the congressional and state senatorial districts, the Columbiana County board receives the filings of candidates for both districts.

In Answer To Charges

Chester's Kiwanis Club Reviews Varied Service

In answer to charges that arose during Council's last meeting, the Chester Kiwanis Club today reviewed its record of community achievement.

The Council exchange was touched off when the legislators voted to charge a monthly rental for the club's use of the City Hall auditorium at its weekly meetings. The Kiwanis statement, in reply, follows:

"To the people of our community.

"The Kiwanis Club of Chester has always endeavored to assist in the development of Chester. Our motto is 'We Build.' We have contributed a monthly rental for the City Hall and, whenever possible, have financially contributed to any worthy cause whenever we have been asked to do so. We have conducted the 'March of Dimes' with the help of the Oak Glen Key Club, which we sponsor.

"We recently were contacted, in the proper manner, for a contribution toward the new street signs for Chester. This we agreed to do and were advised that we would be contacted in due time as to the amount. We never have been contacted since that time. We have given financial support before in a similar request for other street signs.

"The Kiwanis Club purchased the refrigerator for the City Hall kitchen, the dishes, the chairs and the tables. All these can be used by others, for which we ask no rental. We have come to the aid of needy families in Chester and ask no recognition. The annual pancake supper each fall is enjoyed by all who come and the entire net proceeds are used for 'Dollars For Scholars.'

"The Kiwanis is not just a local club, it is an international organization and as such it could not have survived unless it was an organization that served a good purpose. Any requests properly presented to the club will receive prompt attention. Business, as such, should be brought before the club in a businesslike manner."

Riggs Luncheon Speaker

Rotary Club Gets History Of Mary Patterson Home

The history and primary objectives of Mary Patterson Memorial on E. 4th St. were reviewed by James Riggs at Tuesday's luncheon meeting of the Rotary Club in the Travelers Hotel.

Riggs is a member of Rotary and a member of the board of directors of the memorial home.

—:—

RIGGS SAID the idea was conceived in 1921 by Monroe Patterson after his wife's death that year. The death of his own children in infancy had imbued Mr. Patterson with a deep interest in the youth of the community and spurred his idea for a home for working girls here.

Mr. Patterson was born in Lawrence County, Ohio, and at an early age taught in Ironton. After his family moved to East Liverpool, he built a foundry, first at Walnut and E. 4th Sts., then later at Walnut and E. 2nd and finally at Walnut and E. 6th Sts. The first foundry was constructed in 1899.

Through his business ventures, he amassed a considerable fortune which provided funds for the memorial project.

Papers of incorporation were filed Jan. 18, 1924, and construction began.

It generally is believed Riggs recalled, that the hard work and long hours spent that year on the building contributed to Mr. Patterson's death. He contracted pneumonia and died Nov. 22, 1924.

Mr. Patterson made provisions in his will to see that the structure was finished, and construction was completed in 1925. The new facility lay idle, however, until 1932, since the swimming pool was not finished and there was no elevator installed. These items held up acceptance by the board of directors after work was finished.

—:—

FINALLY, in 1932, the project was launched with 40 bedrooms, a lounge and writing rooms opened. Mrs. Will Reed was the first secretary.

The building, 84 feet by 124 feet, was erected at a cost of $315,000. It contains four floors and is capable, Riggs said, of housing about 100 women. The swimming pool, which was operated only for a short period, lies dormant in the basement.

The elevator was installed last year, Riggs pointed out, with funds derived from a bequest contained in the will of the late William Louthan. He donated the money for the facility in memory of his wife, who assisted in details of the installation. The shaft already was there, since Patterson had it installed in the original structure hoping to provide an elevator upon completion. But the work then was never done.

Art Doak presently is building chairman. The structure now derives funds only from its tenants and the operations for which it rents its first floor—Red Cross, Auto Club, Cerebral Palsy Clinic and Child Counseling Center.

The funds have provided for successful maintenance over the years, Riggs noted, adding the project definitely is a nonprofit operation.

Room rentals range from $7 to $14 a week. A board of directors of 25 administers the home.

Thirty - nine attended Tuesday's meeting. Frank C. Dawson is president.

Proceedings Of The Court

Common Pleas

NEW ENTRIES

In the matter of the appropriation by State Highway Department of lands of William E. Stoll, et al, for Route 11; property owners Willard E. and Helen Stoll are authorized to withdraw $27,490, being the balance of the money deposited by the director of highways, and also the $100 appeal bond the land owners posted; clerk is ordered to turn over said monies to land owners.

Health Board At Wellsville Has Election

All officers of the Wellsville Board of Health were returned during the annual reorganization Tuesday night at City Hall.

Re-elected were Pete Chefalo, president; Ottis C. Weekly, vice president; Nick Puch, clerk and registrar, and Ike Crawford, food service clerk.

Other members of the board are Sam Maylone and Frank DeLonzo. Another member, John Minor, died recently. Mayor William Daugherty is expected to name a replacement soon.

Safety-Service Director Fred Baldasare discussed conditions in general throughout the city. Reports were heard from the sanitary officer, food service clerk and Mrs. Jean Tipton, school nurse.

Dorhman Thrasher, dog warden, said 23 strays were destroyed last month.

Regular meetings will be held the last Tuesday of each month at 7 p. m. at City Hall.

Trucker, 22, Unhurt As Tanker Overturns

Jerry E. Childress, 22, of the Holiday Motel, Lisbon escaped injury Tuesday when his oil-laden tanker truck overturned along Route 30 west of Lisbon, the Ohio Highway Patrol at Lisbon reported.

Childress was headed east about 400 feet from Route 172 when the rig went off the right side and overturned. Officers said none of the load spilled.

QUESTION — "Do people actually make donations to specific charities when "Please Omit Flowers" requests are published?"

ANSWER—Surveys have shown that embarrassingly few people really contribute to specific charities. Most people prefer the privilege of sending flowers as their personal representatives.

Salem Hospital Reports $2 Million Costs In 1967

SALEM — Cost of operating Salem City Hospital amounted to $2,188,266 during 1967 — a rise of nearly 10 per cent over 1966 — it was reported at a meeting of the hospital association Monday.

The budget for 1968 has been designed for an approximate 7 per cent increase in expenditures, the bulk going for wage increases, authorities said.

Milton E. Steiner was elected president at the annual meeting, succeeding South Metzger who had been president for 30 years. Metzger was made honorary chairman of the board.

Steiner is office manager for the Eljer Co. plant at Salem, past president of Rotary and former treasurer of the Salem Industrial Development Corp.

—:—

OTHERS ELECTED were J. E. Bauknecht of East Palestine, first vice president; Curtis Vaughn, secretary; Miss Katherine Gibson, treasurer, and L. H. Colley, treasurer.

New trustees appointed were C. W. Furney of Columbiana, Raymond Lowry of Salem and Dr. Lee Bookwalter of Columbiana.

R. F. Rice, administrator, reported admissions last year declined, but the length of stay of the average patient increased.

According to Rice, 7,554 persons were admitted (93 less than in 1966), with their combined days in the hospital totaling 48,176 — an increase of 584 days over the previous year.

With the 130 medical - surgical beds being occupied at an average of 87 per cent of capacity for the 12 months, Rice explained no major census increase can be anticipated without additional beds and facilities.

As things now stand, he added, at peak periods of the year, beds must be placed in halls to maintain the 87 per cent capacity average — an "undesired" situation.

—:—

LARGEST INCREASE in length of stay at the hospital during 1967 was found among those in the above - 65 age bracket, who averaged 11.62 days an admission. In 1966 the average had been 10.4 days.

Meanwhile, the average stay of adults under 65 dropped from 6.76 the previous year to 6.4 days. An increase from 3.66 days to 3.86 days was indicated among pediatric admissions.

While ntaional statistics indicate the rate of births was down approximately 20 per cent in 1967, Rice said, births at Salem City Hospital increased by five to a total of 781

The Salem City Hospital School of Radiologic Technology was established, and five students began a two - year course in 1967. Also established was the hospital's School of Anesthesia for Nurses, which enrolled three students.

The Hannah E. Mullins School of Practical Nursing accepted 44 applicants last year, 39 of whom graduated and passed state board exams.

—:—

A CONTRACT was completed with the U.S. Department of Health for a 200-bed disaster hospital, and training programs in connection with the facility will begin early this year.

Projects started in 1967 but not yet completed include development of an intensive care unit and an obstetrical recovery room, as well as conversion of the telephone system to automatic dialing.

In July a computer was installed, and in following months the payroll and subsidiary systems and inpatient posting and billing were converted for its use.

Expenditures for replacing equipment or purchasing new items totaled $55,379 in 1967, while $12,186 was spent on building improvements.

4 New Members Are Enrolled By Wellsville Post

Four new members were enrolled when American Legion Post 70 met Monday night at Wellsville. They are Earl Allen, James Bright, Jack Chapman and Tom Walker.

Ken Hoover, second vice commander, said the Ohio Bell Telephone Co. employe banquet will be held at the post home Thursday. Friday, employes of the Ohio Edison Co. and their wives will be using the post home for a dinner.

Saturday, a round and square dance will be held, with the Country Swingers of Ellwood City playing.

Sam Maylone, finance officer and Third Division officer of the 10th District, submitted the financial report. George Wilkins, chaplain, also reported.

Awards will be presented by James Cregar, 10th District commander, to Team 1 for district bowling competition.

Jerome Gitschier, commander, announcced a special program on WBNS, Columbus television, Sunday at noon, which will open the annual American Legion of Ohio Religious Emphasis program in support of religion in the American way of life.

Entitled "Service to God and Country," with a theme of "Freedom is Not Free," it marks the 25th anniversary of the sinking of the troopship USS Dorchester in the North Atlantic during World War II. Four Army chaplains of different faiths distributed all the life preservers, then linked arms and went down with the ship, becoming four of 600 who perished.

Speakers will be William E. Galbraith of Beemer, Neb., national commander; the Rev. Kenneth S. Learey, executive secretary of the Ohio Methodist Conference Board of trustees, and the Rev. Fr. John D. Kempf of St. Gabriel's Catholic Church of Columbus. The High Seas, a glee club of NROTC students of Ohio State University and directed by Midshipman George H. Mihaly will perform.

The next meeting will be Moonday at 8 p. m.

The term racketeer traces its origin to England in the 17th century, where pickpockets would start a racket or noise on the street in order to attract a crowd of victims.

Safety Campaign Started

Sale of a whistle-flashlight key ring as a means of emergency protection for residents has been started by the Newell Junior Women's Club as a safety project.

Mrs. Marge Beckner, co-chairman of the project, is shown with Justice of the Peace Lloyd Nalley, left, and Constable Carl Durham, with the devices.

Mrs. Betty Burch, safety chairman, said the campaign, "Vigilantes," has the endorsement of law enforcement officials.

Goal of the drive is to have every woman and girl in the area to own one of the devices and to educate everyone how to respond to the whistle.

Mrs. Burch said anyone hearing the shrill sound is urged to turn on porch or house lights, notify police and to take whatever other action is necessary.

The project is designed to protect residents and also to reduce the opportunity for crime by deterring criminals.

"Involvement" is a key word in the drive, Mrs. Burch said. "In our rapidly-moving society, it is easy for people to say they don't want to become involved, turning away and closing their eyes to what is going on in their block. We are trying to do something about this. For this program to be effective, it must involve every resident."

The devices may be purchased from club members. Proceeds will be used for community projects of the club, Mrs. Beckner said.

Rush Awaited In Filings For May Primary

Although the deadline falls a week from today, only 18 candidates have entered to date with the County Election Board for Courthouse and state senatorial offices for which nominees will be chosen in May 7 party primaries.

A last-minute rush is shaping up before the deadline next Wednesday at 4 p. m. Republicans and Democrats will nominate candidates for 10 Courthouse posts — Common Pleas Court judge, two commissioners, treasurer, prosecuting attorney, clerk of courts, sheriff, coroner, recorder and engineer.

Incumbents have filed for new terms in virtually every case. Aspirants also have filed for state senator and state representative.

The congressional district reapportionment approved Monday by a federal court at Cleveland allows some candidates until Feb. 19 to file. But the extension applies only to aspirants for U. S. Congress, the state central committees of the two parties and the delegates and alternates to the GOP and Democratic national conventions. All others must meet the deadline next Wednesday.

Because it is in the "most populous" county in both the congressional and state senatorial districts, the Columbiana County board receives the filings of candidates for both districts.

In Answer To Charges

Chester's Kiwanis Club Reviews Varied Service

In answer to charges that arose during Council's last meeting, the Chester Kiwanis Club today reviewed its record of community achievement.

The Council exchange was touched off when the legislators voted to charge a monthly rental for the club's use of the City Hall auditorium at its weekly meetings. The Kiwanis statement, in reply, follows:

"To the people of our community.

"The Kiwanis Club of Chester has always endeavored to assist in the development of Chester. Our motto is 'We Build.' We have contributed a monthly rental for the City Hall and, whenever possible, have financially contributed to any worthy cause whenever we have been asked to do so. We have conducted the 'March of Dimes' with the help of the Oak Glen Key Club, which we sponsor.

"We recently were contacted, in the proper manner, for a contribution toward the new street signs for Chester. This we agreed to do and were advised that we would be contacted in due time as to the amount. We never have been contacted since that time. We have given financial support before in a similar request for other street signs.

"The Kiwanis Club purchased the refrigerator for the City Hall kitchen, the dishes, the chairs and the tables. All these can be used by others, for which we ask no rental. We have come to the aid of needy families in Chester and ask no recognition. The annual pancake supper each fall is enjoyed by all who come and the entire net proceeds are used for 'Dollars For Scholars.'

"The Kiwanis is not just a local club, it is an international organization and as such it could not have survived unless it was an organization that served a good purpose. Any requests properly presented to the club will receive prompt attention. Business, as such, should be brought before the club in a businesslike manner."

Riggs Luncheon Speaker

Rotary Club Gets History Of Mary Patterson Home

The history and primary objectives of Mary Patterson Memorial on E. 4th St. were reviewed by James Riggs at Tuesday's luncheon meeting of the Rotary Club in the Travelers Hotel.

Riggs is a member of Rotary and a member of the board of directors of the memorial home.

—:—

RIGGS SAID the idea was conceived in 1921 by Monroe Patterson after his wife's death that year. The death of his own children in infancy had imbued Mr. Patterson with a deep interest in the youth of the community and spurred his idea for a home for working girls here.

Mr. Patterson was born in Lawrence County, Ohio, and at an early age taught in Ironton. After his family moved to East Liverpool, he built a foundry, first at Walnut and E. 4th Sts., then later at Walnut and E. 2nd and finally at Walnut and E. 6th Sts. The first foundry was constructed in 1899.

Through his business ventures, he amassed a considerable fortune which provided funds for the memorial project.

Papers of incorporation were filed Jan. 18, 1924, and construction began.

It generally is believed Riggs recalled, that the hard work and long hours spent that year on the building contributed to Mr. Patterson's death. He contracted pneumonia and died Nov. 22, 1924.

Mr. Patterson made provisions in his will to see that the structure was finished, and construction was completed in 1925. The new facility lay idle, however, until 1932, since the swimming pool was not finished and there was no elevator installed. These items held up acceptance by the board of directors after work was finished.

—:—

FINALLY, in 1932, the project was launched with 40 bedrooms, a lounge and writing rooms opened. Mrs. Will Reed was the first secretary.

The building, 84 feet by 124 feet, was erected at a cost of $315,000. It contains four floors and is capable, Riggs said, of housing about 100 women. The swimming pool, which was operated only for a short period, lies dormant in the basement.

The elevator was installed last year, Riggs pointed out, with funds derived from a bequest contained in the will of the late William Louthan. He donated the money for the facility in memory of his wife, who assisted in details of the installation. The shaft already was there, since Patterson had it installed in the original structure hoping to provide an elevator upon completion. But the work then was never done.

Art Doak presently is building chairman. The structure now derives funds only from its tenants and the operations for which it rents its first floor—Red Cross, Auto Club, Cerebral Palsy Clinic and Child Counseling Center.

The funds have provided for successful maintenance over the years, Riggs noted, adding the project definitely is a non-profit operation.

Room rentals range from $7 to $14 a week. A board of directors of 25 administers the home.

Thirty - nine attended Tuesday's meeting. Frank C. Dawson is president.

NEW ENTRIES

In the matter of the appropriation by State Highway Department of lands of William E. Stoll, et al, for Route 11; property owners Willard E. and Helen Stoll are authorized to withdraw $27,490, being the balance of the money deposited by the director of highways, and also the $100 appeal bond the land owners posted; clerk is ordered to turn over said monies to land owners.

Health Board At Wellsville Has Election

All officers of the Wellsville Board of Health were returned during the annual reorganization Tuesday night at City Hall.

Re-elected were Pete Chefalo, president; Ottis C. Weekly, vice president; Nick Puch, clerk and registrar, and Ike Crawford, food service clerk.

Other members of the board are Sam Maylone and Frank DeLonzo. Another member, John Minor, died recently. Mayor William Daugherty is expected to name a replacement soon.

Safety-Service Director Fred Baldasare discussed conditions in general throughout the city. Reports were heard from the sanitary officer, food service clerk and Mrs. Jean Tipton, school nurse.

Dorhman Thrasher, dog warden, said 23 strays were destroyed last month.

Regular meetings will be held the last Tuesday of each month at 7 p. m. at City Hall.

Trucker, 22, Unhurt As Tanker Overturns

Jerry E. Childress, 22, of the Holiday Motel, Lisbon escaped injury Tuesday when his oil-laden tanker truck overturned along Route 30 west of Lisbon, the Ohio Highway Patrol at Lisbon reported.

Childress was headed east about 400 feet from Route 172 when the rig went off the right side and overturned. Officers said none of the load spilled.

QUESTION — "Do people actually make donations to specific charities when "Please Omit Flowers" requests are published?"

ANSWER—Surveys have shown that embarrassingly few people really contribute to specific charities. Most people prefer the privilege of sending flowers as their personal representatives.

Super Siloes

★ ★ ★ ★ ★ ★

To Guard Against Soviet Missiles

WASHINGTON (AP) — The United States will guard against any Soviet development of super-accurate missiles by building super-hard launch siloes to better shield its own multiwarhead Minuteman III intercontinental ballistic missiles.

Defense officials disclosed the move Monday as President Johnson unveiled a proposed $7.7 billion defense budget for congressional consideration.

Officials said the aim is to deprive the Soviets of any chance to come up with high-accuracy nuclear missiles good enough to knock out existing U.S. Minuteman sites.

Spokesmen said the siloes all but direct nuclear hits through additional depth, concrete and steel cover and special hardening against the effects of electromagnetic phenomena.

Exactly how many Minuteman IIIs — the multiwarhead variety—will be socked into these thickened, underground firing barrels is secret.

The President did not mention the silo project in his budget message but defense officials said their development is included in the several hundred million dollars to be spent on Minuteman in 1969.

The Minuteman III, due to come into the missile inventory about June 1970, will carry three or more nuclear bombs capable of being directed at widely separated points in enemy territory.

The United States now has 1,054 ICBMs, including 350 decoy-equipped Minutemen II, 650 single-warhead Minutemen I and 54 multimegaton, liquid-fuel Titans. The Minutemen are about one megaton and solid-fueled.

All are positioned underground with a certain amount of protection. The Pentagon wants more.

At this point, they report, the Soviets have not moved toward improving accuracy of their missiles, officials said. In fact, they said the latest Soviet SS11 ICBM is less accurate and has less nuclear punch—one megaton or so—than the earlier SS9s.

Why the Soviets should have started deploying a smaller, less-accurate missile is not clear unless, as one official observed, "they just wanted to put in additional numbers cheaply."

This would mean the soviets have given up trying to develop the highly accurate missiles needed for any attempt to strike the United States first and escape retaliation.

But U.S. officials are not ruling out the possibility the Soviets will attempt a big strategic jump by deploying highly accurate weapons. Since it takes longer to develop a super-hard silo as a countermeasure, work is being ordered now as a precaution.

Training Meeting Set For Leaders In 4-H

HANOVERTON — A training meeting for 4-H officers and advisers will be held Monday at 8 p.m. at United School.

Separate sessions are planned for presidents, vice presidents, secretaries, treasurers, recreation leaders, health and safety leaders, song leaders and devotion leaders.

The advisers will discuss methods of conducting health and safety programs in the club.

U.S. Defense Official Will Join Pitt Staff

PITTSBURGH (AP) — The University of Pittsburgh says a high - ranking Defense Department official will leave his government post to join the Pitt faculty.

Chancellor Wesley W. Posvar announced Tuesday that Solis Horwitz, assistant secretary of defense for administration, will join the Pitt staff as a professor next fall to teach national government, international security and the policy-making process.

Kenton Woman Slain During Grocery Theft

KENTON, Ohio (AP)—A Kenton woman who operated a small neighborhood grocery with her husband was found slain Tuesday, her throat slashed by an assailant during an apparent robbery.

The body of Audrey Ensminger, 39, was found in a rear room. She also had been beaten on the head.

Sheriff James Baldridge, working on the case with Police Chief Clarence Sheldon, said Tuesday night, "We're really in the dark." He said there were no signs of a struggle and no suspects had been questioned.

Her husband, Robert, 50, was delivering newspapers on his fulltime country route for the Kenton Times when the body was found at 4 p.m. by a milk deliveryman, Thomas Quay of Bellefontaine.

Quay told police the front door of the store was locked, and when he went to the rear, he saw the body through a window.

Police said the Ensmingers were not known to have kept large amounts of money on hand, probably never more than $25 at a time.

The only money left in the cash register were three dimes, a nickel and a penny.

Ex-Pittsburgh Officer Indicted In Conspiracy

PITTSBURGH (AP) — Lawrence J. Maloney, a former assistant police superintendent in Pittsburgh, has been indicted on two counts of conspiracy in a rackets payoff.

He's charged with conspiring in a $100-a-month payoff with a former patrolman and also collecting $5,000 a month from numbers writers and distributing it to his superiors.

John Paul Jones, Revolutionary sea hero, is buried at the U.S. Naval Academy, Annapolis, Md.

Wanted: A Series For Janet Leigh

There's hardly an actor left (unless it's Elizabeth Taylor) who doesn't want to do a TV series. Sure, it's a lot of work, but also a lot of money and fame come your way if it clicks.

Hal Humphrey

Janet Leigh, for example, is looking for a TV series. A few years ago she had an idea involving a chic New Yorker who falls in love with a ski instructor in Aspen, Colo., and marries him. The comedy was to evolve from her trying to adapt to living in Aspen.

-:-

"MY AGENTS and everybody else said it would't work, so I gave up," says Janet. "Then the next year along came Green Acres, which is basically the same thing, and it's a hit."

She was disappointed, but hasn't given up. The trick is to get an idea that appeals to what the program chiefs at the networks have decided is "in" at the moment.

"You get all kinds of advice," says Janet. "One expert will say, 'Don't come up with a soft show now because there are too many on already.' Then someone else tells you, 'Whatever you do, stay away from a gimmick show—they're out now.' You don't know what to do."

-:-

MEANWHILE, Janet will go on doing two or three movies a year and as many guest shots on TV as she can find that suit her. Next Monday she plays a night club singer in a Danny Thomas Hour drama titled "One for My Baby." Murder, drug addiction and a friendly cop figure in the plot.

"It's not a goody-goody-two-shoes role, and I like that," says Janet, batting her eyelashes ,which she is very good at. "That is the kind of role that draws the public's attention, and it's easier to act, too, because you can go away out with it, and that's fun."

Super Siloes

★ ★ ★ ★ ★ ★

To Guard Against Soviet Missiles

WASHINGTON (AP) — The United States will guard against any Soviet development of super-accurate missiles by building super-hard launch siloes to better shield its own multiwarhead Minuteman III intercontinental ballistic missiles.

Defense officials disclosed the move Monday as President Johnson unveiled a proposed $7.7 billion defense budget for congressional consideration.

Officials said the aim is to deprive the Soviets of any chance to come up with high-accuracy nuclear missiles good enough to knock out existing U.S. Minuteman sites.

Spokesmen said the siloes all but direct nuclear hits through additional depth, concrete and steel cover and special hardening against the effects of electromagnetic phenomena.

Exactly how many Minuteman IIIs — the multiwarhead variety—will be socked into these thickened, underground firing barrels is secret.

The President did not mention the silo project in his budget message but defense officials said their development is included in the several hundred million dollars to be spent on Minuteman in 1969.

The Minuteman III, due to come into the missile inventory about June 1970, will carry three or more nuclear bombs capable of being directed at widely separated points in enemy territory.

The United States now has 1,054 ICBMs, including 350 decoy-equipped Minutemen II, 650 single-warhead Minutemen I and 54 multimegaton, liquid-fuel Titans. The Minutemen are about one megaton and solid-fueled.

All are positioned underground with a certain amount of protection. The Pentagon wants more.

At this point, they report, the Soviets have not moved toward improving accuracy of their missiles, officials said. In fact, they said the latest Soviet SS11 ICBM is less accurate and has less nuclear punch—one megaton or so—than the earlier SS9s.

Why the Soviets should have started deploying a smaller, less-accurate missile is not clear unless, as one official observed, "they just wanted to put in additional numbers cheaply."

This would mean the soviets have given up trying to develop the highly accurate missiles needed for any attempt to strike the United States first and escape retaliation.

But U.S. officials are not ruling out the possibility the Soviets will attempt a big strategic jump by deploying highly accurate weapons. Since it takes longer to develop a super-hard silo as a countermeasure, work is being ordered now as a precaution.

Training Meeting Set For Leaders In 4-H

HANOVERTON — A training meeting for 4-H officers and advisers will be held Monday at 8 p.m. at United School.

Separate sessions are planned for presidents, vice presidents, secretaries, treasurers, recreation leaders, health and safety leaders, song leaders and devotion leaders.

The advisers will discuss methods of conducting health and safety programs in the club.

U.S. Defense Official Will Join Pitt Staff

PITTSBURGH (AP) — The University of Pittsburgh says a high - ranking Defense Department official will leave his government post to join the Pitt faculty.

Chancellor Wesley W. Posvar announced Tuesday that Solis Horwitz, assistant secretary of defense for administration, will join the Pitt staff as a professor next fall to teach national government, international security and the policy-making process.

Kenton Woman Slain During Grocery Theft

KENTON, Ohio (AP)—A Kenton woman who operated a small neighborhood grocery with her husband was found slain Tuesday, her throat slashed by an assailant during an apparent robbery.

The body of Audrey Ensminger, 39, was found in a rear room. She also had been beaten on the head.

Sheriff James Baldridge, working on the case with Police Chief Clarence Sheldon, said Tuesday night, "We're really in the dark." He said there were no signs of a struggle and no suspects had been questioned.

Her husband, Robert, 50, was delivering newspapers on his fulltime country route for the Kenton Times when the body was found at 4 p.m. by a milk deliveryman, Thomas Quay of Bellefontaine.

Quay told police the front door of the store was locked, and when he went to the rear, he saw the body through a window.

Police said the Ensmingers were not known to have kept large amounts of money on hand, probably never more than $25 at a time.

The only money left in the cash register were three dimes, a nickel and a penny.

Ex-Pittsburgh Officer Indicted In Conspiracy

PITTSBURGH (AP) — Lawrence J. Maloney, a former assistant police superintendent in Pittsburgh, has been indicted on two counts of conspiracy in a rackets payoff.

He's charged with conspiring in a $100-a-month payoff with a former patrolman and also collecting $5,000 a month from numbers writers and distributing it to his superiors.

Wanted: A Series For Janet Leigh

There's hardly an actor left (unless it's Elizabeth Taylor) who doesn't want to do a TV series. Sure, it's a lot of work, but also a lot of money and fame come your way if it clicks.

Hal Humphrey

Janet Leigh, for example, is looking for a TV series. A few years ago she had an idea involving a chic New Yorker who falls in love with a ski instructor in Aspen, Colo., and marries him. The comedy was to evolve from her trying to adapt to living in Aspen.

-:-

"MY AGENTS and everybody else said it would't work, so I gave up," says Janet. "Then the next year along came Green Acres, which is basically the same thing, and it's a hit."

She was disappointed, but hasn't given up. The trick is to get an idea that appeals to what the program chiefs at the networks have decided is "in" at the moment.

"You get all kinds of advice," says Janet. "One expert will say, 'Don't come up with a soft show now because there are too many on already.' Then someone else tells you, 'Whatever you do, stay away from a gimmick show—they're out now.' You don't know what to do."

-:-

MEANWHILE, Janet will go on doing two or three movies a year and as many guest shots on TV as she can find that suit her. Next Monday she plays a night club singer in a Danny Thomas Hour drama titled "One for My Baby." Murder, drug addiction and a friendly cop figure in the plot.

"It's not a goody-goody-two-shoes role, and I like that," says Janet, batting her eyelashes ,which she is very good at. "That is the kind of role that draws the public's attention, and it's easier to act, too, because you can go away out with it, and that's fun."

Janet won a considerable measure of fame and an Oscar nomination for one of those "way out" roles in Alfred Hitchcock's 1960 movie, "Psycho," which CBS canceled from its movie schedule when Sen. Charles Percy's daughter was murdered a year and a half ago. Since then "Psycho" has been on local TV in several cities.

-:-

"I DON'T THINK showing it on TV now will make or break anybody," says Janet. "Much of the news on TV is worse than what happened in 'Psycho.'"

What bugs her most about all movies shown on TV is the interruption for commercials.

"Movies were not made for interruptions, and it's just not fair to put them in. Now this Danny Thomas drama I'm in was shot for TV. So the breaks for the commercials come naturally, but not in movies. It's terrible," says Janet.

-:-

HER FIRST TV appearance was made four years ago on an Andy Williams show. Since then Janet has been on several variety shows and on TV drama when she could find it.

"I'd have been on TV before then, but I was scared to do it 'live,'" says Janet. "All of my acting has been in movies and TV film or tape. I've never been in the theater."

Her first seven years as an actress were spent at MGM studios where she was brought from Stockton, Calif., on a tip from old-time actress Norma Shearer, who had spotted Janet at a nearby ski resort.

-:-

SINCE HER DIVORCE from Tony Curtis in 1962, Janet has been married to stockbroker Robert Brandt, and they live at the end of a canyon in Beverly Hills with Janet's two daughters (9 and 11) and two great Danes.

Like most Hollywood movie stars, Janet thinks someday we'll have pay TV, and no one will have to worry about commercials interrupting the movies. In the meantime, she'll go on looking for a TV series of her own and guesting on the medium.

After the Danny Thomas Hour, Janet's next TV is with Bob Hope on April 11. It's a special book show ("Catch Me, If You Can") spoofing spy stories.

Wellsville Snaps Losing Streak, Defeats Oak Glen

Sports Whirled

By TURK PIERCE
Review Sports Editor

There is still a place for the little man in basketball.

Calvin Murphy, the 5-10 mighty mite of the Niagara Purple Eagles, has proved that by averaging close to 40 points a game. But the past few days I have seen two other "midgets" who know what to do with a basketball.

John Rinka 5-9 of Kenyon, is seventh in the country in scoring with a 31.4 average. A trip to Kenyon Monday night was worth it, as Rinka put on a fine show as the Lords defeated Hiram 92-78. Kenyon did not help its 99.6 average, eighth best nationallly, with this game, but Rinka hit his average by scoring 32.

He is not the leaper and ball handler and quite the passer that Murphy is, but he is Murphy's equal as a shooter, though maybe he is a split-second slower in getting off his long two-handed jumpers. Rinka connected on 14 of 22 field goals attempts, 13 of 19 from longer than 15 feet, mostly much longer. Kenyon, for years known as a swimming power, now is quite proud of its Rinka-dink basketball team, 13-4 on the season.

THE OTHER little man is a 5-10 marvel from Geneva, Ohio, Steve McHugh. McHugh plays for the Duquesne freshmen, and played for Al Bailey, Duquesne freshman coach, in high school. Bailey, of course, is a former East Liverpool High star. McHugh, very quick and excellent rather than flashy in all phases of the game, fired in 28 as Bailey's team rolled to a 104-63 win over the St. Vincent freshmen Sunday. The Little Dukes played a fine game, making few mistakes. Jarrett Durham of Aliquippa matched McHugh's 28 points and Fox Chapel's Nelson twins combined for 30. East Liverpool Coach Clint McConnell kidded Bailey after the game, noting that it was "unfair" to use 6-9 twins as a double screen. McConnell thought that Bailey was doing an excellent job with the team, putting his material to the best use possible.

Some wag in the stands, a Duquesne supporter, was yelling "You need a cannon!" everytime a St. Vincent player would try to get off a shot over the tall Nelsons. Unfortunately for the Duquesne varsity, LaSalle brought along a Cannon (Larry Cannon), who scorched the nets for 27 in leading LaSalle past the Dukes 80-79 in overtime. Ed Szczesny, who scored the last six points of the game to give the Explorers the win, was a member of the Plymouth-Whitemarsh team that won the Pennsylvania state title in 1963 and lost in the final game to Uniontown in 1964. He went to Oklahoma, but then transferred to LaSalle.

WHILE AT the Duquesne game Sunday, I happened to sit next to Denny Wuycik, Ambridge's All-State basketball player. Wuycik, who is averaging 29.4 points per game in Section 3 play so far, says he is undecided on where he will attend college, but has had many offers. He admitted that Ambridge, with a 4-3 record, is a long-shot to win in Section 3, but thought that Aliquippa would have trouble despite its lead at the halfway mark.

Also encountered at the Civic Arena was Otto Pritchard, coach of the powerful Monaca Indians. Pritchard, true to the coaches' code of poor mouthing, said he needed another big man. Pritchard already has one of the best big men around in 6-6 Mickey Davis, and opposing coaches think he has plenty of material right now.

ANOTHER relatively short man, Midland's 6-1 Norm Vanlier, is also proving you don't need to be too big to be a basketball star. Vanlier poured in 33 points Monday night as St. Francis trounced Eastern Kentucky 90-75. Jerry Carder of Findlay, the nations 43rd best scorer, is only 5-11.

OHIO'S small college teams continue to be defensive minded, with Ashland leading the country with a 36.9 figure in points yielded. The Eagles are 14 points ahead of the number two team, Eastern New Mexico. Akron is fifth, Wooster ninth, Mt. Union 10th, Hiram 18th and Heidelberg 19th. Akron is 15th in field goals percentage, while Kenyon is third in foul shooting at 78.1 per cent (it shot 88 per cent against Hiram), Wilmington fourth and Morris Harvey 17th.

CARL HEAD, who starred on the West Virginia basketball team last season, played basketball in Italy this season.

McLain Gets 21 Points, Rebounds

Wellsville snapped a six-game losing streak last night, handing Oak Glen a 53-47 loss at Wellsville.

The Tigers, now 5-9, had previously lost at Oak Glen 72-59. The Golden Bears are now 6-7.

"We tried something different," winning coach Bob Dawson said after the game. "We spread out on offense, leaving the middle wide open and ignoring their big boy (6-6 Perry (Biff) Stanley)."

Wellsville's "four corners" offense resulted in a slowing down in the tempo of the game, which favored the Tigers, who have been outrun in several of their losses. Tom McClain and Jerry Wyse hit with some consistency from the corners and other times the Bengals worked the ball in and got a close shot. They controlled the boards 50-41 and got numerous second shots, making good on several. Oak Glen, when it did get a second shot, usually couldn't take advantage of the opportunity. Most of the Golden Bears' points came on long shots.

McClain starred for the winners, scoring 21 points and pulling down 21 rebounds. Wyse added 14 markers and Mark Powell 10. Dan Crago had 15 to pace the losers and John Roach added 12. Stanley grabbed 16 rebounds.

Wellsville shot 37 per cent to 35 per cent for the losers, but got 11 more attempts with their control of the boards. The turnover statistics attested to the slow tempo of the game, as Wellsville made just four and Oak Glen five.

With Jim Carnes getting all his field goals, Bob Starkey's team moved to an 11-8 lead. But the home forces, led by Wyse, connected on 10 straight points to close out the first period and never lost the advantage. They were up 28-16 when Oak Glen made a comeback, closing the gap to 34-32 early in the third period, but six straight Wellsville points eased the pressure. With the score 40-36 the Bengals hit seven in a row to take the biggest lead of the game, with six minutes to go. It was still 53-42 with less than two minutes to go and Oak Glen's final five points only cut into the final margin.

The Wellsville reserves ran their record to 11-3 with a 62-41 triumph in the preliminary game. Bill Miller had 17, John Bobalik 14 and John Stephens 10 for the winners, Larry Manypenny 11 and Joe Algazino 10 for the losers, now 8-5.

Wellsville had a 60-27 lead before Oak Glen cut the margin in the final minutes. The Golden Bears committed 24 turnovers, all in the first three periods, to 10 for the host team. Manypenny grabbed 11 rebounds for Oak Glen and Stephens and Jeff Ketchum 10 each for the winners.

Freedom Trounces Midland

By JOHN MUELLER

The Midland Leopards were handed a resounding 81-50 defeat by the Freedom Bulldogs last night at the Midland gym. The win for Freedom reversed a section - opening 67-65 defeat by the Leopards.

The Bulldogs had revenge in mind before the opening whistle. Moving rapidly at the tipoff they had scoring opportunities and missed, too anxious to put the scoreboard in action. Cicero Lassiter, high scoring Bulldog center, put his team ahead at the 6:25 mark of the period with a pair of foul conversions, and they never trailed. Dale Schaub made it 4-0 on a fielder at 5:45, and Lassiter added a foul for a 5-0 lead before the Leopards hit the nets.

Freedom held a 30 point lead, 61-31, at the end of the third period as a result of Malagise's forty foot shot at the buzzer. They were ahead by 33 at the midway mark of the final session and coasted to the win.

Freedom controlled the boards, boxing out the Leopards and snaring 49 rebounds compared to Midland's 30.

Freedom hit the nets 28 times in 72 attempts for a 38.8 average. Midland garnered 21 fielders in 79 attempts for a 26.5 average.

The Bulldogs had five players in double figures. Beside Lassiter's high total of 27, Malagise chalked up 16, Joe McCaw had 13, Schaub had 11 and John Marsilio added 10.

Howard Leak paced the Leopards with 16 and Johnson had 12. Dave Vanlier found the going tough as the Bulldogs set their defense for him and at times double teamed to hold the high scoring Leopard in check. He ended up with three fielders, all in the first two periods.

The Leopards' two big men, Dave Franitti and Bob Needs, had early foul trouble and spent considerable time on the bench. Roger Singleton was the lone Leopard to leave the game via the foul route, picking up his fifth with 26 seconds to go in the third period. The Bulldogs' Marsilio left with 1:14 remaning in the final session.

The Midland Jayvees dropped a thrilling 45-44 decision to the Freedom Jayvees in the preliminary.

Bill Dvorzak and Lou Idozojatic paced the winners with 13 points each. The Leopards' Tom Vanlier copped scoring honors with 15 points. Bub Bynum added 14.

Inductees are Harry Clifford Baujan, former UD athletic director who has spent the last 46 years with the school's athletic department; Bill Uhl, a 7-foor basketball star who played for the Flyers in 1953-56, and John J. DeBesis of Cleveland, an outstanding four-sport athlete in the mid-20s.

Wellsville Snaps Losing Streak, Defeats Oak Glen

Sports Whirled

There is still a place for the little man in basketball.

Calvin Murphy, the 5-10 mighty mite of the Niagara Purple Eagles, has proved that by averaging close to 40 points a game. But the past few days I have seen two other "midgets" who know what to do with a basketball.

John Rinka 5-9 of Kenyon, is seventh in the country in scoring with a 31.4 average. A trip to Kenyon Monday night was worth it, as Rinka put on a fine show as the Lords defeated Hiram 92-78. Kenyon did not help its 99.6 average, eighth best nationallly, with this game, but Rinka hit his average by scoring 32.

He is not the leaper and ball handler and quite the passer that Murphy is, but he is Murphy's equal as a shooter, though maybe he is a split-second slower in getting off his long two-handed jumpers. Rinka connected on 14 of 22 field goals attempts, 13 of 19 from longer than 15 feet, mostly much longer. Kenyon, for years known as a swimming power, now is quite proud of its Rinka-dink basketball team, 13-4 on the season.

THE OTHER little man is a 5-10 marvel from Geneva, Ohio, Steve McHugh. McHugh plays for the Duquesne freshmen, and played for Al Bailey, Duquesne freshman coach, in high school. Bailey, of course, is a former East Liverpool High star. McHugh, very quick and excellent rather than flashy in all phases of the game, fired in 28 as Bailey's team rolled to a 104-63 win over the St. Vincent freshmen Sunday. The Little Dukes played a fine game, making few mistakes. Jarrett Durham of Aliquippa matched McHugh's 28 points and Fox Chapel's Nelson twins combined for 30. East Liverpool Coach Clint McConnell kidded Bailey after the game, noting that it was "unfair" to use 6-9 twins as a double screen. McConnell thought that Bailey was doing an excellent job with the team, putting his material to the best use possible.

Some wag in the stands, a Duquesne supporter, was yelling "You need a cannon!" everytime a St. Vincent player would try to get off a shot over the tall Nelsons. Unfortunately for the Duquesne varsity, LaSalle brought along a Cannon (Larry Cannon), who scorched the nets for 27 in leading LaSalle past the Dukes 80-79 in overtime. Ed Szczesny, who scored the last six points of the game to give the Explorers the win, was a member of the Plymouth-Whitemarsh team that won the Pennsylvania state title in 1963 and lost in the final game to Uniontown in 1964. He went to Oklahoma, but then transferred to LaSalle.

WHILE AT the Duquesne game Sunday, I happened to sit next to Denny Wuycik, Ambridge's All-State basketball player. Wuycik, who is averaging 29.4 points per game in Section 3 play so far, says he is undecided on where he will attend college, but has had many offers. He admitted that Ambridge, with a 4-3 record, is a long-shot to win in Section 3, but thought that Aliquippa would have trouble despite its lead at the halfway mark.

Also encountered at the Civic Arena was Otto Pritchard, coach of the powerful Monaca Indians. Pritchard, true to the coaches' code of poor mouthing, said he needed another big man. Pritchard already has one of the best big men around in 6-6 Mickey Davis, and opposing coaches think he has plenty of material right now.

ANOTHER relatively short man, Midland's 6-1 Norm Vanlier, is also proving you don't need to be too big to be a basketball star. Vanlier poured in 33 points Monday night as St. Francis trounced Eastern Kentucky 90-75. Jerry Carder of Findlay, the nations 43rd best scorer, is only 5-11.

OHIO'S small college teams continue to be defensive minded, with Ashland leading the country with a 36.9 figure in points yielded. The Eagles are 14 points ahead of the number two team, Eastern New Mexico. Akron is fifth, Wooster ninth, Mt. Union 10th, Hiram 18th and Heidelberg 19th. Akron is 15th in field goals percentage, while Kenyon is third in foul shooting at 78.1 per cent (it shot 88 per cent against Hiram), Wilmington fourth and Morris Harvey 17th.

CARL HEAD, who starred on the West Virginia basketball team last season, played basketball in Italy this season.

The Midland Leopards were handed a resounding 81-50 defeat by the Freedom Bulldogs last night at the Midland gym. The win for Freedom reversed a section - opening 67-65 defeat by the Leopards.

The Bulldogs had revenge in mind before the opening whistle. Moving rapidly at the tipoff they had scoring opportunities and missed, too anxious to put the scoreboard in action. Cicero Lassiter, high scoring Bulldog center, put his team ahead at the 6:25 mark of the period with a pair of foul conversions, and they never trailed. Dale Schaub made it 4-0 on a fielder at 5:45, and Lassiter added a foul for a 5-0 lead before the Leopards hit the nets.

Freedom held a 30 point lead, 61-31, at the end of the third period as a result of Malagise's forty foot shot at the buzzer. They were ahead by 33 at the midway mark of the final session and coasted to the win.

Freedom controlled the boards, boxing out the Leopards and snaring 49 rebounds compared to Midland's 30.

Freedom hit the nets 28 times in 72 attempts for a 38.8 average. Midland garnered 21 fielders in 79 attempts for a 26.5 average.

The Bulldogs had five players in double figures. Beside Lassiter's high total of 27, Malagise chalked up 16, Joe McCaw had 13, Schaub had 11 and John Marsilio added 10.

Howard Leak paced the Leopards with 16 and Johnson had 12. Dave Vanlier found the going tough as the Bulldogs set their defense for him and at times double teamed to hold the high scoring Leopard in check. He ended up with three fielders, all in the first two periods.

The Leopards' two big men, Dave Franitti and Bob Needs, had early foul trouble and spent considerable time on the bench. Roger Singleton was the lone Leopard to leave the game via the foul route, picking up his fifth with 26 seconds to go in the third period. The Bulldogs' Marsilio left with 1:14 remaning in the final session.

The Midland Jayvees dropped a thrilling 45-44 decision to the Freedom Jayvees in the preliminary.

Bill Dvorzak and Lou Idozojatic paced the winners with 13 points each. The Leopards' Tom Vanlier copped scoring honors with 15 points. Bub Bynum added 14.

Dick Himes Taken First In Pro Draft

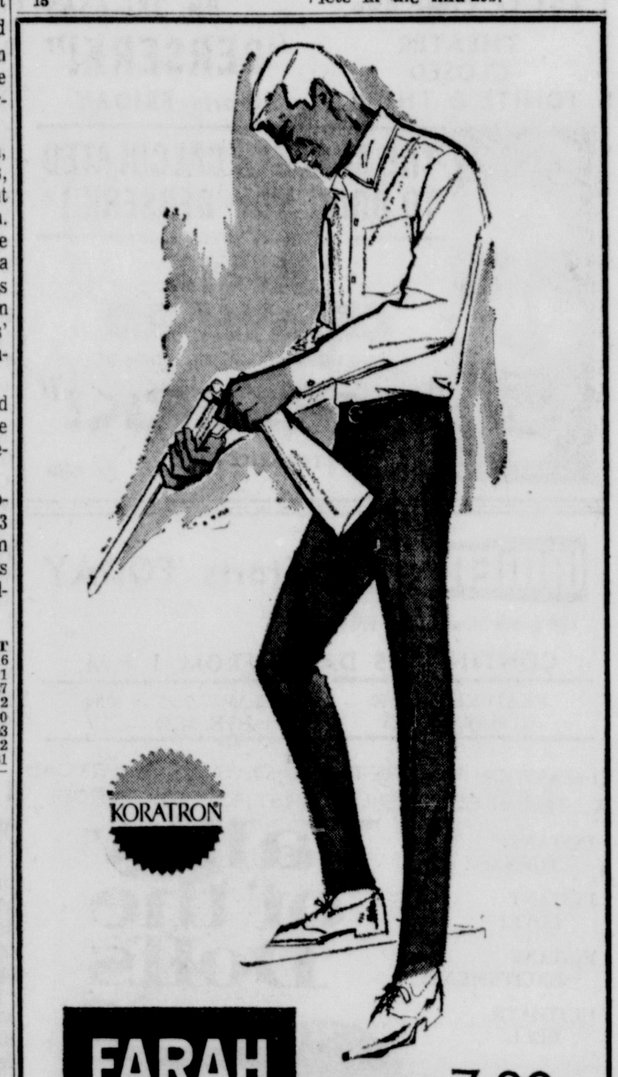
NEW YORK (AP)—Tackle Dick Himes of Ohio State was the first player from an Ohio college selected in the college football draft Tuesday. The Green Bay Packers chose him in the third round.

Two Kent State players were drafted, running back Don Fitzgerald by St. Louis and tight end William Perry by San Diego. Toledo linebacker Paul Elzey was drafted by Baltimore.

Dayton To Induct 3 Into Hall Of Fame

DAYTON, Ohio (AP)—Three men, including the school's former athletic director, will be inducted into the University of Dayton's Athletic Hall of Fame Saturday.

Inductees are Harry Clifford Baujan, former UD athletic director who has spent the last 46 years with the school's athletic department; Bill Uhl, a 7-foor basketball star who played for the Flyers in 1953-56, and John J. DeBesis of Cleveland, an outstanding four-sport athlete in the mid-20s.



A perennial favorite of men who want their casual slacks to look sharp around the clock. For work or play you can't find a finer pair of slacks and they're permanently pressed to "Never Need Ironing."

S. Carolina Gamecocks Upset Duke Blue Devils

By TED MEIER
Associated Press Sports Writer

"I'd just like to end the season now," said Frank McGuire with a grin.

The coach of the University of South Carolina basketball team was in a jovial mood after his Gamecocks had upset the nationally ranked Duke Blue Devils 83-80 at Columbia, S.C., Tuesday night.

Skip Harlicka, with 23 points, and Jack Thompson, with 21, combined for 44 points to pace the Gamecocks over the Blue Devils for their fifth straight victory. Six points between them from the foul line kept the Gamecocks ahead in the closing minutes and thwarted a late Duke rally.

Mike Lewis threw in 33 points for the ninth-ranked Blue Devils, the only team in The Associated Press college basketball Top Ten to see action.

"We beat a great team," McGuire said. "Our kids never lost their poise and played great basketball all the way." He added impishly, "I don't want to play any more." South Carolina now has an 8-3 record.

Wisconsin kept in contention for the Big Ten title by beating Minnesota 72-62 at Minneapolis. Rice, the surprise team in the Southwest Conference, was not so fortunate on the road. The Owls took a 70-52 thumping from Baylor.

In another SWC game, Arkansas scored at home over Texas Christian 68-67 on James Eldridge's free throw in the last 10 seconds.

Bob Portman poured in 42 points to pace Creighton over LaSalle 77-71 at Omaha. Lloyd Kerr popped in the winning basket in the last two seconds as Colorado State U. won on the road over Denver 71-70.

Sophomore Don Curnutt scored 35 points to lead Miami, Fla., over Maryland 93-73 at Miami Beach.

Phil Wagner returned after a five-game absence scored 18 points to help Georgia Tech down Virginia Military 99-70 at Atlanta. Wagner now has 1,010 points, the ninth Georgia Tech player to crack the 1,000-point level.

In other games, Michigan State whipped Notre Dame 89-86, Idaho downed Idaho State 72-64, Western Michigan edged Northern Illinois 75-74 on four free throws by Eugene Ford in the last 20 seconds, Chicago Loyola walloped Ohio University 109-68 and Holy Cross took Boston University 71-66 behind Ed Siudut's 38 points.

George Washington won its first Southern Conference game in nearly a year by defeating William and Mary 80-76. GW's last previous conference victory was on Feb. 11, 1967 against VMI.

BREAK-DOWN. Don Talbot of East Liverpool (on top) is in the process of "breaking down" his South Side opponent, John Illig, in wrestling match at the Memorial Auditorium last night. Talbot pinned Illig in 1:36 of the third period as the Potters won the match 34-13.

Potters Flatten South Side

The East Liverpool wrestling team, appearing before the home fans for the only time this season, whipped South Side 34-13 last night.

The Potters do not have a mat, so South Side provided the mat for the match in the Memorial Auditorium.

Jim Stone, Don Talbot, Herb Purton, Mark Kozlowski and Jim Musuraca all scored pins for Joe Mowad's team, while Rick Eckles, Mike Jackson and Sam Natalina added decisions. Rick Patterson got a pin, Ron Cooper a decision, and Chuck Reed won by forfeit for Don Charlton's grapplers.

The Potters won three exhibition bouts. Mike Ferrello dec Reed 6-0, Steve Cochran topped Phil Reed 2-0 and Dan Kristy topped Tom Shirley 2-0.

76ers Defeat Celtics

By The Associated Press

The Philadelphia 76ers lengthened their lead over Boston, but the gap they closed between themselves and the Celtics must have proved more satisfying.

Philadelphia, the defending National Basketball Association champions after dethroning Boston in a hard-fought battle last season, had won only one game in five tries against the Celts this year, and that record bugs the 76ers.

But they closed the spread Tuesday night in Philadelphia with a 125-118 victory over Boston, and at the same time increased their Eastern Division lead over the Celtics to three games.

In other NBA games, Cincinnati routed Detroit 121-101 and Baltimore slipped by New York 134-131 in a doubleheader at Madison Square Garden; San Francisco nudged Chicago 123-119 in Chicago, and Seattle downed Los Angeles 128-116 in Seattle.

Hal Greer and Wally Jones combined for Philadelphia to overcome a 38-point showing by Boston's Sam Jones.

Wally Jones hit 18 of his 24 points in the first half as Philadelphia took a 63-61 lead at intermission before Greer took over.

After Sam Jones had put Boston ahead 86-84 in the third quarter, Greer shot Philadelphia ahead to stay.

The lead grew to 11 and when Boston cut it to 109-106 with 4:36 left, Greer snared four quick points, wrapping it up. Greer finished with 27 points.

Oscar Robertson scored 19 of his 35 points in the second half as Cincinnati turned a 49-48 halftime deficit into an easy victory with 73 points in the final half. Dave Bing had 34 for Detroit.

Baltimore rode Earl Monroe's hot hand as the flashy rookie dropped in 39 points, including a long jumper with 28 seconds left for a 132-131 lead.

He added two free throws with two seconds remaining. His final show came after New York had overcome a 78-60 deficit.

San Francisco ended a four-game losing streak and extended Chicago's to five as Fred Hetnel scored five points after the Bulls pulled within 116-114. Rudy LaRusso and Fred Mullins each had 30 points for the Warriors.

Seattle withstood a third-quarter Los Angeles rally that closed a 73-59 deficit to one point, but Walt Hazzard brought the SuperSonics back with 15 of his 31 points.

Pro Draft Continues, Ron Yary 1st Selection

By HAL BOCK
Associated Press Sports Writer

NEW YORK (AP) — There were 12 rounds to go and some tantalizing names still available as professional football resumed drafting the nation's top collegiate players today.

The pros went through five rounds in 11 hours, 43 minutes Monday—just one minute less than it took them a year ago. There were 138 players drafted and many more conspicuous by their absence.

Still available were quarterbacks Kim Hammond of Florida State and Dewey Warren of Tennessee; linebacker Granville Liggins of Oklahoma; defensive tackle Greg Pipes of Baylor; defensive backs Tom Schoen of Notre Dame and Frank Loria of VPI and guards Gary Cassells of Indiana and Rich Stotter of Houston, among others.

All except Warren were first or second team All-Americans.

It was obviously the Year of the Lineman for the 26 pro teams. They picked seven linemen in the first round before Miami chose Syracuse fullback Larry Csonka to break the spell.

The top choice was Ron Yary, Southern California's powerful tackle, who was snatched up by the Minnesota Vikings. The Vikings were exercising the No. 1 choice acquired from the New York Giants in the trade for Fran Tarkenton last year.

After Yary was selected, Cincinnati, the American League's newest team, made its maiden choice Bob Johnson, Tennessee's highly regarded center.

Then Atlanta took Claude Humphrey, a defensive end from Tennessee A&I State, and San Diego, using a pick acquired from Denver, chose Russ Washington, a Missouri tackle.

Green Bay, using New Orleans' choice, took Fred Carr, a linebacker from Texas-El Paso and Boston picked Dennis Byrd, North Carolina State defensive tackle. New Orleans, utilizing Minnesota's regular first-round choice, took Kevin Hardy, Notre Dame's defensive end.

Then Miami chose Csonka, ending the run of linemen.

Yary was one of five Southern California stars chosen in the first round. The others were tackle Mike Taylor picked by Pittsburgh; Tim Rossovich, a defensive end chosen by Philadelphia; Mike Hull, a running back selected by Chicago and Earl McCullough, an end chosen by Detroit.

The glamour name of collegiate football—quarterback Gary Beban of UCLA—was bypassed in the opening round and finally selected in the second round by the Los Angeles Rams. He was the 30th player picked, surprisingly low for a Heisman Trophy winner.

Two quarterbacks were picked ahead of Beban in the first round. They were Greg Landry of Massachusetts, selected by Detroit, and Eldridge Dickey of Tennessee A&I State, picked by Oakland.

Other first-round choices were:

Haven Moses, San Diego State end, selected by Buffalo; Jim Smith, Oregon defensive back, picked by Washington; MacArthur Lane, Utah State running back picked by St. Louis.

Forrest Blue, Auburn center picked by San Francisco; Lee White Weber State running back, picked by the New York Jets; James Hill, Texas A&I defensive back, picked by San Diego.

Maurice Moorman, Texas A&M guard picked by Kansas City; Dennis Homan, Alabama end, picked by Dallas; Marvin Upshaw, Trinity, Tex. defensive end, picked by Cleveland; George Daney, Texas-El Paso guard, picked by Kansas City.

John Williams, Minnesota tackle, picked by Baltimore; Bill Lueck, Arizona guard, picked by Green Bay; and Doug Crusan, Indiana tackle picked by Miami.

The teams used 3 hours, 35 minutes to complete the first round and 4:10 to finish the second, using most of the 15 minutes allowed between picks. The 7:45 for two rounds was somewhat faster than the 8:09 used last year.

There was a five-minute limit between picks in each round after the first two. That deadline remained in effect today and was expected to speed the final 12 rounds along.

Pipers Beat Muskies, Widen Lead To 1½

By The Associated Press

The Pittsburgh Pipers are keeping the pressure on the Minnesota Muskies.

The Pipers, after chasing the Muskies for the American Basketball Association's Eastern Division lead for weeks, finally caught them last weekend and, with a 121-112 victory Tuesday night, moved ahead by 1½ games.

The Pipers took a 64-44 lead over the Muskies late in the first half and never trailed after that. Charlie Williams led the Pittsburgh scorers with 28 points, with Connie Hawkins adding 25 and Art Heyman 24.

In other ABA games, New Orleans beat Kentucky 112-101 and Denver downed Oakland 137-113.

Les Hunter led the scoring for the losing Muskies with 31 points, Don Freeman adding 29.

New Orleans leads the Western Division by two games. Doug Moe paced the Buccaneers' scorers with 31 points while Louis Dampier had 31 for Kentucky.

Wayne Hightower collected 15 of his 25 points in the final period in spearheading Denver's victory over Oakland. The triumph enabled the Rockets to take over second place from Dallas in the West.

Willie Murrell hit for 17 of his 20 points in the first half as Denver led 66-53 at intermission. Substitute David Lee, who sat out the first two periods, topped the Oaks with 21 points—15 in the fourth quarter.

Browns Take Linemen In Pro Draft

NEW YORK (AP) — The Cleveland Browns sought help in one area and insurance in another by picking Marvin Upshaw and John Garlington in the opening rounds of the college football draft Tuesday.

The Browns were 21st in line for the first round and tabbed Upshaw, a 6-foot-4, 241-pound defensive end from Trinity University, as their first pick. He's also a place kicker.

Garlington, 6-foot-1 and 225 pounds from Louisiana State, came in the second round. He's also a defensive end but the Browns have plans to make him an outside linebacker.

Cleveland's next two picks, in the third round, were guard Harry Olszewski of Clemson and halfback Reece Morrison of Southwest Texas State. Wayne Meylan, a linebacker from Nebraska, came in the fourth round.

The Browns also got two picks in the fifth and final round of the day. They were Mike Wempe, a tackle from Missouri, and running back Jackie Jackson of Clemson.

Browns' Coach Blanton Collier said of Upshaw:

"We believe that Upshaw not only was one of the best players available, but that he also will fill a need."

Upshaw, 21, is the brother of Gene Upshaw, guard for the Oakland Raiders of the American Football League.

Beaver Local Has Same Grid Foes

The 1968 Beaver Local football schedule shows the same 10 opponents as in 1967, though not in the same order.

The Beavers, who were 4-6 last year, but 3-1 in the Buckeye Border Conference, play all conference members with the exception of Wellsville, which didn't have football last year but will return to the grid this season.

The Beavers also meet four Tri-County league members plus Oak Glen and United.

The schedule:

Tart Continues Lead In ABA Scoring Race

MINNEAPOLIS (AP) — Levern Tart of New Jersey continued to lead the American Basketball Association in scoring statistics released today by the league revealed.

Tart is scoring 26.2 points per game. Connie Hawkins of Pittsburgh is second with 24.7 points per game and Doug Moe of New Orleans is third with 23.8.

Mel Daniels of Minnesota leads in rebounds with 15.2 per games and Larry Brown of Indiana is tops in assists with a 6.5 average.

Colts Get Tim Brown

PHILADELPHIA (AP)—Halfback Tim Brown says he is glad to get away from the aggravation of playing for Coach Joe Kuharich of the Philadelphia Eagles, but may not play next year unless his new team, the Baltimore Colts, makes the price right.

The 30-year-old Brown, one of the top running backs in the history of the National Football League, was traded to the Colts Tuesday for Alvin Haymond, a defensive back, kick-off and punt return specialist.

"I can't say now whether I will or won't play next year," Brown said. "The Colts will have to make the price right. I hate to put it that way, but it will take a lot to go over certain things I've got working."

The greatest all around offensive back in Eagles' history, Brown in eight seasons gained 12,049 yards, fifth highest total in the league. He ranks third in kickoff returns with 156 for 4,182 yards.

Wrestling Banquet Planned

The Lady Potters Booster Club, meeting at the YMCA last night, made plans for a banquet for the East Liverpool High School wrestling team to be held Feb. 20 at the Gas Company in Glenmoor.

Mothers of the wrestling team members will provide the dinner, with Mrs. Roberta Pugh in charge.

The club last night saw movies, shown by Joe Mowad of the 1967 football games. Nick Musuraca gave a talk on the wrestling program at the school.

The club is selling moth cubes, for clothes protection, to raise money. A rummage sale and a bake sale will be held in the spring.

Anyone interested in joining the club is invited to attend the next meeting, Feb. 12 at 8 p.m. at the YMCA. You do not have to be the mother of an athlete to belong to the club.

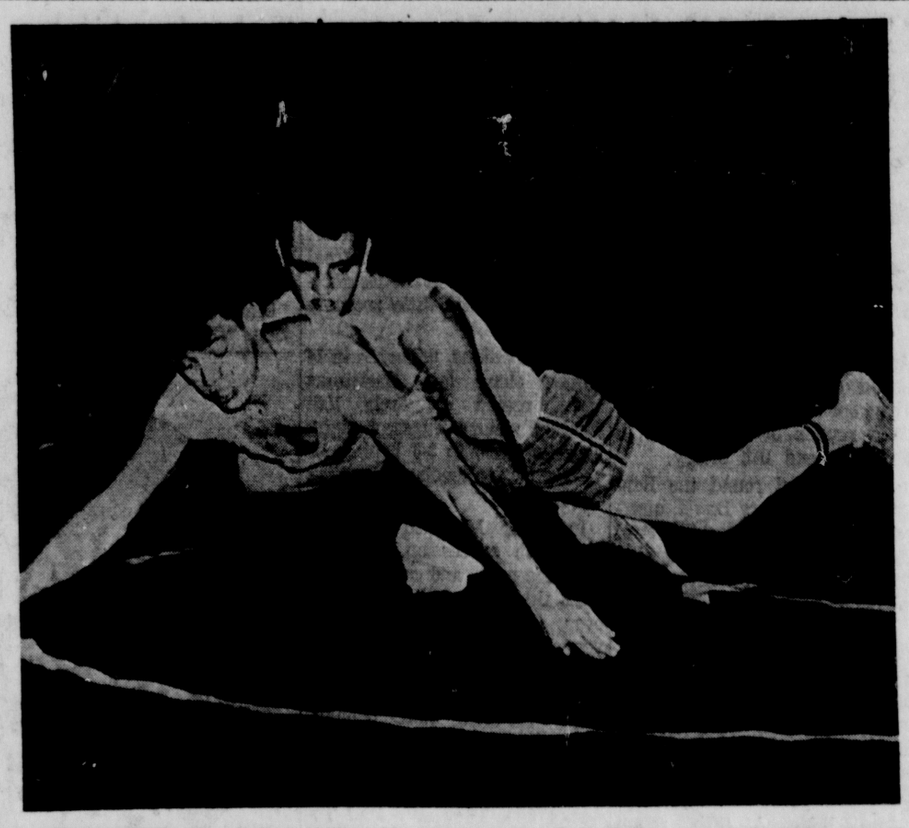
George Washington won its first Southern Conference game in nearly a year by defeating William and Mary 80-76. GW's last previous conference victory was on Feb. 11, 1967 against VMI.



BREAK-DOWN. Don Talbot of East Liverpool (on top) is in the process of "breaking down" his South Side opponent, John Illig, in wrestling match at the Memorial Auditorium last night. Talbot pinned Illig in 1:36 of the third period as the Potters won the match 34-13.

Potters Flatten South Side

The East Liverpool wrestling team, appearing before the home fans for the only time this season, whipped South Side 34-13 last night.

The Potters do not have a mat, so South Side provided the mat for the match in the Memorial Auditorium.

Jim Stone, Don Talbot, Herb Purton, Mark Kozlowski and Jim Musuraca all scored pins for Joe Mowad's team, while Rick Eckles, Mike Jackson and Sam Natalina added decisions. Rick Patterson got a pin, Ron Cooper a decision, and Chuck Reed won by forfeit for Don Charlton's grapplers.

The Potters won three exhibition bouts. Mike Ferrello dec Reed 6-0, Steve Cochran topped Phil Reed 2-0 and Dan Kristy topped Tom Shirley 2-0.

76ers Defeat Celtics

By The Associated Press

The Philadelphia 76ers lengthened their lead over Boston, but the gap they closed between themselves and the Celtics must have proved more satisfying.

Philadelphia, the defending National Basketball Association champions after dethroning Boston in a hard-fought battle last season, had won only one game in five tries against the Celts this year, and that record bugs the 76ers.

But they closed the spread Tuesday night in Philadelphia with a 125-118 victory over Boston, and at the same time increased their Eastern Division lead over the Celtics to three games.

In other NBA games, Cincinnati routed Detroit 121-101 and Baltimore slipped by New York 134-131 in a doubleheader at Madison Square Garden; San Francisco nudged Chicago 123-119 in Chicago, and Seattle downed Los Angeles 128-116 in Seattle.

Hal Greer and Wally Jones combined for Philadelphia to overcome a 38-point showing by Boston's Sam Jones.

Wally Jones hit 18 of his 24 points in the first half as Philadelphia took a 63-61 lead at intermission before Greer took over.

After Sam Jones had put Boston ahead 86-84 in the third quarter, Greer shot Philadelphia ahead to stay.

The lead grew to 11 and when Boston cut it to 109-106 with 4:36 left, Greer snared four quick points, wrapping it up. Greer finished with 27 points.

Oscar Robertson scored 19 of his 35 points in the second half as Cincinnati turned a 49-48 halftime deficit into an easy victory with 73 points in the final half. Dave Bing had 34 for Detroit.

Baltimore rode Earl Monroe's hot hand as the flashy rookie dropped in 39 points, including a long jumper with 28 seconds left for a 132-131 lead.

He added two free throws with two seconds remaining. His final show came after New York had overcome a 78-60 deficit.

San Francisco ended a four-game losing streak and extended Chicago's to five as Fred Hetzel scored five points after the Bulls pulled within 116-114. Rudy LaRusso and Fred Mullins each had 30 points for the Warriors.

Seattle withstood a third-quarter Los Angeles rally that closed a 73-59 deficit to one point, but Walt Hazzard brought the SuperSonics back with 15 of his 31 points.

Pro Draft Continues, Ron Yary 1st Selection

By HAL BOCK
Associated Press Sports Writer

NEW YORK (AP) — There were 12 rounds to go and some tantalizing names still available as professional football resumed drafting the nation's top collegiate players today.

The pros went through five rounds in 11 hours, 43 minutes Monday—just one minute less than it took them a year ago. There were 138 players drafted and many more conspicuous by their absence.

Still available were quarterbacks Kim Hammond of Florida State and Dewey Warren of Tennessee; linebacker Granville Liggins of Oklahoma; defensive tackle Greg Pipes of Baylor; defensive backs Tom Schoen of Notre Dame and Frank Loria of VPI and guards Gary Cassells of Indiana and Rich Stotter of Houston, among others.

All except Warren were first or second team All-Americans.

It was obviously the Year of the Lineman for the 26 pro teams. They picked seven linemen in the first round before Miami chose Syracuse fullback Larry Csonka to break the spell.

The top choice was Ron Yary, Southern California's powerful tackle, who was snatched up by the Minnesota Vikings. The Vikings were exercising the No. 1 choice acquired from the New York Giants in the trade for Fran Tarkenton last year.

After Yary was selected, Cincinnati, the American League's newest team, made its maiden choice Bob Johnson, Tennessee's highly regarded center.

Then Atlanta took Claude Humphrey, a defensive end from Tennessee A&I State, and San Diego, using a pick acquired from Denver, chose Russ Washington, a Missouri tackle.

Green Bay, using New Orleans' choice, took Fred Carr, a linebacker from Texas-El Paso and Boston picked Dennis Byrd, North Carolina State defensive tackle. New Orleans, utilizing Minnesota's regular first-round choice, took Kevin Hardy, Notre Dame's defensive end.

Then Miami chose Csonka, ending the run of linemen.

Yary was one of five Southern California stars chosen in the first round. The others were tackle Mike Taylor picked by Pittsburgh; Tim Rossovich, a defensive end chosen by Philadelphia; Mike Hull, a running back selected by Chicago and Earl McCullough, an end chosen by Detroit.

The glamour name of collegiate football—quarterback Gary Beban of UCLA—was bypassed in the opening round and finally selected in the second round by the Los Angeles Rams. He was the 30th player picked, surprisingly low for a Heisman Trophy winner.

Two quarterbacks were picked ahead of Beban in the first round. They were Greg Landry of Massachusetts, selected by Detroit, and Eldridge Dickey of Tennessee A&I State, picked by Oakland.

Other first-round choices were:

Haven Moses, San Diego State end, selected by Buffalo; Jim Smith, Oregon defensive back, picked by Washington; MacArthur Lane, Utah State running back picked by St. Louis.

Forrest Blue, Auburn center picked by San Francisco; Lee White Weber State running back, picked by the New York Jets; James Hill, Texas A&I defensive back, picked by San Diego.

Maurice Moorman, Texas A&M guard picked by Kansas City; Dennis Homan, Alabama end, picked by Dallas; Marvin Upshaw, Trinity, Tex. defensive end, picked by Cleveland; George Daney, Texas-El Paso guard, picked by Kansas City.

John Williams, Minnesota tackle, picked by Baltimore; Bill Lueck, Arizona guard, picked by Green Bay; and Doug Crusan, Indiana tackle picked by Miami.

The teams used 3 hours, 35 minutes to complete the first round and 4:10 to finish the second, using most of the 15 minutes allowed between picks. The 7:45 for two rounds was somewhat faster than the 8:09 used last year.

There was a five-minute limit between picks in each round after the first two. That deadline remained in effect today and was expected to speed the final 12 rounds along.

Pipers Beat Muskies, Widen Lead To 1½

By The Associated Press

The Pittsburgh Pipers are keeping the pressure on the Minnesota Muskies.

The Pipers, after chasing the Muskies for the American Basketball Association's Eastern Division lead for weeks, finally caught them last weekend and, with a 121-112 victory Tuesday night, moved ahead by 1½ games.

The Pipers took a 64-44 lead over the Muskies late in the first half and never trailed after that. Charlie Williams led the Pittsburgh scorers with 28 points, with Connie Hawkins adding 25 and Art Heyman 24.

In other ABA games, New Orleans beat Kentucky 112-101 and Denver downed Oakland 137-113.

Les Hunter led the scoring for the losing Muskies with 31 points, Don Freeman adding 29.

New Orleans leads the Western Division by two games. Doug Moe paced the Buccaneers' scorers with 31 points while Louis Dampier had 31 for Kentucky.

Wayne Hightower collected 15 of his 25 points in the final period in spearheading Denver's victory over Oakland. The triumph enabled the Rockets to take over second place from Dallas in the West.

Willie Murrell hit for 17 of his 20 points in the first half as Denver led 66-53 at intermission. Substitute David Lee, who sat out the first two periods, topped the Oaks with 21 points—15 in the fourth quarter.

Browns Take Linemen In Pro Draft

NEW YORK (AP) — The Cleveland Browns sought help in one area and insurance in another by picking Marvin Upshaw and John Garlington in the opening rounds of the college football draft Tuesday.

The Browns were 21st in line for the first round and tabbed Upshaw, a 6-foot-4, 241-pound defensive end from Trinity University, as their first pick. He's also a place kicker.

Garlington, 6-foot-1 and 225 pounds from Louisiana State, came in the second round. He's also a defensive end but the Browns have plans to make him an outside linebacker.

Cleveland's next two picks, in the third round, were guard Harry Olszewski of Clemson and halfback Reece Morrison of Southwest Texas State. Wayne Meylan, a linebacker from Nebraska, came in the fourth round.

The Browns also got two picks in the fifth and final round of the day. They were Mike Wempe, a tackle from Missouri, and running back Jackie Jackson of Clemson.

Browns' Coach Blanton Collier said of Upshaw:

"We believe that Upshaw not only was one of the best players available, but that he also will fill a need."

Upshaw, 21, is the brother of Gene Upshaw, guard for the Oakland Raiders of the American Football League.

Beaver Local Has Same Grid Foes

The 1958 Beaver Local football schedule shows the same 10 opponents as in 1967, though not in the same order.

The Beavers, who were 4-6 last year, but 3-1 in the Buckeye Border Conference, play all conference members with the exception of Wellsville, which didn't have football last year but will return to the grid this season.

The Beavers also meet four Tri-County league members plus Oak Glen and United.

The schedule:

Tart Continues Lead In ABA Scoring Race

MINNEAPOLIS (AP) — Levern Tart of New Jersey continued to lead the American Basketball Association in scoring statistics released today by the league revealed.

Tart is scoring 26.2 points per game. Connie Hawkins of Pittsburgh is second with 24.7 points per game and Doug Moe of New Orleans is third with 23.8.

Mel Daniels of Minnesota leads in rebounds with 15.2 per games and Larry Brown of Indiana is tops in assists with a 6.5 average.

Colts Get Tim Brown

PHILADELPHIA (AP)—Halfback Tim Brown says he is glad to get away from the aggravation of playing for Coach Joe Kuharich of the Philadelphia Eagles, but may not play next year unless his new team, the Baltimore Colts, makes the price right.

The 30-year-old Brown, one of the top running backs in the history of the National Football League, was traded to the Colts Tuesday for Alvin Haymond, a defensive back, kick-off and punt return specialist.

"I can't say now whether I will or won't play next year," Brown said. "The Colts will have to make the price right. I hate to put it that way, but it will take a lot to go over certain things I've got working."

The greatest all around offensive back in Eagles' history, Brown in eight seasons gained 12,049 yards, fifth highest total in the league. He ranks third in kickoff returns with 156 for 4,182 yards.

Wrestling Banquet Planned

The Lady Potters Booster Club, meeting at the YMCA last night, made plans for a banquet for the East Liverpool High School wrestling team to be held Feb. 20 at the Gas Company in Glenmoor.

Mothers of the wrestling team members will provide the dinner, with Mrs. Roberta Pugh in charge.

The club last night saw movies, shown by Joe Mowad of the 1967 football games. Nick Musuraca gave a talk on the wrestling program at the school.

The club is selling moth cubes, for clothes protection, to raise money. A rummage sale and a bake sale will be held in the spring.

Anyone interested in joining the club is invited to attend the next meeting, Feb. 12 at 8 p.m. at the YMCA. You do not have to be the mother of an athlete to belong to the club.

Steelers Get Linemen In Draft

NEW YORK (AP)—The Pittsburgh Steelers drafted the following college players Tuesday in the first five rounds of the pro football draft:

Mike Taylor, Southern California, offensive tackle; Ernest Rupel, Arkansas, offensive tackle; Jon Henderson, Colorado State, defensive back; Ken Herbert, Houston, flanker - kicker. Other choice traded.

The following players from western Pennsylvania colleges were drafted, listed according to pro clubs:

San Diego: Bill Lenkaitis, Penn State center.

Buffalo: Mike McBath, Penn State defensive tackle.

New York Giants: Rich Buzin, Penn State offensive tackle.

Houston: Bob Longo, Pitt offensive end.

Doug Dickey's Tennessee football team lost its first game last season by 20-16 to UCLA, then won nine straight, then bowed to Oklahoma 26-24 in the Orange Bowl.

Negroes May Shun Track Meet

NEW YORK (AP) — The movement by Negroes to boycott the New York Athletic Club indoor track meet Feb. 16 appears to be gathering momentum, but meet officials are continuing their official silence on the subject.

The meet, the first scheduled for the new Madison Square Garden, is the target of several Negro groups and individuals who allege that while the NYAC meet is open to all competitors, the club itself is not.

Several Negro colleges and clubs that usually send strong contingents are bypassing the meet and coaches of several New York area teams have said that though they will enter teams they will not force individuals who support the boycott to compete.

Terry Stone of New Mexico completed the most passes among major college players during 1967. He completed 160 in 336 attempts for a .476 average.

Track Feud Arbitration Report Due

WASHINGTON (AP) — The long and often verbally explosive feud over control of amateur athletics could end Thursday when a federal arbitration board issues a report on its two years of mediation.

The report will be submitted to Vice President Hubert H. Humphrey, who appointed the board in December 1965, by Theodore Kheel of New York, committee chairman.

A news conference will be held Thursday at 3 p.m., EST, in the Capitol.

The battle for control of amateur athletics in the United States has been raging for several years and the latest episodes in the fued could endanger the country's Olympic team.

The AAU fired the latest round two weeks ago in its battle with NCAA. The AAU's target was the Feb. 9 track meet in New York run by the U.S. Track and Field Federation, an arm of the NCAA.

The meet, called the Madison Square Garden Invitational, will feature mostly college stars. But several of those scheduled to run are no longer eligible for college competition, though they are still in school.

The AAU maintains it must sanction any meet in which non-collegians participate. The federation has refused to ask for such a sanction.

Col. Dixon Hull, executive director of the AAU, says any athlete competing in the meet will be reported to the International Amateur Athletic Federation, which in turn will suspend his eligibility for international events such as the Olympics in Mexico City this summer.

Trainer Eddie Neloy won the first Pimlico Stakes with Impressive in 1966. Last year he won the race with Disciplinarian.

Bengals Pick Bob Johnson On 1st Round

NEW YORK (AP) — The Cincinnati Bengals, striving for a well-rounded team, went for variety in their initial selections in the college football draft Tuesday.

They opened by picking All-America Bob Johnson, a 235-pound center from Tennessee. They opened the second of five draft rounds by choosing Utah defensive end Bill Staley.

In the third round the Bengals grabbed Gary Davis, quarterback from Vanderbilt; Paul Robinson, Arizona running back; and Dale Livingston, Western Michigan kicker.

To open the fourth round, Cincinnati picked another running back, Jesse Phillips of Michigan State. Other fourth round selections were Warren McVea, Houston running back, and Gus Hoolomon, Houston defensive back.

The Bengals' fifth round choices were Dave Middendorf, a Washington State guard, and Alfred Beauchamp, a Southern University linebacker.

The Bengals have also acquired two players by trade, one from the draft Tuesday.

They gave up a fifth-round choice in trade for rookie linebacker Tom Rhoads of the Buffalo Bills of the AFL.

The Bengals previously acquired John Stofa from the Miami Dolphins.

Stargell Signs 1968 Contract With Pirates

PITTSBURGH (AP) — Willie Stargell has signed his 1968 contract with the Pittsburgh Pirates, the club announced.

Stargell, a lefthanded hitting outfielder, batted .271 with 20 home runs and 73 runs batted in last year. He hit .315 in 1966.

Canadiens Win 10th, Take First

By The Associated Press

The longest National Hockey League winning streak in 24 years has brought Montreal from last to first in the East Division race—with little room to spare.

The Canadiens, unbeaten in 14 games since last Christmas night, reeled off their 10th straight victory Tuesday night, blanking Toronto 3-0 behind 22-year-old goaltender Rogatien Vachon.

In 1944, Montreal won 10 games in succession, breaking open the race, and captured the NHL title by a 25-point margin over runner-up Detroit. This year, however, the Canadiens' 10-game winning string has given them no more than a slim edge over four other pennant contenders.

The Canadiens were in sixth place in the East just three weeks ago. They now lead Toronto, Boston and Chicago by three points and New York by five. The Rangers could create a four-way deadlock for the second spot by beating the Black Hawks tonight at New York.

Vachon stopped 19 shots on the way to his second shutout and goals by Claude Provost, Jean Beliveau and Yvan Cournoyer carried the Canadiens within four victories of the all-time NHL string of 14 set by the Boston Bruins in 1929-30.

The Canadiens have allowed only 15 goals during the winning streak, which began with a 5-2 victory over New York Jan. 6. Toronto has scored just one goal in four visits to Montreal this season.

Steelers Get Linemen In Draft

NEW YORK (AP)—The Pittsburgh Steelers drafted the following college players Tuesday in the first five rounds of the pro football draft:

Mike Taylor, Southern California, offensive tackle; Ernest Rupel, Arkansas, offensive tackle; Jon Henderson, Colorado State, defensive back; Ken Herbert, Houston, flanker - kicker. Other choice traded.

The following players from western Pennsylvania colleges were drafted, listed according to pro clubs:

San Diego: Bill Lenkaitis, Penn State center.

Buffalo: Mike McBath, Penn State defensive tackle.

New York Giants: Rich Buzin, Penn State offensive tackle.

Houston: Bob Longo, Pitt offensive end.

Doug Dickey's Tennessee football team lost its first game last season by 20-16 to UCLA, then won nine straight, then bowed to Oklahoma 26-24 in the Orange Bowl.

Negroes May Shun Track Meet

NEW YORK (AP) — The movement by Negroes to boycott the New York Athletic Club indoor track meet Feb. 16 appears to be gathering momentum, but meet officials are continuing their official silence on the subject.

The meet, the first scheduled for the new Madison Square Garden, is the target of several Negro groups and individuals who allege that while the NYAC meet is open to all competitors, the club itself is not.

Several Negro colleges and clubs that usually send strong contingents are bypassing the meet and coaches of several New York area teams have said that though they will enter teams they will not force individuals who support the boycott to compete.

Terry Stone of New Mexico completed the most passes among major college players during 1967. He completed 160 in 336 attempts for a .476 average.

Track Feud Arbitration Report Due

WASHINGTON (AP) — The long and often verbally explosive feud over control of amateur athletics could end Thursday when a federal arbitration board issues a report on its two years of mediation.

The report will be submitted to Vice President Hubert H. Humphrey, who appointed the board in December 1965, by Theodore Kheel of New York, committee chairman.

A news conference will be held Thursday at 3 p.m., EST, in the Capitol.

The battle for control of amateur athletics in the United States has been raging for several years and the latest episodes in the fued could endanger the country's Olympic team.

The AAU fired the latest round two weeks ago in its battle with NCAA. The AAU's target was the Feb. 9 track meet in New York run by the U.S. Track and Field Federation, an arm of the NCAA.

The meet, called the Madison Square Garden Invitational, will feature mostly college stars. But several of those scheduled to run are no longer eligible for college competition, though they are still in school.

The AAU maintains it must sanction any meet in which non-collegians participate. The federation has refused to ask for such a sanction.

Col. Dixon Hull, executive director of the AAU, says any athlete competing in the meet will be reported to the International Amateur Athletic Federation, which in turn will suspend his eligibility for international events such as the Olympics in Mexico City this summer.

Trainer Eddie Neloy won the first Pimlico Stakes with Impressive in 1966. Last year he won the race with Disciplinarian.

Bengals Pick Bob Johnson On 1st Round

NEW YORK (AP) — The Cincinnati Bengals, striving for a well-rounded team, went for variety in their initial selections in the college football draft Tuesday.

They opened by picking All-America Bob Johnson, a 235-pound center from Tennessee. They opened the second of five draft rounds by choosing Utah defensive end Bill Staley.

In the third round the Bengals grabbed Gary Davis, quarterback from Vanderbilt; Paul Robinson, Arizona running back; and Dale Livingston, Western Michigan kicker.

To open the fourth round, Cincinnati picked another running back, Jesse Phillips of Michigan State. Other fourth round selections were Warren McVea, Houston running back, and Gus Hooloman, Houston defensive back.

The Bengals' fifth round choices were Dave Middendorf, a Washington State guard, and Alfred Beauchamp, a Southern University linebacker.

The Bengals have also acquired two players by trade, one from the draft Tuesday.

They gave up a fifth-round choice in trade for rookie linebacker Tom Rhoads of the Buffalo Bills of the AFL.

The Bengals previously acquired John Stofa from the Miami Dolphins.

Stargell Signs 1968 Contract With Pirates

PITTSBURGH (AP) — Willie Stargell has signed his 1968 contract with the Pittsburgh Pirates, the club announced.

Stargell, a lefthanded hitting outfielder, batted .271 with 20 home runs and 73 runs batted in last year. He hit .315 in 1966.

Canadiens Win 10th, Take First

By The Associated Press

The longest National Hockey League winning streak in 24 years has brought Montreal from last to first in the East Division race—with little room to spare.

The Canadiens, unbeaten in 14 games since last Christmas night, reeled off their 10th straight victory Tuesday night, blanking Toronto 3-0 behind 22-year-old goaltender Rogatien Vachon.

In 1944, Montreal won 10 games in succession, breaking open the race, and captured the NHL title by a 25-point margin over runner-up Detroit. This year, however, the Canadiens' 10-game winning string has given them no more than a slim edge over four other pennant contenders.

The Canadiens were in sixth place in the East just three weeks ago. They now lead Toronto, Boston and Chicago by three points and New York by five. The Rangers could create a four-way deadlock for the second spot by beating the Black Hawks tonight at New York.

Vachon stopped 19 shots on the way to his second shutout and goals by Claude Provost, Jean Beliveau and Yvan Cournoyer carried the Canadiens within four victories of the all-time NHL string of 14 set by the Boston Bruins in 1929-30.

The Canadiens have allowed only 15 goals during the winning streak, which began with a 5-2 victory over New York Jan. 6. Toronto has scored just one goal in four visits to Montreal this season.

Wickersham Signs Pirates' Contract

PITTSBURGH (AP) — Pitcher Dave Wickersham has signed his 1968 contract with the Pittsburgh Pirates.

Wickersham, 32, came to Pittsburgh in an offseason trade from Detroit, where he had a 1967 record of 4-5.

Daniel Emmet composed the song "Dixie" in 1859.

Steelers Get Linemen In Draft

NEW YORK (AP)—The Pittsburgh Steelers drafted the following college players Tuesday in the first five rounds of the pro football draft:

Mike Taylor, Southern California, offensive tackle; Ernest Rupel, Arkansas, offensive tackle; Jon Henderson, Colorado State, defensive back; Ken Herbert, Houston, flanker - kicker. Other choice traded.

The following players from western Pennsylvania colleges were drafted, listed according to pro clubs:

San Diego: Bill Lenkaitis, Penn State center.

Buffalo: Mike McBath, Penn State defensive tackle.

New York Giants: Rich Buzin, Penn State offensive tackle.

Houston: Bob Longo, Pitt offensive end.

Doug Dickey's Tennessee football team lost its first game last season by 20-16 to UCLA, then won nine straight, then bowed to Oklahoma 26-24 in the Orange Bowl.

Negroes May Shun Track Meet

NEW YORK (AP) — The movement by Negroes to boycott the New York Athletic Club indoor track meet Feb. 16 appears to be gathering momentum, but meet officials are continuing their official silence on the subject.

The meet, the first scheduled for the new Madison Square Garden, is the target of several Negro groups and individuals who allege that while the NYAC meet is open to all competitors, the club itself is not.

Several Negro colleges and clubs that usually send strong contingents are bypassing the meet and coaches of several New York area teams have said that though they will enter teams they will not force individuals who support the boycott to compete.

Terry Stone of New Mexico completed the most passes among major college players during 1967. He completed 160 in 336 attempts for a .476 average.

Track Feud Arbitration Report Due

WASHINGTON (AP) — The long and often verbally explosive feud over control of amateur athletics could end Thursday when a federal arbitration board issues a report on its two years of mediation.

The report will be submitted to Vice President Hubert H. Humphrey, who appointed the board in December 1965, by Theodore Kheel of New York, committee chairman.

A news conference will be held Thursday at 3 p.m., EST, in the Capitol.

The battle for control of amateur athletics in the United States has been raging for several years and the latest episodes in the fued could endanger the country's Olympic team.

The AAU fired the latest round two weeks ago in its battle with NCAA. The AAU's target was the Feb. 9 track meet in New York run by the U.S. Track and Field Federation, an arm of the NCAA.

The meet, called the Madison Square Garden Invitational, will feature mostly college stars. But several of those scheduled to run are no longer eligible for college competition, though they are still in school.

The AAU maintains it must sanction any meet in which non-collegians participate. The federation has refused to ask for such a sanction.

Col. Dixon Hull, executive director of the AAU, says any athlete competing in the meet will be reported to the International Amateur Athletic Federation, which in turn will suspend his eligibility for international events such as the Olympics in Mexico City this summer.

Trainer Eddie Neloy won the first Pimlico Stakes with Impressive in 1966. Last year he won the race with Disciplinarian.

Bengals Pick Bob Johnson On 1st Round

NEW YORK (AP) — The Cincinnati Bengals, striving for a well-rounded team, went for variety in their initial selections in the college football draft Tuesday.

They opened by picking All-America Bob Johnson, a 235-pound center from Tennessee. They opened the second of five draft rounds by choosing Utah defensive end Bill Staley.

In the third round the Bengals grabbed Gary Davis, quarterback from Vanderbilt; Paul Robinson, Arizona running back; and Dale Livingston, Western Michigan kicker.

To open the fourth round, Cincinnati picked another running back, Jesse Phillips of Michigan State. Other fourth round selections were Warren McVea, Houston running back, and Gus Hoolsman, Houston defensive back.

The Bengals' fifth round choices were Dave Middendorf, a Washington State guard, and Alfred Beauchamp, a Southern University linebacker.

The Bengals have also acquired two players by trade, one from the draft Tuesday.

They gave up a fifth-round choice in trade for rookie linebacker Tom Rhoads of the Buffalo Bills of the AFL.

The Bengals previously acquired John Stofa from the Miami Dolphins.

Stargell Signs 1968 Contract With Pirates

PITTSBURGH (AP) — Willie Stargell has signed his 1968 contract with the Pittsburgh Pirates, the club announced.

Stargell, a lefthanded hitting outfielder, batted .271 with 20 home runs and 73 runs batted in last year. He hit .315 in 1966.

Canadiens Win 10th, Take First

By The Associated Press

The longest National Hockey League winning streak in 24 years has brought Montreal from last to first in the East Division race—with little room to spare.

The Canadiens, unbeaten in 14 games since last Christmas night, reeled off their 10th straight victory Tuesday night, blanking Toronto 3-0 behind 22-year-old goaltender Rogatien Vachon.

In 1944, Montreal won 10 games in succession, breaking open the race, and captured the NHL title by a 25-point margin over runner-up Detroit. This year, however, the Canadiens' 10-game winning string has given them no more than a slim edge over four other pennant contenders.

The Canadiens were in sixth place in the East just three weeks ago. They now lead Toronto, Boston and Chicago by three points and New York by five. The Rangers could create a four-way deadlock for the second spot by beating the Black Hawks tonight at New York.

Vachon stopped 19 shots on the way to his second shutout and goals by Claude Provost, Jean Beliveau and Yvan Cournoyer carried the Canadiens within four victories of the all-time NHL string of 14 set by the Boston Bruins in 1929-30.

The Canadiens have allowed only 15 goals during the winning streak, which began with a 5-2 victory over New York Jan. 6. Toronto has scored just one goal in four visits to Montreal this season.

Wickersham Signs Pirates' Contract

PITTSBURGH (AP) — Pitcher Dave Wickersham has signed his 1968 contract with the Pittsburgh Pirates.

Wickersham, 32, came to Pittsburgh in an offseason trade from Detroit, where he had a 1967 record of 4-5.

Daniel Emmet composed the song "Dixie" in 1859.

In Filing Of Tax Return

Know The Rules, And Save Money

Yes, you can save money on your income tax return if you know all the rules. This is the third of five articles on income tax filing telling you some of the things you ought to know.

By JAMES MARLOW
Associated Press Writer

WASHINGTON (AP) — Before filing your tax return on 1967 income here are points to remember about husbands and wives and those single individuals who get a lower tax if they can qualify as "'head of household'" or "surviving spouse."

In almost all cases husbands and wives save by filing jointly instead of separately. To be joint a return must be signed by both. Start from scratch: A husband filing a return gets a $600 exemption for himself—meaning that much off his income before what's left is taxable—if he was under 65 in 1967 or $1,200 if he was 65 or older—plus another $600 if he was blind.

(He gets a $600 exemption for each dependent he can claim but no extra exemption if a dependent was blind or over 65.)

—:—

HE CAN claim the same kind of exemptions for his wife as for himself if she files jointly with him. She can file jointly with him whether or not she had income of her own.

He can claim the same exemptions for his wife if his wife fails to file jointly with him but had no income of her own and is not claimed as dependent by someone else.

Note: Even though a husband can claim all the proper exemptions for a wife who had no income, was not claimed by someone else and fails to file jointly with him, the tax on his income is higher than if she had made a joint return with him.

A wife who had $600 or more income would, like everyone else, have to file a return, either separately or jointly with her husband. She would claim her own exemptions on her own return. He could not claim any for her.

Note: The tax on couples filing separately is generally higher than if they had made a joint return.

A wife with less than $600 income would not have to file a return. But if she had any income at all—no matter how much less than $600—her husband could claim no exemptions for her unless she filed jointly with him.

Note: Here's an example of how a couple would lose money if the wife had less than $600 income but failed to file jointly with her husband. Say she had $200 income.

—:—

THE HUSBAND could not claim that $600 exemption for her or $1,200 if she was 65 or older—which he could have claimed if she had made a joint return with him.

And there's a rule on what married couples must do in taking deductions for personal expenses if they file separately: If one itemizes deductions, both must; if one uses the 10 per cent standard deduction, both must; and if one uses the minimum standard deduction, both must.

You were considered married for all of 1967 if you were married anytime last year, even as late as Dec. 31. You were considered divorced for the whole year if you were divorced anytime in 1967, even as late as Dec. 31.

You cannot claim any exemption for a divorced wife, or file a joint return with her, even though you paid more than half her support in 1967.

If you filed separate returns in 1965 or 1966, or in both years, and now think you would have saved by filing a joint return for those years, you can correct the mistake now by filing a joint return for 1965 and 1966.

"Surviving Spouse"—

Certain widows and widowers get a lower tax rate if they can qualify as "surviving spouse."

If your wife or husband died in 1967, you can generally claim a $600 exemption for him or her on your return now, if you did not remarry in 1967.

You file it as a joint return, reporting any 1967 income the deceased had, and using Tax Table B or Tax Rate Schedule No. 2, both of which have the lowest tax rate.

Further, if you meet the following conditions, you can still use Table B or Schedule No. 2 even though your wife or husband died in 1966 or 1965:

—:—

YOU MUST have been entitled to file a joint return with him or her for the year of death; you have not remarried; you have a child or stepchild who qualifies as your dependent; and you furnish over half the cost of your home which is the principal residence of your child or stepchild.

If you meet those conditions you can use Table B or Tax Rate Schedule No. 2, listing your own income, exemptions, and deductions. But you cannot claim an exemption for a wife or husband who died in 1966 or 1965.

"Head of Household":

Individuals who can qualify as "head of household" get a lower tax rate than allowed if they were filing a return as single persons.

You may qualify if:

You were unmarried or legally separated at the end of 1967 or were married by the end of the year to someone who for part of the year was a nonresident alien; you must have furnished over half the cost of maintaining your home which was the main residence for the year for yourself and your unmarried child, stepchild or grandchild, even though not a dependent of yours, or of any relative you can claim as a dependent or, if you paid more than half the cost of maintaining a home for your mother or father, if either can qualify as your dependent.

You cannot claim you maintained a home for a parent if you were paying for him or her in a home for the aged. But, if you meet the qualifications listed above, you can use Tax Table B or Tax Rate Schedule No. 3.

Adverse Affects Unfounded, Hospitals Find Of Medicare

COLUMBUS, Ohio (AP)—The medicare program is just over 18 months old now, and it appears that original fears over its possible adverse affects on Ohio's hospitals were unfounded.

"From our standpoint, a year and a half ago, when we started out on this, about 13 per cent of our admissions were people over 65, and they were staying about 19 per cent of our days," said The Ohio State University Hospitals administrator, Bernard J. Lachner.

The average number of elderly patients at Ohio State "has gone up slightly," since medicare became effective, according to Lachner.

The OSU hospitals now are running about 15 per cent of their admissions in the 65 and over age bracket, and they are staying 21 per cent of the hospitals' patient days.

The OSU hospitals, one of the largest single medical centers in the state, has a total of 973 beds.

Prior to medicare it admitted about 3,640 patients 65-years of-age and older each year, and they stayed 47,500 patient days.

Since medicare, the OSU hospitals admit about 4,200 elderly patients a year, and they stay some 52,500 patient days, or 5,000 more patient days than when the plan began.

Financially, the hospital insurance portion of medicare seems to have proved successful, according to Lachner.

Blue Cross health insurance firm acts as financial intermediary between the government and most Ohio hospitals participating in medicare.

"The net result has been more money to the hospital, there isn't any question about this," the OSU administrator said.

Dr. Warren Harding, administrator of Grant Hospital, a 433-bed community hospital in Columbus, on the other hand, is not as enthusiastic about the first 18 months of the medicare hospital plan.

"We have had an increase of about 15 per cent of patients 65," Harding said.

The medicare program has created a considerable increase in paper work for the administration and the medical staff," he said, but added, that "we have no complaint with the fiscal intermediary or the method they are using to pay."

Presently 252 of the 307 hospitals in Ohio are participating in the medicare hospital plan. Of those which are not participating, seven are Veterans Administration hospitals, which are not eligible under the law.

Among the participating hospitals Blue Cross acts as financial intermediary for 220 of them, according to John Bauman, director of public relations for the Central Ohio Blue Cross plan located in Columbus.

Since medicare became effective the firm has handled 608,000 hospital claims in Ohio totaling about $174 million Bauman said.

Hotel Strike Costs Pittsburgh Convention

PITTSBURGH (AP) — Another big convention scheduled for Pittsburgh has pulled out because of a lengthy strike at the city's largest hotel.

The society for the Preservation of Barbershop and Quartet Singing in America said Tuesday it would meet in Cincinnati instead of Pittsburgh June 24-29.

A society spokesman figured the meeting would have brought about 6,000 visitors to Pittsburgh and added $1 million to the tills of downtown businesses.

There has been no progress in talks between the Hotel and Restaurant Workers Alliance and the Penn-Sheraton Hotel. Several other big conventions switched sites since the strike started more than four months ago.

Hints from Heloise

—By Heloise Cruse—

DEAR HELOISE: Do you agree that the ordinary kitchen strainer is a "pain in the pantry"?

They are bulky and hard to store. They tend to become dented, usually rust like crazy and the liquid part of whatever you are straining runs through only part way.

Then you have to stir like mad with a spoon or something to force the rest of the liquid through.

Well, the next time you are shopping, drop into the local aquarium shop where you buy goldfish. Look at the simply beautiful array of fish nets!

They are a fine-grained nylon net bag sewn onto a nice little rust-proof frame with long handle, and they come in many sizes. Moreover, they store FLAT against the wall or in a drawer because the net bag collapses.

I have found that they make the most wonderful sieves! The net pouch is "reversible" for easy cleaning. But the best part of it all is, you can put your hand around the pouch and literally squeeze out all the liquid of your straining job.

A great time and space saver.

BETSY COVILELLO.

-:-

Well, Humpty-Dumpty sat on a wall. Didn't know you could make a strainer "fall."

I can't wait to get to a fish shop so I can buy one of your fish nets. And, Betsy, every time I use the new one, I'll think of you.

You're a real pal.

HELOISE.

DEAR HELOISE: I cut my name and address out of my canceled checks before throwing them away. With just a dab of paste on each end, they are perfect for return address labels on stationery.

By only dabbing the ends with paste, they are easy for friends to remove and repaste in their address books. I clip mine out with pinking shears to give them a little decorative touch.

DARLENE HAMMONDS.

DEAR HELOISE: Don't throw all your metal hair clips in the bag with your rollers and have to dig around for them each time you set your hair, breaking a few fingernails and wasting time.

Why don't you use ONE roller and clip all of the metal clips onto each end of it? One big roller will hold approximately 22 clips! The good thing about this is that when you wish to roll up your hair next time, you can grab that one roller and all of your clips are right there. So easy!

KIAH CRUSE.

DEAR HELOISE: I have discovered a quick and easy rug clean-up for small areas.

I use my wire lint brush (the two row kind) for picking up threads, lint, pet hair, etc. It takes very little effort because things adhere to it so quickly.

L. BALL.

DEAR HELOISE: Did you know those wrap-around skirts that become too small or worn make superb aprons?

If the skirt has a pocket, it's even nicer — so handy when cleaning house or sewing.

LITTLE HELPING HAND.

DEAR HELOISE: It amazes me that I didn't think of this hint years ago. Why haven't I ironed my tableclothes on the table instead of wrestling with them on the ironing board?

Now I just fold a few cotton blankets on my old table so the heat won't hurt the top. This gives me a nice soft pad to iron on.

I pull the corners up and do them first, then finish the cloth by walking around and around the table.

Take less than five minutes and looks perfect!

BETH CARR.

DEAR HELOISE: Here's what to do when making a cake such as angel food or sponge and you want to have a large cake without the hole in the middle.

Almost fill an empty fruit juice can (that is as tall as the pan's tube) with batter and bake. This batter rises up high and bakes in a few minutes.

Then use this small cake as the PLUG for the hole in the big one. Saves all of that frosting from running into the hole and makes a larger cake as well.

MRS. ELMER VARGA.

Labor Officials Seek Solution In Coal Strike

PITTSBURGH (AP) — Labor officials sought a peaceful solution today to a violent strike which has idled 18,000 soft coal miners in three states.

State police called the violence Tuesday the industry's worst in a generation. Roving bands used firebombs to destroy a union office, burn a truck and a coal company office and fight with police.

Mines in southwestern Pennsylvania, northern West Virginia and eastern Ohio were shut down.

Picketing marked by arson and vandalism started last week when the United Mine Workers union, AFL-CIO, began efforts to organize small, independent mines.

William Hart, the state secretary of labor and industry, continued meetings today in Harrisburg with union leaders and owners of the Solar Fuel Co. in Somerset County, where 104 pickets were arrested last week.

Adverse Affects Unfounded, Hospitals Find Of Medicare

COLUMBUS, Ohio (AP)—The medicare program is just over 18 months old now, and it appears that original fears over its possible adverse affects on Ohio's hospitals were unfounded.

"From our standpoint, a year and a half ago, when we started out on this, about 13 per cent of our admissions were people over 65, and they were staying about 19 per cent of our days," said The Ohio State University Hospitals administrator, Bernard J. Lachner.

The average number of elderly patients at Ohio State "has gone up slightly," since medicare became effective, according to Lachner.

The OSU hospitals now are running about 15 per cent of their admissions in the 65 and over age bracket, and they are staying 21 per cent of the hospitals' patient days.

The OSU hospitals, one of the largest single medical centers in the state, has a total of 973 beds.

Prior to medicare it admitted about 3,640 patients 65-years of-age and older each year, and they stayed 47,500 patient days.

Since medicare, the OSU hospitals admit about 4,200 elderly patients a year, and they stay some 52,500 patient days, or 5,000 more patient days than when the plan began.

Financially, the hospital insurance portion of medicare seems to have proved successful, according to Lachner.

Blue Cross health insurance firm acts as financial intermediary between the government and most Ohio hospitals participating in medicare.

"The net result has been more money to the hospital, there isn't any question about this," the OSU administrator said.

Dr. Warren Harding, administrator of Grant Hospital, a 433-bed community hospital in Columbus, on the other hand, is not as enthusiastic about the first 18 months of the medicare hospital plan.

"We have had an increase of about 15 per cent of patients 65," Harding said.

The medicare program has created a considerable increase in paper work for the administration and the medical staff," he said, but added, that "we have no complaint with the fiscal intermediary or the method they are using to pay."

Presently 252 of the 307 hospitals in Ohio are participating in the medicare hospital plan. Of those which are not participating, seven are Veterans Administration hospitals, which are not eligible under the law.

Among the participating hospitals Blue Cross acts as financial intermediary for 220 of them, according to John Bauman, director of public relations for the Central Ohio Blue Cross plan located in Columbus.

Since medicare became effective the firm has handled 608,000 hospital claims in Ohio totaling about $174 million Bauman said.

Hotel Strike Costs Pittsburgh Convention

PITTSBURGH (AP) — Another big convention scheduled for Pittsburgh has pulled out because of a lengthy strike at the city's largest hotel.

The society for the Preservation of Barbershop and Quartet Singing in America said Tuesday it would meet in Cincinnati instead of Pittsburgh June 24-29.

A society spokesman figured the meeting would have brought about 6,000 visitors to Pittsburgh and added $1 million to the tills of downtown businesses.

There has been no progress in talks between the Hotel and Restaurant Workers Alliance and the Penn-Sheraton Hotel. Several other big conventions switched sites since the strike started more than four months ago.

Hints *from* Heloise

— By Heloise Cruse —

DEAR HELOISE: Do you agree that the ordinary kitchen strainer is a "pain in the pantry"?

They are bulky and hard to store. They tend to become dented, usually rust like crazy and the liquid part of whatever you are straining runs through only part way.

Then you have to stir like mad with a spoon or something to force the rest of the liquid through.

Well, the next time you are shopping, drop into the local aquarium shop where you buy goldfish. Look at the simply beautiful array of fish nets!

They are a fine-grained nylon net bag sewn onto a nice little rust-proof frame with long handle, and they come in many sizes. Moreover, they store FLAT against the wall or in a drawer because the net bag collapses.

I have found that they make the most wonderful sieves! The net pouch is "reversible" for easy cleaning. But the best part of it all is, you can put your hand around the pouch and literally squeeze out all the liquid of your straining job.

A great time and space saver.

BETSY COVILELLO.

-:-

Well, Humpty-Dumpty sat on a wall. Didn't know you could make a strainer "fall."

I can't wait to get to a fish shop so I can buy one of your fish nets. And, Betsy, every time I use the new one, I'll think of you.

You're a real pal.

HELOISE.

DEAR HELOISE: I cut my name and address out of my canceled checks before throwing them away. With just a dab of paste on each end, they are perfect for return address labels on stationery.

By only dabbing the ends with paste, they are easy for friends to remove and repaste in their address books. I clip mine out with pinking shears to give them a little decorative touch.

DARLENE HAMMONDS.

DEAR HELOISE: Don't throw all your metal hair clips in the bag with your rollers and have to dig around for them each time you set your hair, breaking a few fingernails and wasting time.

Why don't you use ONE roller and clip all of the metal clips onto each end of it? One big roller will hold approximately 22 clips! The good thing about this is that when you wish to roll up your hair next time, you can grab that one roller and all of your clips are right there. So easy!

KIAH CRUSE.

DEAR HELOISE: I have discovered a quick and easy rug clean-up for small areas.

I use my wire lint brush (the two row kind) for picking up threads, lint, pet hair, etc. It takes very little effort because things adhere to it so quickly.

L. BALL.

DEAR HELOISE: Did you know those wrap-around skirts that become too small or worn make superb aprons?

If the skirt has a pocket, it's even nicer — so handy when cleaning house or sewing.

LITTLE HELPING HAND.

DEAR HELOISE: It amazes me that I didn't think of this hint years ago. Why haven't I ironed my tableclothes on the table instead of wrestling with them on the ironing board?

Now I just fold a few cotton blankets on my old table so the heat won't hurt the top. This gives me a nice soft pad to iron on.

I pull the corners up and do them first, then finish the cloth by walking around and around the table.

Take less than five minutes and looks perfect!

BETH CARR.

DEAR HELOISE: Here's what to do when making a cake such as angel food or sponge and you want to have a large cake without the hole in the middle.

Almost fill an empty fruit juice can (that is as tall as the pan's tube) with batter and bake. This batter rises up high and bakes in a few minutes.

Then use this small cake as the PLUG for the hole in the big one. Saves all of that frosting from running into the hole and makes a larger cake as well.

Labor Officials Seek Solution In Coal Strike

PITTSBURGH (AP) — Labor officials sought a peaceful solution today to a violent strike which has idled 18,000 soft coal miners in three states.

State police called the violence Tuesday the industry's worst in a generation. Roving bands used firebombs to destroy a union office, burn a truck and a coal company office and fight with police.

Mines in southwestern Pennsylvania, northern West Virginia and eastern Ohio were shut down.

Picketing marked by arson and vandalism started last week when the United Mine Workers union, AFL-CIO, began efforts to organize small, independent mines.

William Hart, the state secretary of labor and industry, continued meetings today in Harrisburg with union leaders and owners of the Solar Fuel Co. in Somerset County, where 104 pickets were arrested last week.

Hancock Commissioners Given Salary Suggestions

Salary increases for the county clerk and the circuit clerk are among recommendations which have been presented Hancock County commissioners by three county residents now serving in the West Virginia legislature relative to the present wage scale for county officials.

The suggestions are contained in a letter from Charleston under the signatures of William Tompos, senator from the 1st District and Callie Tsapis and George Griffith, both delegates. The three legislators reside in Weirton.

—:—

ALSO proposed was that the sheriff's salary be increased from $4,800 to equal that of the assessor, $6,000.

The legislators' viewpoints were outlined as follows:

"We have been concerned about and have reviewed the salaries of our county officials. In light of the fact that the sheriff and the assessor receive payments from the county other than their salaries, and that the prosecutor engages in the practice of law in addition to performing the duties of his office, we are of the opinion that their salaries need not be increased. However, we are proposing to raise the sheriff's salary from $4,800 to equal that of the assessor. We are further of the opinion that the county commissioner's salaries are sufficient.

"However, in the case of the salaries of the county clerk and the circuit clerk, whose present salaries of $6,500 are the only monies they receive from the county, we are of the opinion that in order to encourage persons to run for these offices with the intention of devoting full time to them, these salaries should be increased.

—:—

"WE ARE, therefore, jointly supporting a change in the present law setting the salary for each of said offices as follows:

"Not less than $6,500 nor more than $8,000."

"We are further recommending to the court that when salaries for these offices are set by them upon the election of new persons or re-election of the present clerks, any such clerk taking office on Jan. 1, 1969, that would be devoting full time to his elective office, shall have his salary increased to the maximum set above; otherwise they should remain as they presently are.

"We realize that we cannot dictate to you, as commissioners, once the above has been adopted by the legislature, what you should set as salaries for these officials; nevertheless we repeat that we felt the need to encourage persons who will devote full time to their duties to run for various offices; but at the same time, we are not in favor of giving higher salaries to persons who are elected and intend to have employment elsewhere and devote only their spare time to their elective office."

Agencies Further Plans For County Winter Fair

Further plans for a "Columbiana County Winter Fair" Feb. 26-March 1, designed to acquaint the public with the services available from various agencies, were made at a meeting of agency representatives Tuesday.

At the session at the Ohio Employment Service office, a committee was named to obtain sites for meetings planned simultaneously at East Liverpool, Salem, East Palestine, Lisbon and Columbiana on each of five evenings of the week.

Participants will be formed into five panels which will visit each of the five communities on successive evenings, Robert Harris, Social Security manager, said.

There will be a question-and-answer session following a brief panel presentation at each event. The panel members will be available following the general meeting for specific or personal questions from members of the audience. A "Town Hall" style meeting is planned, Harris said. Details about locations in each community will be released shortly.

Harris said he hopes this type of "County Fair" will show the people of the county that government is not some distant thing. "It influences the lives of everybody in the county and it is important for all our citizens to be involved in the government."

The panel presentations will also be offered to high schools and colleges in the county during the afternoons of the week.

Chairmen Named When Dixonville Boosters Meet

Committee chairmen were appointed by Mrs. Frank Hilliard, president, when the Dixonville Vikings Boosters Club met Monday night at the Ohio Valley Gas Co. office on W. 6th St.

They include Mrs. John Parsons and Mrs. Dorothy Wright, ways and means; Mrs. Charles C. Cronin, telephone; Mrs. John Bell and Mrs. Ben Weber, refreshments for players, and George Vorkapich and Norm Davis, equipment managers.

Football pictures were distributed. Those who have not yet received them are to contact Mrs. Shirley Green. Tickets also were distributed for the 1968 boosters' drive. A skating party is planned soon.

The next meeting will be Feb. 19, with movies of football games to be screened, a mystery prize awarded and refreshments served.

For Statewide Systems

W.Va. Senate Action Due On Urban Transportation

CHARLESTON — The Senate is expected to take final action today on a bill authorizing urban mass transportation systems in West Virginia.

The bill provides that any municipality or county or adjoining municipalities or counties can create an authority to finance an urban mass transportation system.

The bill is designed to promote establishment of the systems in the state and take advantage of a newly enacted federal law providing grants and loans to promote establishment of such systems.

The systems will be subject to Public Service Commission action if they carry passengers.

In action Tuesday, the legislature passed and sent to Gov. Hulett C. Smith bills raising the ceiling on investment of state funds in corporate bonds and permitting sale of $20 million road bonds during the next fiscal year.

The House also amended a divorce bill permitting insanity to be grounds for divorce if the spouse has been confined to a mental institution for 10 years and two phyicians testify that the condition is incurable.

The lower chamber also delayed action for at least one day on a resolution to place a $350 million road bond amendment on the November ballot.

GOP delegates say they will block passage of the resolution unless a bill requiring an audit of all State Road Commission expenditures is passed.

The House earlier passed an audit bill and sent it to the Senate where it has been referred to the Judiciary Committee. Judiciary Committee Chairman W. T. Brotherton Jr., D-Kanawha, said Tuesday the committee would consider the bill "in due time."

"I'm not the least concerned with what the House of Delegates gets blackjacked into," he added.

The proposed $350 million bond issue received backing Tuesday from the Citizens Committee for Better Roads. The committee was appointed by Smith to recommend ways to finance the Appalachian Highway System.

U.S. Gold Supply Recorded Sharpest Dive In December

WASHINGTON (AP) — The nation's gold supply—feeling the effects of the European gold rush—dropped by $900 million in December, sharpest monthly dive in history, the Federal Reserve Board reports.

It brought the total gold loss for 1967 to $1.17 billion, the largest in two years and double the loss for 1966.

The nation's gold stock is now at its lowest ebb in 30 years.

Officials attributed the 1967 decline to speculative gold buying which followed Britain's November devaluation of the pound and also to tensions and eventual war in the Middle East last spring.

Had it not been for these two occurences, officials said, the United States would have enjoyed last year the first increase in its gold stock in a decade.

By the end of December the nation's gold supply had dropped to $12.1 billion, the board reported, while total U.S. reserves reached $14.8 billion, down $608 million from November.

Along with gold, total reserves include convertible foreign currencies held by this country plus its reserve position in the International Monetary Fund.

Domestic gold sales during 1967 totaled $160.4 million, Treasury officials said, leaving a net loss of just over $1 billion in sales to foreign governments and to fill U.S. commitments to the London gold market.

The United States supplies 50 per cent of the gold sold in London as part of a seven-nation pool which also includes the United Kingdom, West Germany, Belgium, Italy, the Netherlands and Switzerland.

Cable Is Stolen At Area Garage

LISBON — A rear door was forced at the Industrial Mining Co. garage on Route 164 near Gavers Tuesday night and 600 feet of rubber - covered welding cable stolen.

Sheriff's Deputy Herman (Cy) Wellman investigated after Robert Hamilton of Industrial reported the burglary to the sheriff's office at 7:40 a.m.

Hamilton placed a value of $560 on the cable, which was taken from a shop welder and two portable welders on trucks. He said the break - in occurred between 5 p.m. Tuesday and 6 today. Jerry Lipp, an employe, discovered the theft.

County OKs Plan On Development

LISBON — Columbiana County Commissioners have approved the plat of Roseview Acres, an 18-acre tract on the lands of Helen C. Rose in the northwest quarter of Section 2, Center Township.

The plat, previously approved by the township trustees, shows 15.9 acres in 26 lots and 2.5 acres in two streets. The land is on the east side of Franklin Square Rd., just south of the Center - Salem Township line.

Columbiana County Health Department officials qualified their approval, stating that soil percolation tests are to be run on each lot and submitted to the department prior to the issuance of septic tank permits.

CHARLESTON — The Senate is expected to take final action today on a bill authorizing urban mass transportation systems in West Virginia.

The bill provides that any municipality or county or adjoining municipalities or counties can create an authority to finance an urban mass transportation system.

The bill is designed to promote establishment of the systems in the state and take advantage of a newly enacted federal law providing grants and loans to promote establishment of such systems.

The systems will be subject to Public Service Commission action if they carry passengers.

In action Tuesday, the legislature passed and sent to Gov. Hulett C. Smith bills raising the ceiling on investment of state funds in corporate bonds and permitting sale of $20 million road bonds during the next fiscal year.

The House also amended a divorce bill permitting insanity to be grounds for divorce if the spouse has been confined to a mental institution for 10 years and two phyicians testify that the condition is incurable.

The lower chamber also delayed action for at least one day on a resolution to place a $350 million road bond amendment on the November ballot.

GOP delegates say they will block passage of the resolution unless a bill requiring an audit of all State Road Commission expenditures is passed.

The House earlier passed an audit bill and sent it to the Senate where it has been referred to the Judiciary Committee. Judiciary Committee Chairman W. T. Brotherton Jr., D-Kanawha, said Tuesday the committee would consider the bill "in due time."

"I'm not the least concerned with what the House of Delegates gets blackjacked into," he added.

The proposed $350 million bond issue received backing Tuesday from the Citizens Committee for Better Roads. The committee was appointed by Smith to recommend ways to finance the Appalachian Highway System.

Toledo Girl's Body Found In Michigan

TOLEDO, Ohio (AP) The body of a pretty teen-aged girl was found in a field in Michigan Tuesday, rolled up in a rug and bound in a bizarre manner that could have caused her to choke herself. The girl had been missing more than a month.

The victim was 14-year-old Eileen Adams, daughter of Mr. and Mrs. Lawrence Adams and a freshman at Toledo Central High School. She lived in nearby Sylvania Township.

The frozen body was found 20 miles north of Toledo in Monroe County, Mich., by a rabbit hunter. Miss Adams disappeared Dec. 18.

Police here launched a search for an unidentified young man, believed to have been the last person to have seen her alive. Classmates said they saw Miss Adams talking to the man on a city bus after she left school Dec. 18.

The body was draped in a brown, braided oval rug. Roofing nails were found in the rug. The girl's hands were tied in front of her.

An electrical cord was fastened around her neck and then tied to her feet. Police said it was tied in such a manner that if the girl moved she would have choked herself.

An autopsy was ordered to determine the cause of death and to learn if the girl had been sexually molested.

The body was clothed in a two-piece blue suit and white blouse. Her shoes were missing. Also missing were a brown shoulder bag and a coat she was wearing when last seen alive.

Classmates said Miss Adams had said she was going downtown after school on Dec. 18 to meet her father to go Christmas shopping. The father said he was unaware of such plans.

Various Reports Are Received At Legion Meeting

Reports on the recent conference at Columbus were heard when American Legion Post 374 of East End met Monday night.

James Cregar, 10th District commander, said that the Legion's national commander, William E. Galbraith of Beemer, Neb., reviewed a recent trip to Vietnam and a national program emphasizing "Freedom Is Not Free."

Gen. Thomas P. Gerrity, commander of the Air Force Logistics Command at Wright - Patterson base, Dayton, was presented a national Legion plaque in recognition of the Command's management and support provided to forces in Southeast Asia.

Other speakers during the state meeting included Atty. Daniel J. O'Connor of New York, chairman of the Legion's National Americanism Commission, and Col. Roscoe Turner, famed aviator of the 1920-30 era, chairman of the Legion's National Aeronautics Committee.

Additional meeting reports were given Monday by Densel McKinney, commander, and Robert Milne, adjutant.

Kenneth Yost, first vice commander, said membership now numbers 515. Clyde Null was accepted as a new member. John Long, past commander, obligated Deforest Jackson.

Paul Gill, baseball chairman, read a letter from the East Liverpool Colt League concerning the American's Legion's baseball schedule for the Colt field.

Long was selected as "Legionnaire of January."

James Arcuragi is chairman of a March of Dimes roadblock which will be held Saturday.

James Wallover, service officer, said James Calhoun and Ed Wright are hospital patients.

The next meeting will be Monday at 8 p. m. in the post home.

Keep Lid On Suits Blocking Parochial Aid, Court Urged

WASHINGTON (AP) — Former U.S. Atty. Gen. Herbert Brownell wants the Supreme Court to keep a lid on taxpayer suits that would block federal aid to parochial school children.

Brownell spoke for 15 New Yorkers whose children get remedial education training in Jewish, Lutheran, Roman Catholic and Greek Orthodox schools.

The lid was put on by the Supreme Court in 1923. It decided payment of taxes alone does not give a citizen the right to sue to block large government programs.

The court will re-examine that ruling later this term.

If it reverses itself, Brownell said in a friend-of-court brief filed Tuesday, some children in poor neighborhoods could be excluded from the benefits of welfare legislation "by reason of their religious beliefs or affiliations."

The federal government spends an estimated $41.9 million a year under the 1965 Elementary and Secondary Education Act to provide special education programs and library services for children attending nonpublic schools in poor areas.

The children of the New Yorkers Brownell spoke for get speech therapy, remedial reading, remedial arithmetic and guidance counseling in their parochial schools.

"There is no allegation that any funds are being used, even indirectly, to support religious worship or instruction," Brownell said.

The test case was brought to the court by seven civic and education leaders in New York opposed to federal funds being provided to such schools.

They have the support of the American Jewish Congress, the New York Civil Liberties Union, the United Federation of Teachers and the United Parents Associations.

Additionally, the National Council of Churches has told the court there is "grave doubt" federal programs aiding church-affiliated schools are constitutional.

Wellsburg Soldier Killed In Viet War

WASHINGTON (AP) — Two West Virginia Marines have been killed in Vietnam.

The Defense Department identified them as Cpl. Ray O. Simmons Jr. of Wellsburg, Brooke County, and Pfc. Thomas K. Coleman of Big Chimney, Kanawha County.

5,600 Laid Off At GM Plant To Return Tonight

By The Associated Press

The 5,600 workers laid off at General Motors' Chevrolet plant in Parma last week because of a strike-induced shortage of materials have been recalled and will start reporting for work with the third shift tonight.

A spokesman added that 200 workers at the Fisher Body plant on Coit Road will be laid off at midnight tonight because of a shortage of specially equipped boxcars which haul automobile fenders. There are currently 780 workers off at the plant.

The parts shortage resulted from United Auto Workers strikes at three GM foundries.

GM workers still idled in Northern Ohio include 4,700 at the Chevrolet Fisher Body assembly plant at Lordstown, 1,540 at Chevrolet in Toledo and 1,800 at Fisher Body in Mansfield.

Also, 600 employes have been laid off at the Chrysler stamping plant at Twinsburg because of a strike by 4,000 workers at a Chrysler plant in St. Louis.

Nearly 3,500 auto workers remained off work at two GM plants in Cincinnati today but a Hamilton plant is starting to recall employes.

Management at the Fisher Body plant in Hamilton told 50 employes to report for work today and another 350 have been instructed to return Thursday.

At the Chevrolet and Fisher Body plants in Cincinnati no immediate callback is planned, officials said.

3 Windows Smashed In Downtown District

Three window panes were broken by vandals or would-be intruders Tuesday in downtown district buildings, police reported.

Kathryn Leonard of 211 E. 3rd St. said two 6-x-8-inch panes in the door of her apartment were broken in her absence between 1 and 9 p. m., apparently in an unsuccessful attempt at entry. The intruder apparently attempted to manipulate the door fastening after breaking the panes, but the lock was arranged so that it could be opened from the outside only with a key, she reported.

A 6-x-8-inch pane was broken sometime Tuesday in an outer door leading into the lobby of the Masonic Temple on Broadway, police said. The damage was discovered at 6:20 p.m.

A Blue and Gold banquet honoring the "birthday" of scouting will be held Feb. 24 at the multi-purpose room in Oak Glen High School. Scout Week will be Feb. 7 through 13, Rowland said.

Den 1 led the flag ceremony. Refreshments were served by Den 3, Mrs. Donna Deemer, and Den 4, Mrs. Mary Golden.

Cub Pack 470 met Monday at Ohio View Evangelical Lutheran Church in Industry and advanced plans for the Blue and Gold dinner Feb. 18 at 5 p.m. at the St. Christine Catholic Church hall.

The entertainment for the event will be provided by the Ft. McIntosh Monaca Explorer Indians. Cub merit awards will be presented, according to cubmaster Charles Hall. A covered dish will be featured, with each family to be contacted on what dish to bring.

The theme at the meeting was "Communications." The "Cubby" award went to Den 2, with Mrs. Ronald Erath den mother.

Presenting skits were Den 1, with Mrs. Donald Haswell, den mother; Den 2, Mrs. Erath; Den 3, Mrs. Michael Gingerella, and Den 4, Mrs. Hall.

The opening and closng exercises were led by Den 2. A new pack flag, donated by the Ohio View - Industry Woman's Club, was displayed for the first time.

It was announced that beginning with the Blue and Gold dinner and continuing at each consecutive pack meeting, a mother of a cub will be asked to donate a baked cake which will be awarded as a prize as a fund - raising project. Mrs. William Imstead will furnish the first affair. Hall announced that the yearly dues are to be paid to den mothers.

The next pack meeting will be March 29 at 7:30 p.m. in the Lutheran Church Fellowship Hall, the sponsoring unit.

A weekend campout for the Weblos den of Cub Pack 34 was planned during a meeting at the Pennsylvania Ave. Methodist Church.

The event will be Feb. 10-11 at Camp McKinley.

Final plans also were made for the Blue and Gold banquet Feb. 29 in the social rooms of the church.

Den 6, led by Mrs. Helen Sell, demonstrated various ways to give SOS signals in communications.

The den demonstrated athletics. Rick Sell of Den 6 received the Denner badge. Weblos David Tyler received the scientist badge.

A planning meeting will be held at the church Feb. 8 at 7:30 p.m.

Industry Area Events

Mrs. Pat Nuzzo 643-4508

Three council members were elected Sunday during the annual congregational meeting of the Ohio View Evangelical Lutheran Church at Industry.

The meeting was held in the nave following the worship service, with the Rev. Oscar L. Arnal presiding.

Elected were Edward Stephens, Edgar Snyder and Mrs. Robert Preston, with Mrs. Preston believed to be the first woman to occupy that position.

The newly-elected councilmen will be installed by Rev. Arnal Sunday during 11 a.m. worship. The Sacrament of Holy communion will be administered.

Dwight Stall, treasurer, submitted his 1967 report and the proposed budget was adopted. Serving as tellers for the election were Jerry Medlicott and Stephen Hazy.

Annual reports and committees presenting them included: Pastor's report, Rev. Arnal; financial, Homer Paul, retired treasurer; council, Edward Stephens, vice president; Luther League, Dean Eshenbaugh, president; worship and music, Stephens; Lutheran Christian Women, Mrs. Jack M. Peck, retired president; LCW treasurer's report, Mrs. Karl Wagoner; social ministry, Hazy; stewardship, Harold Brobeck; evangelism, John Waddell Jr.; outside maintenance, Ted Steiner; inside property, Rev. Arnal, and Christian Education, Robert Cowan, superintendent.

Medlicott substituted as Adult Fellowship class instructor for George MacLeod, who was absent due to a fracture of his left arm suffered in a fall Friday at his Midland service station. The class meets Sunday at 9:30 a.m. in the church study. "How Can The World Be Saved?" will be discussed this Sunday.

The Stewardship Committee will sponsor a congregational "Fastnacht," a pre-Lenten dinner, Feb. 27 at 6:30 p.m. at the St. Christine Church hall in Industry. Mrs. George Ross is dinner chairman and Mrs. Donald Luster co-chairman. A program and film are being planned.

Social ministry visitations this week will be conducted by Mr. and Mrs. Hazy. Staffing the nursery Sunday during the service will be Cindy Safford and Kerry Eshenbaugh. Robert Safford was named head usher for February.

The first-year catechism class meets Sunday at 1 p.m. in the church Fellowship hall, the second-year class Thursday at 7 p.m. in the hall. Adult Interest class meets Wednesday at 7 p.m. and choir rehearsal is held at 8 p.m. in the hall. The Worship Committee met with Ed Stephens Sunday at the church.

An announcement was made of a Midland area day care center to be established if a current survey warrants such a service. Hatty Jones of Midland may be contacted by those interested in such a center for the care of their children while they work, especially among low-income families.

A visitor to Israel will be guest speaker Sunday when the junior and senior leagues of the Lutheran church meet at 6:30 p.m. in the church hall. The speaker, a friend of the Rev. Arnal, will show slides of Israel.

During the meeting Sunday, the senior topic was presented by the president, Dean Eshenbaugh, on "Pueblo." A movie is planned as the future social function.

The junior topic on "Flying Saucers" was presented by Lane Eshenbaugh and Richard Kirkpatric. The junior league elected Stephen George as Junior High representative. The game "Poor Pussy Cat" was the recreation. Refreshments were served by Mrs. Stephens and Jane Albacker. The next meeting will be Sunday in the church hall, with Louis and Richard Kirkpatrick providing the refreshments. Advisers were Rev. Arnal, Mrs. Arnal and Mrs. Stephens.

An organizational meeting was held Sunday afternoon with a representative of the St. Christine Catholic Youth Organization in the Lutheran church hall. An interest reading group was outlined.

Plans are tentative for the group to meet Feb. 26 at 2:30 p.m. in Fellowship Hall, in cooperation with the CYO senior high class. Books are being ordered.

Some 15 members of the senior high league attended the viewing of "Luther" Monday at the parsonage. The drama of the 16th-century monk who launched the Reformation was screened.

M M M

Mrs. Diana Reilly of the Sears and Roebuck Store at the Northern Lights Shopping Center in Baden will speak next Wednesday when women of the Crucible Management Club hold a luncheon at 12:30 p.m. at the clubhouse in Industry. Mrs. Reilly's topic will be "Home Fashions Chat." Reservations may be made by phoning the clubhouse.

E. L. Review: January 24, 31, 1968.

Industry Area Events

Mrs. Pat Nuzzo 643-4508

Three council members were elected Sunday during the annual congregational meeting of the Ohio View Evangelical Lutheran Church at Industry.

The meeting was held in the nave following the worship service, with the Rev. Oscar L. Arnal presiding.

Elected were Edward Stephens, Edgar Snyder and Mrs. Robert Preston, with Mrs. Preston believed to be the first woman to occupy that position.

The newly-elected councilmen will be installed by Rev. Arnal Sunday during 11 a.m. worship. The Sacrament of Holy communion will be administered.

Dwight Stall, treasurer, submitted his 1967 report and the proposed budget was adopted. Serving as tellers for the election were Jerry Medlicott and Stephen Hazy.

Annual reports and committees presenting them included: Pastor's report, Rev. Arnal; financial, Homer Paul, retired treasurer; council, Edward Stephens, vice president; Luther League, Dean Eshenbaugh, president; worship and music, Stephens; Lutheran Christian Women, Mrs. Jack M. Peck, retired president; LCW treasurer's report, Mrs. Karl Wagoner; social ministry, Hazy; stewardship, Harold Brobeck; evangelism, John Waddell Jr.; outside maintenance, Ted Steiner; inside property, Rev. Arnal, and Christian Education, Robert Cowan, superintendent.

Medlicott substituted as Adult Fellowship class instructor for George MacLeod, who was absent due to a fracture of his left arm suffered in a fall Friday at his Midland service station. The class meets Sunday at 9:30 a.m. in the church study. "How Can The World Be Saved?" will be discussed this Sunday.

The Stewardship Committee will sponsor a congregational "Fastnacht," a pre-Lenten dinner, Feb. 27 at 6:30 p.m. at the St. Christine Church hall in Industry. Mrs. George Ross is dinner chairman and Mrs. Donald Luster co-chairman. A program and film are being planned.

Social ministry visitations this week will be conducted by Mr. and Mrs. Hazy. Staffing the nursery Sunday during the service will be Cindy Safford and Kerry Eshenbaugh. Robert Safford was named head usher for February.

The first-year catechism class meets Sunday at 1 p.m. in the church Fellowship hall, the second-year class Thursday at 7 p.m. in the hall. Adult Interest class meets Wednesday at 7 p.m. and choir rehearsal is held at 8 p.m. in the hall. The Worship Committee met with Ed Stephens Sunday at the church.

An announcement was made of a Midland area day care center to be established if a current survey warrants such a service. Hatty Jones of Midland may be contacted by those interested in such a center for the care of their children while they work, especially among low-income families.

A visitor to Israel will be guest speaker Sunday when the junior and senior leagues of the Lutheran church meet at 6:30 p.m. in the church hall. The speaker, a friend of the Rev. Arnal, will show slides of Israel.

During the meeting Sunday, the senior topic was presented by the president, Dean Eshenbaugh, on "Pueblo." A movie is planned as the future social function.

The junior topic on "Flying Saucers" was presented by Lane Eshenbaugh and Richard Kirkpatric. The junior league elected Stephen George as Junior High representative. The game "Poor Pussy Cat" was the recreation. Refreshments were served by Mrs. Stephens and Jane Albacker. The next meeting will be Sunday in the church hall, with Louis and Richard Kirkpatrick providing the refreshments. Advisers were Rev. Arnal, Mrs. Arnal and Mrs. Stephens.

An organizational meeting was held Sunday afternoon with a representative of the St. Christine Catholic Youth Organization in the Lutheran church hall. An interest reading group was outlined.

Plans are tentative for the group to meet Feb. 26 at 2:30 p.m. in Fellowship Hall, in cooperation with the CYO senior high class. Books are being ordered.

Some 15 members of the senior high league attended the viewing of "Luther" Monday at the parsonage. The drama of the 16th-century monk who launched the Reformation was screened.

Junior Editors Quiz on FINGERNAILS

QUESTION: Why do we have nails on our fingers?

★ ★ ★

ANSWER: Our finger and toenails resemble the horns, hoofs, claws and beaks of animals, because they are made of the same kind of material. They are special growths of the outer skin and are composed of hardened skin cells. What a marvelous material skin is becomes clear when you think that a bird's feathers and a reptile's scales are also developed from the skins of these animals. We have nails because they are of decided value, since they stiffen the end of the finger as well as protect it. They also give a sharp edge to the finger end. Since this has a soft, highly sensitive pad under it, the combustion of nail and pad makes a wonderful tool by which all kinds of delicate manipulations may be made. The next time you use a typewriter notice how the stiffening of the nail enables you to punch down strongly on a key. Pick up a paper clip and you will realize how useful the two nail edges are. In our picture Karen is filing her nails because this is better for them than cutting. She uses an oraneg stick to clean out dirt from under the nail.
